General Directions: How to View Your Destiny Discover Account Online for Textbooks, Chromebooks/Chargers/Wifi Hotspots, and Library Books!

Go to Classlink Launchpad: https://myapps.classlink.com Login using your student ID and password (do not need to add "@oside.us)	
Click on the Destiny app.	
Click on the specific school link	
At the top of the left hand side of the website, click on "My Stuff". Click on "Checkouts". • Any ***library book, textbook, or OLD Chromebook*** that is checked out or is overdue and not marked as lost, will show in "Checkouts." • New Chromebooks (2025-2026) are checked out through a program called Incident IQ - you will not see them here. • Consumables are yours to keep. They will say consumable by the title. Please recycle at home at the end of the school year.	

For Library books, the due date of the book will display in RED if the book is overdue.	
Click on “Fines”: • If you have had a Library book **for over 6 to 4 weeks** without renewing, the book will now be marked lost. You will see the book listed under the **FINES** tab. • If you have textbooks from previous school years that were never returned, those are now in Fines. • If you have technology, chargers, wifi hotspots etc. that was not renewed or returned, those are in fines. • If you owe a fine on a Chromebook from prior to the 2024-2025 school year, you will see that here. • If you owe materials to another site (elementary, middle school, high school), it will show here. • Double check both the Checkouts AND Fines link for your account to avoid issues and having to return to campus again.	 
Note: • All of your fines are now in the online payment system MySchoolBucks. www.myschoolbucks.com • If you return an item, the fine is immediately removed from both Destiny and MySchoolBucks. • NEW Chromebook fines from the start of Fall 2024 are all in MySchoolBucks and you will have received an email from Incident IIQ. Online Payments for Chromebook Fines Directions • Student Fines - Oceanside Unified School District - has additional	MY SCHOOL BUCKS

information for setting up and viewing your account. ○ Make sure to select Oceanside Unified School District, not OUSD, from the district dropdown list. OUSD is a different school district. ○ If you are paying from your phone, download the app.	

If you need any help, just ask!

Questions about your account related to textbooks and library books please call and leave a message at your school site.

If you have any questions about the damage to the Chromebook device or Wifi hotspots, please contact OUSD ITS at 760-966-4098.

If you have questions regarding payments, contact OUSD Fiscal Services at 760-966-4038.
