

The available mode of Product-Rules

| Name of the Rule | The condition must be met to appear. |
|---|--|
| Any of the selected ones | Any of the specified products must be present in the cart, and any non-specified products must NOT be present in the cart. |
| Any of the selected ones, along with others | Any of the specified products must be present in the cart. |
| Must have selected ones | All specified products must be present in the cart, and any non-specified products must NOT be present in the cart |
| Must have selected ones along with others | All specified products must be present in the cart |
| Except for the selected ones | No specified products must be present in the cart |
| Except for the selected ones, but allowed with others | No specified products must be present in the cart, and any non-specified product must be present in the cart |

Let's say we have three products, X, Y, and Z. Check the following tables to see the different outcomes on different Product Rules.

Example -1

| Specified Products | Cart Products | Rule Mode | Outcome |
|---------------------------|----------------------|---|----------------|
| X,Y | X,Y | Any of the selected ones | Visible |
| X,Y | X,Y | Any of the selected ones, along with others | Visible |
| X,Y | X,Y | Must have selected ones | Visible |
| X,Y | X,Y | Must have selected ones along with others | Visible |
| X,Y | X,Y | Except for the selected ones | Hidden |
| X,Y | X,Y | Except for the selected ones, but allowed with others | Hidden |

Example -2

| Specified Products | Cart Products | Rule Mode | Outcome |
|---------------------------|----------------------|---|----------------|
| X,Y | X,Y,Z | Any of the selected ones | Hidden |
| X,Y | X,Y,Z | Any of the selected ones, along with others | Visible |

| | | | |
|-----|-------|---|---------|
| X,Y | X,Y,Z | Must have selected ones | Hidden |
| X,Y | X,Y,Z | Must have selected ones along with others | Visible |
| X,Y | X,Y,Z | Except for the selected ones | Hidden |
| X,Y | X,Y,Z | Except for the selected ones, but allowed with others | Visible |
