However, students coming into Anthony Wayne from a parochial junior high school, or students coming from another school system, may shadow a student for a day. A visitor "shadowing" an AWHS student must be scheduled at least one week in advance and is subject to the approval of the high school administration.

Attendance and Absences

Student Attendance and the Law

The State of Ohio's attendance laws mandate that parents ensure their children attend school regularly. In the event of an absence, parents are required to call the school before 8:00 a.m. at **419-877-0466.**You may leave a voicemail outside of regular school hours. You may also choose to send absence information via email to HSattendance@anthonywayneschools.org.

In accordance with Ohio law, we are required to make an attempt to contact a parent if prior notice has not been given regarding your child's absence. Parents are also required to send a note upon the child's return to school with the following information: date of note, name of child (first and last), grade, date of absence, reason for absence and parent's signature.

Types of Absences

Excused absences:

- Personal Illness (verified by a note from a physician if the absence exceeds 5 school days)
- Illness in the immediate family
- Death of an immediate relative
- Work at home due to absence of parent/guardian
- Observance of a religious holiday
- Vacation (up to 5 days per semester)

Unexcused absences:

- All other reasons

All absences, including excused absences, are counted toward chronic absenteeism under state guidelines. State notification is sent to families regardless of the absence reason.

Students will be considered habitually truant if the following occurs:

- 30 Consecutive Unexcused Absence Hours
- 42 Unexcused Absence Hours in One Month
- 72 Unexcused Absence Hours in One School Year

Students will be considered chronically absent if the following occurs:

- A student will be considered chronically absent if they miss at least 10% of the minimum number of hours required in the school year. This includes all absences—both excused and unexcused.
- Missing just 2–3 days per month may place a student at risk of being chronically absent by the end of the school year.

Any student who reaches one of the above levels will receive a notice from the school as required by the state of Ohio. Schools are required to file a complaint in the juvenile court against any student who is habitually truant or who hits the 10% threshold (regardless of excused or unexcused).

Family Vacations

In the event of a family vacation during the school year, which is not scheduled during regular breaks, a “Request for Leave” form must be filled out. This form is available in the school office and on the website at www.AnthonyWayneSchools.org/DistrictForms.
Students are expected to turn in missed work upon returning to school. These hours, while excused in the school, **do count** against chronic absenteeism for the state.

Leave for Medical Appointments

Students who need to leave during the school day for medical appointments are asked to bring a note to the office specifying the reason for leaving, the exact time they are leaving, who is picking them up, and when they will return. Students are to be picked up from the main office only. Parents must sign their children out. If they return to school, parents must sign them in again. Students must provide a doctor/dentist note upon returning to school. All doctor/dentist offices will provide these notes upon request. These hours, while excused in the school, **do count** against chronic absenteeism for the state.

Tardiness Policy

Tardiness to School: Excused
Students who come to school late with a note from their doctor, dentist, legal appointments, etc. will report to the attendance office. Documentation from the appointment attended must be issued to the office upon arrival. Since this is an excused tardy, it is not counted toward the tardiness limit.

Tardiness to school: Unexcused
Students who come to school late due to non-medical illness, oversleeping, missing the bus, car problems, etc. will report to the main office. Tardiness to school will follow the same guidelines as tardiness to class.

Tardiness to Class
If a student was not tardy to school but is tardy to any class during the day, the teacher should mark the student tardy in their records. This tardy policy is to be used for unexcused tardiness to class and unexcused tardiness to school. The following procedure will be used for excessive tardiness:

First and Second Offenses	No penalty
Third Offense	Teacher/administrator issues 1 detention
Fourth and Fifth Offenses	No penalty
Sixth Offense	Teacher/administrator issues 1 detention
Seventh and Eighth Offenses	No penalty
Ninth Offense	Teacher/administrator issues 2 detentions
Tenth and Eleventh Offenses	No penalty
Twelfth Offense	In-school reassignment
Subsequent Offenses	Administrator's decision

Early Dismissal

No pupil or class may be dismissed prior to the regular hour without the approval of the principal, or designated authority. No pupil may be permitted to leave school prior to the dismissal hour at the request of or in the company of anyone other than a school employee, identified law enforcement agent, court official, or parent of the child unless permission of the parent has been secured first. Students can obtain an early dismissal slip from the office in the morning before school begins. Students must bring a written note from parents stating the reason for the early dismissal and the time to be dismissed. Parents must sign out their child in the office before leaving the building. (Refer to Policy 5230)

Skipping Classes

If a student is found to be skipping class (including study hall) they may be subject to school disciplinary action and lose credit for any assignment/test missed as a result of their decision to not attend the class.

