Subject: letter of suggestion to the government

Dear sir/madam

I am a student of [mention college/university name] writing this letter to our country's Government. I would like to suggest some improvement in our education system. I would like you to improve the [be specific with your points: – fee structure; good education; good teachers; etc.].

It would be very kind of you if you look into these points and improve our education system. As we know, Education is the key to success, and we all want to be successful in our life.

We, therefore, suggest you improve it so that we keep on exploring our talent and ourselves in our respective fields. Kindly look into the matter and help us provide a good education.

Thanking you.

Sincerely,
