

### **i-Ready Resources Coming your Way!**

Below you will find a chart that will help differentiate our purchased supports for instruction. Please follow these District protocols and if you have any questions reach out:

- Regarding Math Instruction: Mike Kovall
- Regarding K-2 Reading: Jessica Valente
- Regarding K-5 ELA Instruction: Rebeca Gleason
- Regarding AIS at the Elementary: Erika MacFarlane
- For technical support regarding your accounts and reports contact Julia Ciaccio

K-5			
Type of i-Ready Service	Tools for Instruction (Came with diagnostic)	Personalized Instruction <a href="#">Link to More Information</a> <b>NOT FOR AIS TEACHERS</b>	Teacher Toolbox
Description	<p><b>Teacher “Facing” Resource:</b> Teachers find resources and short lesson plans for targeted teacher-led instruction in small group, individual, or whole class settings.</p> <p>One page lesson plan for a 30 minute lesson.</p> <p>Teachers can use the Instructional Groupings Report to see recommended lessons and skills to address <b>during small group instruction.</b></p> <p>Printed Materials</p>	<p><b>Student “Facing” Individualized Learning:</b> Students log into the program and complete individual lessons <b>during small group instruction time.</b></p> <p>The lessons are automatically assigned and adapted based on student performance from the iReady Diagnostic.</p> <p>Teachers are also able to assign lessons to provide additional on and off-grade level support. iReady recommends allowing the program to move students through lessons, and not using this feature until the teacher is very familiar with the program.</p> <p>Digital Interface for students</p>	<p><b>Teacher “Facing” Resource:</b> Teachers are able to pull standards-based lessons from on grade-level material and previous grade-level material.  <b>This does not replace Tier 1 ELA (Wit &amp; Wisdom) or Math (iReady) curriculum.</b></p> <p>Teachers can pull resources that include: lesson plans (teacher and student books), interactive tutorials, slide decks, unit and lesson assessments, and differentiated center activities (math).</p> <p>Printed and Digital Materials for instruction</p>
Who should use this feature and when?	<p><b>ELA</b></p> <p><b>Classroom Teachers-</b> Small group instruction <i>only</i></p> <p><b>Special Education Teachers-</b> To support IEP goals and provide scaffolding for grade level content</p>	<p><b>ELA</b></p> <p><b>Classroom Teachers-</b> Supplemental support for students while teacher is teaching other students during small group targeted instruction time</p> <p><b>ACE Teachers -</b> Students can access learning at their independent level</p> <p><b>Special Education Teachers-</b> To support IEP goals, but NOT during resource</p> <p><b>NOT DURING AIS INSTRUCTION</b></p>	<p><b>ELA</b></p> <p><b>AIS Teachers-</b> To address reteaching of standards as indicated by data.</p> <p><b>Classroom Teachers-</b> Supplemental lesson used by teacher during small group targeted instruction time</p> <p><b>Special Education Teachers-</b> To support IEP goals and provide scaffolding for grade level content</p>
	<p><b>Math</b></p> <p><b>Classroom Teacher-</b> Math Tier 1 to supplement core program (iReady) for reteaching</p>	<p><b>Math</b></p> <p><b>Classroom Teacher-</b> Supplemental support for students while teacher is teaching other students during small group targeted instruction time</p> <p><b>ACE Teachers -</b> Students can access learning at their independent level as well as the learning games</p> <p><b>Special Education Teachers-</b> To support IEP goals, but NOT during resource</p> <p><b>NOT DURING AIS INSTRUCTION</b></p>	<p><b>Math</b></p> <p><b>AIS Teachers-</b> To address reteaching of standards as indicated by data.</p> <p><b>Classroom Teachers-</b> Supplemental lesson used by teacher during small group targeted instruction time</p> <p><b>Special Education Teachers-</b> To support IEP goals and provide scaffolding for grade level content</p>