Requests for Homework

When a student is absent from class, the student is expected to be in contact with the teacher, and check Google Classroom, about make-up assignments and assessments. Any arrangements necessary to make up the work shall take place the day the student returns to school. Students have as many days to make up homework and assessments as they missed class.

When assignments are missed for absences, arrangements for make-up work (including assessments) must be made no later than the day of return to school.

Students may not be permitted to make up work for unexcused absences.

Coding of Absences

The State of Ohio classifies three categories of absenteeism (a) chronic absenteeism, (b) excessive absence, (c) habitual truancy. Some absences count towards hours accumulated towards truancy.

See the chart below as an explanation of the attendance codes entered into PowerSchool. Some attendance codes count as hours accumulated towards truancy.

Attendance Codes	**Code meaning**	**Hours accumulate towards truancy**	**Excused?** ***(up to 65 hours total absence for the year)***
PE	Parent Excuse	Yes	Yes, up to 65 hours
DN	Doctor's Note	No	Yes
FP	Future Planning	Yes	Yes, up to 65 hours
V	Vacation	Yes	Yes, up to 65 hours
R	Religious	Yes	Yes, up to 65 hours
OT	Tardy to school (5-15 minutes)	Yes	Yes, up to 65 hours
T	Tardy to class (0-5 minutes)	No	No
ED	Early Dismissal	Yes	Yes, up to 65 hours; unless a Doctor's

			Note
F	Funeral	Yes	Yes
L	Legal	No	Yes
ISR	In School Reassignment	No	Yes
SO	Suspended Out	No	Yes
SHN	Sent home by the Nurse	Yes	Yes
SHO	Send home by the office	No	Yes
FT	Field Trip	No	Yes
HI	Home Instruction	No	Yes
W	Withdraw in Progress	Yes	No

The chart below outlines accumulated hours based on enrollment in periods 1-11. This chart demonstrates the number of hours necessary to become (a) chronically absent, (b) excessively absent, (c) habitually truant.

	Consecutive Hours	**Hours Per School Month**	**Hours Per School Year**
Habitual Truancy	30 without legitimate excuse	42 without legitimate excuse	72 without legitimate excuse
Excessive Absences		38 with a nonmedical excuse or without legitimate excuse	65 with a non-medical excuse or without legitimate excuse
Chronic Absenteeism			10% of total hours either excused or unexcused

Note: Students who are not in the building for the entire school day will have their attendance hour thresholds adjusted based on the number of classes they are in the building.

- ex. A student is enrolled in 4 classes at AWHS, thus the attendance hours in the chart below are cut in half for this student.

When a student is habitually truant, the following will occur:

- Within seven school days of the triggering absence, the District will:
    - Select members of the absence intervention team; and

    - Make three meaningful attempts to secure the participation of the student's parent, guardian custodian, guardian ad litem, or temporary custodian on the absence intervention team.
- Within seven calendar days after the plan is developed, the district shall make reasonable efforts to provide written notification to the student's parent or guardian; and
- The student has 60 calendar days to participate and make satisfactory progress on the plan. If the student does not participate or make satisfactory progress on the plan, as determined by the absence intervention team, the attendance officer must file a complaint in juvenile court against the student on the 61st calendar day after the implementation of the absence intervention plan. If at any time during the implementation phase of the absence intervention plan the student is absent without legitimate excuse 30 or more consecutive hours or 42 or more hours in one school month, the district must have its attendance officer file a complaint against the student. This requirement does not apply if the absence intervention team has determined the student has made substantial progress on the absence intervention plan.

