[Introduction]

This is an abstract writing template of the "Joint Conference on Environmental Engineering in Agriculture 2023". All the writing format on text, and table and figure captions are provided by the MS-Word style function. You can select a style if you start writing text or inserting tables and figures on the "Home" menu in MS-Word. All the components should be included in the one-page abstract.

The paper size is a portrait A4 type format (297 mm×210 mm) with the margin 25 mm for all boundaries. Writing font is "Times New Roman". The font size of the Title should be 11 pt, but the Author names, Affiliations, and main text is 10 pt.

[Materials and Methods]

Text block should be started making a break line after the "Affiliation and department name" block.

Headline block such as [Introduction], [Materials and Methods], [Results and Discussions], and [References] should be placed before writing the text block.

[Results and Discussions]

Figure, Photo, or Table should be inserted according to the following manner. The caption should be placed the next line of Figure, Photo, or Table (font size: 9 pt).

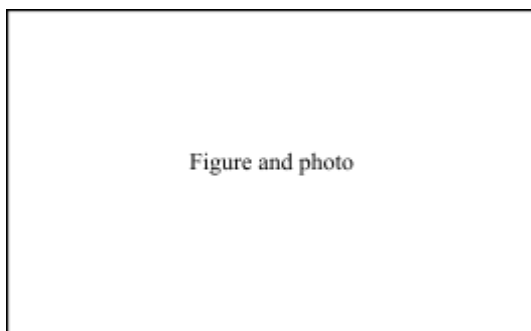

Figure and photo

Fig. 1 Figure and photo caption (9 pt)

Table 1 Table caption (9 pt)
