

Steve Kinser Career Win List

Many thanks to ARRA historian and one of the country's foremost authorities on the nation's sprint car scene, Kevin Eckert, for providing this statistical data. While this is not a complete listing of ALL of Steve Kinsers wins.....(there were some very early career wins locally before he began his World of Outlaw winning career that are not documented)....this is considered the most comprehensive collection of Steve Kinser's career wins. ARRA is proud to present a page documenting the career wins of quite possibly, the world's greatest sprint car driver ever!