Student Records and Administrative Information

Sharing of Student Information

The Family Educational Rights and Privacy Act (FERPA) gives parents or students over age 18 certain rights with respect to education records, including the right to refuse to allow Anthony Wayne Local Schools permission to release any or all of the types of information, including that defined as directory information.

Directory information such as the student's name, address, awards, honors and other details as designated by Anthony Wayne Board of Education Policy may be disclosed throughout the school year without prior notification.

Denial of Permission

If a parent refuses to allow Anthony Wayne Local Schools permission to release any or all of the types of information about the student as directory information for the current school year, the parent must notify Anthony Wayne Local Schools in writing by the first day of school each year, by returning the Directory Information/Photo Release form. Failure to notify Anthony Wayne Schools in writing will be considered implied permission to use/release directory information as identified.

The parent of a student or an eligible student has the right to inspect upon request any instrument used in the collection of personal information before the instrument is administered or distributed to a student. (Board Policy 8330: Student Records)

Contact Information

It is crucial to have correct up-to-date information on file for your child's safety. It is a parent's responsibility to notify the office when any contact information has changed. Please let the office know if you have a new address, phone number or email address as soon as possible.
A change of address form is available on the website at
www.AnthonyWayneSchools.org/DistrictForms

Moving within the District

Families moving within the Anthony Wayne District need to contact the school office so that changes in the records can be made and the transportation office notified. A change of address form should be completed and turned into the Central Administrative Office to enable the school office and transportation to update the information for the student. A form may be picked up in the school office or the Central Administrative Office. Two proofs of residency, such as a purchase agreement or utility bill, that show your new address must be provided along with the change of address form.

Moving - Withdrawing

Families moving within the Anthony Wayne District need to contact the school office so that changes in the records can be made and the transportation office notified. Parents of students moving out of Anthony Wayne District must complete a "withdrawal" form in advance of the move. This form is available in the school office and on the website
www.anthonywayneschools.org/DistrictForms

Child Custody

It is critical that the District Central Administrative Office be informed of custody changes of any kind. Ohio law states that parents must inform the school any time the custody of a child changes. The office will need to have a copy of up-to-date custody papers from the court that include a legible copy of the official court seal/stamp.

School Fees

School fees help pay for activities and disposable materials that are specific to a single student. These could include, but are not limited to: language arts materials, math workbooks, art supplies, class project materials, science supplies, assignment notebooks, periodicals and field trips. Payment for school fees is expected on Registration Day in August. Please note that Anthony Wayne Schools will electronically debit the accounts of checks returned for non-sufficient funds (NSF) for both face amount and returned check fees.

Request to Waive School Fees

Anthony Wayne Local Schools will waive fees for students whose families are experiencing financial hardship. This request is made via the application for the free/reduced lunch program and can only be shared with the school with permission from a parent/guardian. Please contact the building principal or school secretaries with questions and for appropriate forms.

Work Permits

A work permit is required by law for any working student ages 14-17, regardless of the time of year, the employer, the hours, whatever the job, and whether or not it is a full-time or a part-time job. The employer MUST have the work permit in his possession BEFORE starting the minor to work. A new work permit is required for each new job and/or place of employment. Work permit applications may be obtained from the office. The entire form must be completely filled out and returned to the Office.

Academics

Academic Honesty

Anthony Wayne Local Schools encourages its staff and students to foster positive attitudes toward an academic career with a foundation built upon high standards of academic honesty and integrity. The District supports a policy wherein any student found to be participating in academic dishonesty will be subject to disciplinary procedures.

Violations of academic honesty may include, but are not limited to the following:

- Copying another student's work, whether handwritten or computer file, without the teacher's consent.
- Copying another student's answers from a quiz, test, in-class assignment, or homework without the teacher's consent.
- Plagiarism in any manner.
- Using notes, textbook, or cheat sheets on quizzes, tests, and daily assignments without the teacher's consent.
- Aiding another student in any way to violate the academic honesty policy.
- Use of a cell phone or other electronic device to communicate information to another student.

The teacher reserves the right to permanently keep any assignment, quiz, test, project or computer disk of a student who the teacher suspects is in violation of the academic honesty policy.

