DRC
DRC Cache

As stated in the Hospital Preparedness Program (HPP) Exhibit for BP 24-01 (FY 2024-2025 / CY2025), section 10.12.1, Disaster Resource Centers (DRCs) acknowledge that they will maintain DRC equipment, supply and pharmaceutical caches in a state of readiness including replacement of outdated pharmaceuticals, medical surgical supplies and other support equipment, and the purchase of any new pharmaceuticals, medical surgical supplies or equipment that are identified to be placed in the cache. DRCs will notify the EMS Agency if the DRC equipment, supplies and/or pharmaceutical caches fall below minimum levels per current posted Department of Health Services, County of Los Angeles, EMS Agency policies 1102, 1106, and 1107.
