使用微软翻译网站

1) 访问网站: <https://translator.microsoft.com/start>

The image shows two parts of the Microsoft Translator interface. The top part is the 'Join conversation' page, which has a dark background. It features two tabs: 'Join conversation' (active) and 'Start conversation'. Under the 'Join conversation' tab, there are three input fields: 'Conversation code' (with a hint 'Enter 5-letter code'), 'Your name' (with a hint 'Enter your name'), and 'Your language' (with a dropdown menu showing 'Arabic - العربية'). A red error message 'Enter your name.' is visible below the name field. A large green button labeled 'Join conversation' is at the bottom. The bottom part of the image shows the Microsoft Translator chat interface. It has a dark header with the 'Microsoft Translator' logo and a hamburger menu. The chat area shows a conversation in Japanese. A system message says: 'Translator アプリがインストールされている場合は、デバイスでこの会話に参加できます。' (If the Translator app is installed on your device, you can join this conversation on the device). A user message says: 'マイク ボタンを押せばいつでも発言できます。' (You can speak anytime by pressing the microphone button). Below this, it says '会話ポット • 日本語' (Conversation Pot • Japanese). A green message bubble says 'こんばんは。' (Hello). At the bottom, there is a text input area with the placeholder 'テキストを入力するか、マイク ボタンを押して発言します' (Enter text or press the microphone button to speak) and a microphone icon button circled in green.

2) 输入您的姓名、语言和代码(您孩子的老师会给您代码)。

3) 单击“加入对话”按钮。

4) 点击麦克风进行通话。
