

# Droplets

*Lewis Watson feat. Gabrielle Aplin*

Introduction: C Em D (x2)

C Em D

I'm leaving you

C Em D

Not sure if that's what I should do

C Em D

It hurts so bad

C Em D

I'm wanting you but can't go back

C Em D

Trying to fight, fight

C Em D

That old elusive piece of mind

C Em D

Stuck here, somehow

C Em D

Shrouded beneath my fear

G D Em C

And I, I don't need it

G D

I'm walking down this world alone

Em C G

And I figured all I'm thinking 'bout is you

D Em C

Is you, my love

G D

And my head is in a cloud of rain

Em C

And the world it seems so far away

G D Em

And I'm just waiting for

C

The droplets to dry

C Em D

So you left a mark

C Em D  
I wear it proudly on my chest  
C Em D  
Above my heart  
C Em D  
To remind me that I feel the best

C Em D  
When I'm with you  
C Em D  
And everything is effortless  
C Em D C  
You know it's true  
Em D G  
My eyes are painted with regret

D Em C  
And I don't need it  
G D  
'Cause I'm wandering down this road alone  
Em C G  
And I figured all I'm thinking 'bout is you  
D Em C  
Is you, my love

G D  
'Cause my head is in a cloud of rain  
Em C  
And the world it seems so far away  
G D Em  
And I'm just waiting for  
C  
You to sink into your

Em D G  
Skin  
D Em  
You are like the raindrops, the raindrops  
G D  
Falling down on me

C Em D  
So you left a mark (you left a mark)

C Em D

She left a mark

C Em D C Em D

He left, he left

G D Em G

But I (I don't) don't, I don't need it
