

Dear Prospective Rouse Dance Team Members and Parents,

Attached are the necessary instructions and forms to be completed in order to tryout for the Royal Dance Team and Rhythm Dance Company.

As a parent of a prospective Royal or RDC member, you should be fully informed about the requirements in becoming a dance team member. You and your child must also realize the year-long commitment and dedication required of all students once they have decided to participate in a dance program at Rouse High School. Being a dance member is not only an outstanding achievement and great honor; it is also a tremendous commitment and responsibility that must be taken seriously. Royals and RDC are a year-round commitment for your child to be involved. The Royals and RDC will be participating in many events throughout the entire school year such as football half times, pep rallies, basketball games, spring sports games, competitions, Spring Revue and various community events. Because of the year-long commitment, the decision to participate on the dance team should be well thought out and discussed between you and your child.

If your child is selected for the Rouse Royal Team or the Rhythm Dance Company, he/she must abide by strict rules and regulations. The handbook is devised for the protection of the entire organization; therefore, each candidate and parent is asked to read and discuss it carefully and to keep it in a safe place for future reference. This will be the document upon which decisions are made, so please become familiar with the expectations of each member. Please go to the following link to download handbook, print and fill out important forms.
