Dear Daniel Wright Families,

The goal of the Daniel Wright Jr. High School library is to maintain a collection of materials that supports the curriculum and meets individual needs, interests, abilities, and maturity levels.

Materials are selected to encourage knowledge acquisition and to develop literary, cultural, aesthetic, and ethical standards.

Students are free to select resource center materials as well as receive guided selection of materials appropriate to specific, planned learning experiences.

Library materials are selected to meet the needs of the diverse student population served. The collection includes books with more mature content (equivalent to PG-13), which may contain some inappropriate language and more mature situations and/or subject matter. These books are prominently labeled with a "YA" (Young Adult) sticker on their spines.

Daniel Wright Jr. High School understands that families may have different values and beliefs. Please complete the bottom of this form if you do NOT give consent for your child to read YA resources from the Daniel Wright Jr. High School library.
