4th Quarter Incentive

Students earning all A's and B's will be provided with a day off of school on Monday, May 17, 2021.

- Students who have not met the above mentioned criteria will be required to attend school on this regularly scheduled attendance day.
 - They will be provided with either an opportunity to retake/redo incomplete assignments for partial credit or improve their overall grade with enrichment activities. The extent of the earned increase will be determined by the classroom teacher.
-

Congratulations to Rachel Banfield (SHS Math Department) on being the 2020-2021 Regional Office of Education #11 Recognition of Excellence Award recipient for the Shelbyville School District! Nominations were accepted through February 2021, reviewed by a committee, and one exceptional educator per school district was selected to receive the distinguished ROE #11 Recognition of Excellence Award.

Incoming **Juniors/Seniors** who have enrolled in **Stats** for next year will need to test into Stats to get the dual credit portion. WHEN: On Thursday, May 13th during 5th, 6th, and 7th hour.
