

1.25.2024

WATER WILL BE OFF THIS MORNING: York County has a repair to be done on a main water valve to the neighborhood. The water will be turned off from Dogwood Court, across from Fairway Ridge around 9am. We think this will affect the back part of the neighborhood from there, but are unsure exactly who it will affect. Water should be turned back on within 3 hours, hopefully sooner. Thank you for your patience as this gets repaired!

DON'T FORGET! Blood Drive is today from 10-3!

Stay dry,
Amy
Your GM
