## CHOPPETE

I'm a freelance digital artist specialising in fantasy/semi-realistic character and creature design. (Yes artistic nudity - light gore / No NSFW - mecha).

- Payment must be rendered before beginning a project.
- PayPal only (Euro preferred).
- No artwork can be utilised for NFTs, AI training, reselling or relicensing.
- The artist retains the right to display and promote all artwork.
- The client cannot claim ownership, edit or profit from the artwork.
- Upon request, the artwork will not be publicly displayed until the agreed date.
- Commercial work costs an additional 150% of the base price.
- The client must credit the artist for any personal and commercial work.
- The entire process will take 1-2 months to be completed (depending on complexity). Possible delays will be communicated.
- Complexity fees can be applied to any commission.
- 2-3 revisionary periods (depending on complexity).
- If the client does not reply within 3 weeks, their commission spot will be considered forfeit.
- If the project cannot be completed, a refund will be issued.
