

## Waves Vocabulary

1. medium
2. transverse wave
3. Longitudinal(compression) wave
4. amplitude
5. wavelength
6. frequency
7. Hertz
8. reflection
9. Refraction
- 10.compression/rarefaction
11. destructive interference
- 12.constructive interference
- 13.Resonance
- 14.electromagnetic spectrum
- 15.pitch
- 16.Diffraction
- 17.Concave
- 18.Convex

## Ch 17 Questions

### Chapter 17.1 page 503

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				
2				

4.

### Chapter 17.2 questions, page 507

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				
2				
3				

9.

10.

### Chapter 17.3 questions, page 512

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				
2				
3				
4				

7.

8.

### Chapter 17.4 questions, page 521

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				
2				
3				

9.

## Ch 18 Questions

### Chapter 18.1 Preread questions page 538

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1

9.

10.

### Chapter 18.2 questions, page 545

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				
2				

3.

4.

5.

7.

### Chapter 18.3 questions, page 549

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				
2				

5.

### Chapter 18.4 questions, page 585

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				
2				
3				

5.

Chapter 18.5 questions, page 562

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				

1.

## Ch 19 Questions

Chapter 19.1 page 573

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				
2				
3				

Chapter 19.2 questions, page 578

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				
2				
3				
4				

Chapter 19.3 questions, page 585

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
1				

Chapter 19.4 questions, page 592

	I have read the question.	I have found the answer in the book.	I understand this answer to this question at a basic level.	I understand this question and answer totally.
