See?! Being late is your middle name.

NICK

Oh God! Come on! Please, don't mad at me. It's better late than never, right?

CHELSEA

I always consider that you as a man should know who truly you are. I've been taking control for this relationship, but I think it's enough for now. You can't even manage your own life. And how can I trust my future life on your hand?

NICK

What are you talking about?

CHELSEA

NICK
How could it be your happiness?

LOU
I don't know why, but whenever I see them entering the coffee shop with their problems outside, then they enjoy my coffee and it makes me feel so happy.

NICK
Wow. Sounds great. Ok thank you. (smiling)

(Lou smiled back to Nick.)

NICK
She can feel happy even live inside the rules. How about me? I live without rules, but I can't find the happiness. Oh! She said, it's because she always meets her customers. Probably, I will find myself better if I meet new people. #Naration.

RYAN

Not really, but I love it.

NICK

Mmm.. i know that there is many people love to hike, but I never get the essentials of it.

RYAN

Some people may think that hiking wastes energy and time. But the facts are I can appreciate the time, I can control my ego, and I'm able to know the truly I am.

Really? (curious face)

RYAN

You can prove it by yourself. I'm going to hike tomorrow. If you want to join with me, I'll wait you here at 8 pm.

NICK

(smiling) Hm nothing. Just thinking about my girlfriend.

RYAN

Oh you must miss her, right?

NICK

(sighing) ...I want to show her that I really know who and how the truly I am, that I'm not like what she thinks, that I can prove it. Am I right?

RYAN

Wow. Wow. Your words sound arrogant, bro.

NICK

Arrogant?

RYAN

Yeah. Because you do a lot of things just want to show her that you can prove it as the purpose. It's not because of yourself.

(Nick was startled by Ryan's words.)

-

(Nick arrived at the lakeshore.)

(Nick approached Chelsea.)

NICK

All I can say is only sorry. (sitting next to Chelsea)

CHELSEA

It's our last resort. I gave you last chance, but you didn't take it.

NICK

No. We can fix all of these. Just like you said before, that me as a man should know who actually I am. I tried in many times to give you my best. I hope I get your acceptance. We only have different perspective, not the way. (convincing Chelsea)

CHELSEA

I've already given you so many chances..... (about to crying)

NICK

And I've been trying so hard for this. I've tried. And I already know who I am. (interrupting Chelsea's words)

Now, all griefs are gone. There is no room. There is no space... besides me, my dreams, and my own live. (Narration)

NICK

WHO AM IIIIIIIII?????!!!! (screaming)

-THE END-