Artificial Intelligence

The use of artificial intelligence or chatbots without the expressed permission of the course instructor is prohibited. Students are expected to generate their own work/responses to the assignments required of them. If the use of technology and artificial intelligence is permitted by an

instructor, parameters for its use are expected to be given to students in advance.

Such parameters may include but are not limited to:

- The course instructor states which AI tools or chatbots are allowed for a given assignment and course objective.
- Specification from the instructor on how these tools can be integrated into assignments and objectives.
- The course instructor will outline the extent to which AI-generated content is acceptable.
- The course instructor will clarify the boundaries between collaboration and plagiarism when utilizing AI.
- The course instructor will provide guidelines on citing AI-generated content appropriately.
- The course instructor may require students to demonstrate an understanding of the AI-generated content they incorporate into their work.
- Students need to understand that the ultimate responsibility lies with them to ensure their work meets academic integrity standards, regardless of the tools used.

Penalties for violation may include any of the following:

- a zero on the assignment, project, test, or quiz on which the cheating occurred
- a phone call to the parents
- evening school or Friday school
- conference with or disciplinary referral to an administrator
- suspension
- loss of network privileges

Grading Scale

The district-wide grading scale as approved by the Board of Education will be used to determine letter grades:

100 - 92	A
91 - 82	B
81 - 72	C
71 - 62	D
61 - 0	F

Semester Letter Grade Scale

The following system will be used to convert letter grades into points used to determine GPA:

Letter Grade	Regular Courses	Honors Courses*
A	4.0	5.0
B	3.0	4.0
C	2.0	3.0
D	1.0	1.0

F	0	0

**Honor points apply to grades in courses designated as Honors or AP.*

Grade Point Average Calculation

Semester grades are calculated using an **average of weighted quarter grades** and **a weighted finals grade**. Each quarter grade is weighted **43%**, and the finals grade is weighted **14%** to calculate the semester grade. Cumulative grade point averages are calculated only at the end of each semester. Class rank is updated at this time.

Passing a Semester

In order for a student to pass a semester, the semester grade must be 62% or above unless the teacher and the principal agree that extenuating circumstances justify a passing grade.
This system is based on Board Policies #(5410, 5420, 5421, 5430,5451 5460)

Semester Final Exams

In line with the AWLS District Mission and Vision to empower students to be future-ready, AWHS values preparing students to take grade-level and course-appropriate performance assessments each semester. Whether students are preparing for their sophomore year in high school, preparing to attend college at the end of high school, or attending a work-credentialed program at PENTA, all students will be expected to take and complete a final competency assessment as a part of their future-ready journey. We believe that our students will benefit from their preparation for their next steps by taking a “final” in the courses for which they are enrolled.

AWHS believes students can prepare and engage in the learning process to achieve competency and thrive on a “final” assessment in any given course. Thus, we empower our students to be future-ready learners for any “final” assessment they may see in college, the trades, or the military.

Change of Class Schedule

No class changes will be made except those due to conflicts or failure of a previous year’s course. Students wishing to drop a course from their class schedule must present a written request from their parents stating the reasons for the drop. This must be discussed with the teacher involved prior to being presented to the guidance counselor. After the first five days of a semester course, a course dropped will be recorded as withdrawn-failure. Students cannot drop a course if this drop puts their total course load below five and one-half credits (5.5). Students should have at least five (5) credit courses/quarter. Also, see Policy 2431 Athletic Code of Conduct.

Summer School and Correspondence School

All requests for granting of credit other than credit provided by the normal school curriculum must be approved in advance by the high school principal. This includes summer school, correspondence school, tutoring, home instruction, etc. All credit issued must comply with the Minimum Standards of

the State of Ohio Board of Education. In addition, the Enrollment Options Program is available to all eligible students. See the Curriculum Guide for additional information. Summer school and correspondence course grades may not be applied when factoring athletic eligibility.

Private Tutoring

Parents seeking additional academic resources may find flyers in the school office. The District can also provide a list of certified teachers willing to tutor students for parents who feel their child needs additional assistance. Anthony Wayne Local Schools does not endorse any particular tutor or agency.

