Subject: Land Trust and TSSP Amendment Request

East Sandy Elementary would like to amend their 2020-21 TSSP or Land Trust Plan in order to better serve the needs of their students.

Reason for the proposed amendment: The goal that was created for our four grade class was missing a section.

Original Goal: Fourth: By May of 2022, 75% of East Sandy's fourth grade will gain 100 points, at minimum, on the Reading Inventory (RI) from the Fall Benchmark to Spring Benchmark.

Original Allocated Expenditures: No change to the expenditure.

Proposed TSSP/LAND Trust Goal Change: 75% of students will gain 100 pts. on the Reading Inventory or maintain an RI level of 770 or higher from the fall to spring benchmark.

Proposed Expenditure Change: No change to expenditures.

Date of the meeting the amendment was discussed and approved by the SCC: 2/10/22
