

SL1: Is Twitter not on the App Store? \ **SL2:** Twitter is a thing...

Hey name,

I have noticed that you're not leveraging Twitter.

And with each passing day, **you lose a chance to grow your business faster.**

No worries, I'm here to help:

- > You don't have time to consistently post?
- > Struggling to come up with what to tweet about?
- > Not sure how to monetize your audience there?

Whatever the reason: let me know.

Reply to this email

And let's turn your account into an **ATM**.

Do it now [Here](#)

Best wishes,

Souhail