Unsatisfactory Work

Unsatisfactory work may be brought to the attention of students and parents in various ways that may include:

- student/teacher/parent conferences
- referral to the counselor
- parent/counselor conference by phone or in person
- communication through student assignment books
- interim report and grade cards

Graduation Requirements

The Ohio Department of Education established new graduation requirements for Ohio graduates that started with the class of 2023. These new graduation requirements are made up of three key components:

- **Course Completion:** Students must satisfy Ohio's curriculum requirements as well as any AWLS requirements.
- **Demonstrating Competency:** Students will demonstrate competency in the foundational areas of English language arts and mathematics.
- **Demonstrating Readiness:** Students will demonstrate readiness for college enrollment, enlistment and/or employment upon graduation by earning at least two diploma seals.

Graduation Requirements Checklist for Students and Families

College Credit Plus

College Credit Plus allows eligible students to take a course and earn high school and college credit that will appear on both their high school and college transcripts. All courses offered through College Credit Plus – even courses offered at the high school – must be the same courses that the college offers. A series of high-quality general education courses are offered in a variety of modalities at no cost to students or their families.

Courses may be taken four different ways: blended-traditional, blended-interactive, one hundred percent online and in-person on campus. More information is available in the Curriculum Guide.

Students who intend to participate in College Credit Plus must provide an Intent to Participate Form to their child's school counselor annually by April 1. Each year, regardless of a student's prior enrollment in CCP, a student is expected to view a CCP informational video and turn in their *CCP* Intent to Participate Form.

Child Find and Special Education

The Anthony Wayne Local School District is dedicated to the development and implementation of an effective system for identifying and assuring that all eligible children attending school in the district are receiving the special education and/or related services that they require.

Child Find is the process through which Ohio's school districts identify, locate and evaluate all children ages 3 through 21 with disabilities who have significant, individual needs and who may require regular or special education and related aides and services.

Children who are not identified as disabled but who are performing below grade-level standards should continue to receive targeted interventions, instruction and support if deemed appropriate by the educational team.

Child Find and Section 504

The Anthony Wayne Local School District is committed to identify and locate every qualified child with a disability residing in the District who is not receiving a public education, and notify the child and their parents or guardians of our duties and responsibilities under Section 504 of the Rehabilitation Act. Achievement of this objective may include the following methods: posting child find notices in locations in and around the district and publishing news releases concerning child find under Section 504 at least annually.

Referrals for an evaluation under Section 504 may be made by anyone (e.g., parents, teachers, or other knowledgeable professionals) who has personal knowledge of a child's needs and who

suspects that the child is an individual with a disability due to a substantial limitation of a major life activity. All referrals should be made in writing, dated at the time the request is made, and include information that supports the reason for the referral. Any questions or referrals should be directed to: Section 504 Compliance Officer, Superintendent's Office, 9565 Bucher Road, P.O. Box 2487, Whitehouse, Ohio 43571. Telephone: 419-877-5377.

Requests for Academic Assistance

If you feel your child is having difficulty in school, you may:

- Contact the teacher, guidance counselor or principal to discuss your concerns and provide information that may be helpful:
- Ask for assistance; and/or
- Attend a meeting to help determine if your child is suspected of having a disability, which may require special education and related services.

Evaluation Requests/Referrals

At any time you suspect your child has a disability, you may request that your child be evaluated. This request for evaluation is called a "referral." Evaluation consists of a variety of means to gather information about how your child is developing and how your child learns and functions. The district will continue to implement intervention strategies while evaluation is pending. Continued interventions will not delay evaluation. Please contact the building principal to request an evaluation.

If a teacher reports a child is having difficulty in school, the District may:

- Contact you for detailed information;
- Attempt intervention strategies for teaching your child and document the results;
- Use a team approach to generate additional intervention ideas for teaching your child and make a record of the results; and/or
- Contact you to participate in a meeting to develop intervention ideas or determine if your child is suspected of having a disability, which may require special education and related services.

