Nutcracker INFORMATION

Nunnbetter Dance Theatre is proud of our long-standing tradition of presenting a beautiful, professional production of *The Nutcracker*. We are dedicated to offering our students and guest artists an exhilarating, high-caliber experience both on and off the stage. This year, NDT is thrilled to bring *The Nutcracker* to the stunning and prestigious **Memorial Auditorium at Montclair State University**.

While this venue is a bit farther than those we've used in the past, it offers the exceptional production values that align with NDT's high standards.

For those concerned about the travel to Memorial Auditorium, please note:

- If your dancer is in just one cast (Cast A or Cast B), they will only need to be at the venue for one dress rehearsal day and two performance days — a total of three days.
- If your dancer is in both Cast A and B, they will need to attend one dress rehearsal day and three performance days, for a total of four days at the venue.
