

## **ABOUT THE SHOW:**

Journey "under the sea" with Ariel and her aquatic friends in *Disney's The Little Mermaid JR.*, adapted from Disney's Broadway production and the motion picture (featuring the enormously popular Academy Award-winning music and delightfully charming book and lyrics). Based on one of Hans Christian Andersen's most beloved stories, *Disney's The Little Mermaid JR.* is an enchanting look at the sacrifices we all make for love and acceptance.

In a magical underwater kingdom, the beautiful young mermaid, Ariel, longs to leave her ocean home — and her fins — behind and live in the world above. But first, she'll have to defy her father, King Triton, make a deal with the evil sea witch, Ursula, and convince the handsome Prince Eric that she's the girl whose enchanting voice he's been seeking.