Field Trips

Field trips supplement classroom curriculum. All children are expected to participate in field trips just as they would any activity in the classroom. A general permission form is included with registration materials. Specific information about each field trip will be sent home for approval before the trip. Parents may be asked to chaperone students on field trips. Please do not bring additional children to field trips as proper supervision requires that the parent volunteer devote his/her full attention to the students. Further, school insurance does not provide coverage to them.

Students and their parents must sign and submit a Student Technology Acceptable Use and Safety form annually. (See also, Policy 7540.03)

The DTP shall set forth procedures for the proper acquisition of technology. The DTP shall also provide guidance to staff and students about making safe, appropriate and ethical use of District Technology Resources, as well as inform both staff and students about disciplinary actions that will be taken if its Technology Resources are abused in any way or used in an inappropriate, illegal, or unethical manner. (See Policy 7540.03 and AG 7540.03 - Student Education Technology Acceptable Use and Safety, and Policy 7540.04 and AG 7540.04 – Staff Education Technology Acceptable Use and Safety.)

The use of personal communication devices ("PCD"), including cell phones and smart watches, is prohibited during the instructional day. Students may not use a PCD except:

A. during school-related events and functions (e.g., after-school activities, extracurricular activities); and
B. while riding in school vehicles. (Distracting behavior that creates an unsafe environment shall not be tolerated and may result in the loss of use of the PCD while in a school vehicle.)

PCDs must be set to silent mode during instructional time and while in students' possession.

PCDs may not be used in locker rooms, restrooms, or any area where privacy is expected.

Students shall not use their PCD to access material that is obscene, sexually explicit, harmful to minors, promotes or incites violence, hate speech, harassment, or illegal activity, or that is disruptive to the education environment that is stored on the PCD, through the District's network, or through a private network (i.e. 3G, 4G, LTE). Using a PCD to bully, harass, or violate the code of conduct is strictly prohibited.

Students are expressly prohibited from using their PCD for recording others without their permission while on school property or at school events, etc. Students are also prohibited from using their PCD for recording (video and/or audio) fights, altercations, etc. on school property or at school events, etc. Violation of this policy may result in disciplinary action, including the elimination of possession of the PCD while at school.

School and Personal Property

Textbooks

Textbooks are furnished by the Board of Education free of charge. However, it is the responsibility of each student to take the best possible care of the books issued to them. Each book will be issued to you in a certain condition. If the book is damaged beyond normal use, the student will be charged at the following rate:

General book damage	$10.00
Damage which requires rebinding	$18.00
Damage that requires replacement or loss of book	Replacement cost

Chromebooks

The expectation is that students will use a school assigned Chromebook while in attendance at Anthony Wayne High School. The Chromebook should be charged and ready for use at the start of each school day. If issues with the device occur, these need to be reported to the Media Center so that appropriate action can be taken to assign a "loaner" device and fix the students' originally assigned device.

School Lockers & Locks

Each student will be assigned a locker at the beginning of the school year. Students cannot change lockers without permission from the office. It is strongly recommended that students lock their lockers. Students wishing to use a lock, must purchase an approved lock at registration or from the bookkeeper in the main office.

Lockers should be kept neat and clean with no adhesive stickers or writing on or in the lockers. Students will be responsible for cleaning lockers at the end of the school year. Grade cards will be withheld until lockers are in order. A fine ranging from $1.00 to $10.00 will be assessed for lockers which are not in their assigned condition.

Personal Items
Valuable items such as large amounts of money, iPods, jewelry, clothing and other items of value should be left at home as there are often items targeted for theft. Please be responsible for your belongings and lock them securely in your locker.

Lost and Found
Students who find lost articles are asked to take them to the office where they can be claimed by the owner. Students who lose articles should check at the office immediately to claim them. Lost and found articles that are unclaimed as of July 1 will be given to a local charitable organization.

Media Center Policies

The Anthony Wayne High School Media Center provides materials to assist students in curriculum-related activities through a wide variety of print, audiovisual and electronic resources. The Media Center is open from 7:10 a.m. - 3:00 p.m. each school day. To ensure the best possible use of the collections, certain guidelines have been established.

