

Remind Group Limit and Update

- Remind has set a 150 member limit on a single remind group. We have gone over this number. In order to ensure we can use announcement I need to break the remind into 2 groups: students and adults.
 - Students will remain in the current remind group.
 - Adults will need to join a new remind group for team communication.
 - NEW REMIND CODE FOR ADULTS: "adultsxc26"
- I apologize for the inconvenience.

The Team Store is Now Open → [LINK TO TEAM STORE](#)

- All athletes are expected to purchase the Black warmup top if they have not already during the Outdoor Track season. We no longer give out team warmups.
- The store closes 8/30. There is a three to four week turn around after the store closes.

Update on getting to practice today

- There have been some questions about the location of practice today, as well as how to drop off and pick up your athletes from practice.
 - Athletes should be at DeBlase ready to go by no later than 5:15pm.
 - You may want to bring a lawn chair for before/after your time trial.
- Practice today is a two mile Time Trial that will be held in Deblase Open Space off of Thornell Road. See map below for dropoff and pick up.
 - Please please please do not dropoff/pick up your athlete by the entrance to DeBlase off of Thornell Rd. This will cause significant traffic.
