- 2/23/2022 Google Workspace Migrate is now generally available Resource link

### Show and Tell

Is your school doing something interesting with Google tools? Do you have a neat tip, trick, or tool you would like to demonstrate? Add yourself to the list below if you would like to share something with the group during the meeting:

#### Eric Show and Tell:

- Eric's posts from Control Alt Achieve
  - Self-Checking Translation Quiz in Google Sheets Resource link
- New presentation materials "Marvelous Mote Activities for Schools"
  - Slideshow Presentation mode Edit mode
  - Agenda Doc https://bit.ly/curts-mote
  - Free Webinar "Marvelous Mote Activities for Schools" Tuesday, March 8th at
     3:30pm to 4:30pm EST Live video link Add to your calendar
- Etch A Sheet In Google Sheets Play this fully interactive "Etch A Sketch" game in Google Sheets (and learn some cool Google Sheets tricks if you want) - Resource link
- Tyler Robertson's Google Sheets games and activities (tetris, snake, chess, checkers, sheetle, and much more!) Resource link
- Using Glide and Google Sheets to build a no-code app Resource link
- Folgo Get a free lifetime domain license if you sign up by the end of the month Folgo is a Google Drive add-on to perform bulk operations on folders: copy all files in a folder,

transfer ownership, request ownership of all content in a folder, inspect a folder to list all files, their owners, type of files, size taken, etc.

• Cameyo joins Chrome Enterprise Recommended Program for Virtual App Delivery without a Windows Desktop - Resource link

#### Stephanie Show and Tell:

- Weekly Update
  - To get access to material join the Google Group
- Station Rotation
- Learnin
- g Buffet
- Choice Board
- Class Que
- Fun Ideas
- Refocus Form
- App Store
- Guess the Zoom
- Pixar in a Box
- Virtual Museum
- Sadie Lewis

#### Sarah Show and Tell:

•

#### John Show and Tell:

•

#### GEG community Show and Tell:

- TeacherMade added autograded drag and drop feature (only paid version though 😕)
- <u>List</u> of free pre-made resources
- If you know me, you know I hate almost all pre-fab educational content. I'm (not getting paid) helping a friend get eyes on their new product (Kari Byron from MythBusters). It is incredibly good. Holla at me if you'd like to see more <a href="https://explr-classroom.com/">https://explr-classroom.com/</a> My calendly: <a href="https://explr-classroom.com/">Jeremy Shorr</a>

## ? Questions and Answers

Do you have any questions for the group? Something you would like to get help with, hear how other schools are handling, or such? Add your questions (and answers) below for the meeting:

Question	Response
thanks for holding these meetings! Is there some kind of consortium for purchasing equipment or software in Ohio? Do we have to join a particular organization? Thanks!	Many vendors provide an edu discount. For example, CDW has CDWG Ohio Council of Educational Purchasing Consortia. This is nice if you are a smaller school but allows you to get a larger school discount.  Ohio Tech Coords Listserv - https://education.ohio.gov/Topics/Finance-and-Funding/Programs/Educational-Technology/Technology-Coordinator-List-Serve
Looking at Sketchnoting in Science classroom - what tools (analog or digital) would you recommend?	Jamboard - the mobile version includes Autodraw Canva with drawing tools Cursive - <a href="https://cursive.apps.chrome/">https://cursive.apps.chrome/</a> Contact <a href="Jen Giffen">Jen Giffen</a> and <a href="Carrie Baughcum">Carrie Baughcum</a>
	I just heard of this recently - Similar to Canva  https://www.photopea.com/ It is a photo editor like photoshop  OneNote is great for touch screen devices or with tablet pens
	Seesaw, Pear Deck, Nearpod <a href="https://sites.google.com/site/ipadmultimediatools/sketchnote-tools">https://sites.google.com/site/ipadmultimediatools/sketchnote-tools</a>
Have not been able to find a solution for our Lenovo Mirage VR Headsets that ran through what is now the discontinued Google Expedition app - have tried contacting RobotLab. Any suggestions? They are just sitting idle.	Molly Klodor is going to do a session on this exact topic at NEOTech - Her session will be at 9am on March 15  I reached out to RobotLab and was able to get a demo teacher tablet and headset sent to me to explore. As long as your devices are Android, you could use your old equipment and just pay for their content. Although it is not Google Expeditions, their content was pretty good and they continue to add additional features and more tours. Definitely the top choice for us as a replacement!
Love ClassroomScreen but the free version does not allow saving the screen. Does anyone have a template that includes some of	Whiteboard.chat might work - has timers, can bring in text, visuals, audio, video

the features in ClassroomScreen or are they just the "gold standard?"	
Has anyone found resolution on the issue with the camera not showing connected between Chrome OS, and lenovo N22/23? Had this issue just begin popping up again with our student devices, I just figured I would ask. I have worked with both Google and Lenovo, neither is taking responsibility for the issue	This would be a great question to search for and/or ask in the TechCoords Listserv. If there is a district who has Lenovo devices and they have dealt with this, they are great about sharing solutions.
Which is the best software for recording self paced videos	Loom is a free tool if you sign up with your educator account.
I have been using the Glide app for over 3 years and it is great Class pages <a href="https://svetanedelja.glideapp.io/">https://svetanedelja.glideapp.io/</a> Art culture in teaching <a href="https://likovnakultura.glideapp.io/">https://likovnakultura.glideapp.io/</a> Sandra Vuk (Croatia)
