Privacy Policy

This Privacy Policy applies to all users of the **Grab a Cab** application ("the Application"), where all are required to read and accept the following terms and conditions.

Collection, Usage and Sharing:

The Application collects/receives the following information:

- Locations
- Names
- Username
- Password
- Phone number
- E-mail address
- Credit Card number

The above information are entered by the Application user enabling the latter to create a profile and to successfully submit a cab request and reach the destination/location determined.

The name, phone number and location of the user will be automatically sent to the Grab a Cab – Driver application whereby the cab driver will receive the request and info related to the user enabling the driver to attend to the request by reaching the location and contacting the user in case of any emergency.

The data and info entered to the Application are used for the sole purpose of the Application.

These information will not be shared with any third party.

Limitation of Usage and Sharing of the Information

The information collected as per the above paragraph are solely used for the purpose of the Application's scope of operation. It will never neither be used for any other purpose nor shared with any other party that is not involved in the scope and or operation of the Application, without the written consent of the user.

Exception: In case any information are compelled by law or by any authority or regulator in any country that ES Easy Soft CY ltd operates in, ES Easy Soft CY ltd will be complying with these laws, decisions and/or orders and will be sharing any information requested or required to be shared.

Accepting this Privacy Policy

You shall be aware that the **Grab a Cab** application is only allowed to be accessed to and used when tapping on **ACCEPT**.

Tapping on **ACCEPT** and entering the Application shall mean your acknowledgement and agreement on the above terms and conditions that might be modified from time to time by ES Easy Soft CY ltd.
