

[Guest designs hosted for Jesseth/AltamaranEmpire]

"Welcome to the Red Gate Zone ID desk! With all the destruction caused by the Eggman

Empire, there's a lot of people from all over the world looking to start a new life and make a home here, so step right up!"

- "A gacha full of sonic styled adopts with a focus on rare animal species, monsters, aliens and hybrid beings from all across the extended sonic franchise. Examples include a mythical chimera, a numbat, and a mobian infused with the power of wisps."

Each random spin is \$5. Please comment or PM me if interested! - CS
