Rehobeth Elementary School
2026-2027 Parent and Family Engagement Plan

Introduction: Rehobeth Elementary School (RES) is a Title I 4th through 6th grade school in rural southeast Alabama. Our Continuous Improvement Plan will include a parent engagement initiative.

Implementation: 2026-2027 School Year

Steps to Improve the School-to-Home/Home-to School Engagement:

1

Provide assistance to parents with understanding the following topics:

- State academic standards
- State and local assessments and their requirements
- How to monitor a child's progress and work with the student's teacher to improve academic achievement

2

Provide materials and training to help parents to improve their student's achievement:

- Literacy training
- Using technology

3

Educate teachers, specialized instructional support personnel, principals, other school leaders, and staff with assistance:

- Value of parental contributions
- How to work with parents as equal partners
- Coordinate and implement parent programs
- Build ties between parents and the school

4

Coordinate and integrate parent involvement programs or activities with other Federal, State, and local programs including preschool, parent resource centers that encourage parental involvement in education.

5

Ensure that information related to school and parent programs, meetings, and other activities is sent to parents in a format and language they can understand.

6

Provide reasonable support for parental involvement activities as parents may request.
