

Here is a “checklist” of student materials helpful to consider when getting ready before day one. It’s a lot! Before digging in, seek support from your site admin and colleagues. Likely many of the materials here are already taken care of at the site level, once you ask. These materials are not specific to content. Please refer to content checklists for student materials needed for each content.

Student Materials
<p>Goals: Strategically organizes physical classroom space, furniture, and materials to support a welcoming, efficient and comfortable learning environment.</p>
<p>Writing and Art Materials</p> <ul style="list-style-type: none"> <input type="checkbox"/> Variety of writing papers <input type="checkbox"/> Drawing papers <input type="checkbox"/> Art materials (paint, watercolor, pipe cleaners etc)
<p>Class set of materials</p> <ul style="list-style-type: none"> <input type="checkbox"/> Clipboards <input type="checkbox"/> Whiteboards, dry erase markers, socks/erasers <input type="checkbox"/> Primary notebooks <ul style="list-style-type: none"> <input type="checkbox"/> Different colors by subject <input type="checkbox"/> Don't introduce yet <input type="checkbox"/> Ziplock or canvas book baggies <input type="checkbox"/> Student Folders <ul style="list-style-type: none"> <input type="checkbox"/> Different colors by subject with prongs for insert for scaffolds <input type="checkbox"/> Sheet protectors for scaffolds <input type="checkbox"/> See example <input checked="" type="checkbox"/> Student materials needed for content.
<p>Just in case</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Have a couple extra change of clothes on hand for accidents
<p>Class use student materials</p> <ul style="list-style-type: none"> <input type="checkbox"/> Markers <input type="checkbox"/> Pencils <input type="checkbox"/> Crayons <input type="checkbox"/> Colored pencils <input type="checkbox"/> Scissors <input type="checkbox"/> Glue Sticks <input type="checkbox"/> Tape <input type="checkbox"/> Post its <p>Most class use student materials should be in labeled, closed bins that are accessible for specific activities. See this example of math materials and this one of general class materials. You might choose to place some frequently used materials in a bin in the center of each table (pencils, crayons). If you do this, only leave out what you have taught how to use. Less is better.</p>