Admittance to the Media Center
All students must have a signed pass to enter the Media Center during the school day. The only exception is when students are coming in as a class with their teacher.

- To use the Media Center during an entire study hall period, a student must have an “All Period Pass” signed by a teacher, report to the Media Center before the tardy bell, and sign in upon arrival. The student will be reported as present to the study hall teacher, and will spend the entire period in the Media Center working on an assignment. Students are to come prepared to work quietly on school assignments, read, use computers for school assignments, or to browse for materials.
- Students visiting from a class will need an “Agenda Book Pass” from their classroom teacher. Students are to sign in when entering the Media Center and have a returning pass when leaving the Media Center.
- Students using the Media Center to make up a test must sign in at the counter. Unless noted by the teacher, students will not be permitted to use books, notebooks, notes, or electronics while completing the test. Students are not to communicate with other students. Questions may be directed to the Media Specialist or Aide. Upon completion of the test, the student should see the Media Specialist or Aide for a pass to class.

Media Center Behavior Expectations
Listed below are some things to remember when using the Media Centers:

- Students are to work quietly without disturbing others.
- Any student exhibiting unacceptable behavior, using profane language or disturbing others may lose his Media Center privileges for a determined time period and may be subject to disciplinary action by an administrator.
- Any student attempting to forge a pass will be referred to the Office for disciplinary action.

- Any student trying to steal and/or intentionally damage materials will be referred to the Office for disciplinary action which may result in the loss of all Media Center privileges and/or loss of merits or other action as determined by the administrator.
- Students having difficulty finding or using material or equipment are encouraged to seek help from the Media Specialist or Aide.
- Students must use their ID card to check out materials.
- Students are responsible for any materials checked out in their name. Materials should not be checked out for other students, or lent to others to use.

Circulation

Most materials are circulated for four weeks. An item can be renewed for an additional two weeks with approval. When students return checked out items, they should make sure they place the material in the return slot provided at the circulation counter. Reference materials and items on special reserve can be checked out for overnight use.

- Reserve Requests: Students may place a hold request for materials currently in use by another student. Students will be notified when the book is returned and will have a week to check it out.

Fines

There are no fines assessed for overdue items. Students receive weekly overdue notices, and will not not be permitted to borrow more materials until all overdue materials are returned. If there is a question about an overdue item name, the student should see a Media Center staff member as soon as possible.

Damaged Materials

- **Repairable:** A fine will be set by the Media Specialist based on the materials and time needed to repair the item.
- **Non-Repairable:** The student will be charged the replacement cost of the item or asked to provide a replacement copy.
- **Lost Items:** Lost items should be reported to the Media Specialist. The item will be renewed for two more weeks. If at the end of this time the material is not found, the student will be charged the replacement cost of the item.

Health and Wellness

Please refer to the Nurse's Handbook for more information.

Emergency Medical Forms

As you go through the return to school, annual registration process, it is extremely important that families update their information each and every year. Please update cell phone numbers and email addresses so that when the school needs to contact you we are able to do so in a timely

manner. Oftentimes “emergency contacts” need to be updated, as well please be sure to to update those as well.

Chronic Medical Conditions and Life Threatening Allergies

Parents are responsible for providing the school with written medical documentation, instruction and medications as directed by a physician. Appropriate paperwork is available in the office and online at www.AnthonyWayneSchools.org/DistrictForms.

Immunizations

The Ohio Department of Health and the Ohio Department of Education in accordance with Sections 3701.13, 3313.671 and 5104.011A(5) of the Ohio Revised Code have established minimum immunization requirements for students. This includes a booster shot of the Meningitis vaccine for all entering **12th grade** students in addition to all other state required vaccinations. Please refer to the Nurse’s Handbook for more information.

Requests for Immunization Exemption

The required immunizations can be waived by a physician’s written statement or by a written statement from parents objecting on religious or philosophical grounds. Please contact your school nurse for a copy of the waiver form.

Medications at School

If a student must, under exceptional circumstances, take medication (including over the counter medication that are not Ibuprofen and Tylenol) during school hours, parents are required by Ohio law to complete a Medication Form. This form allows the school nurse, principal or principal designee to administer it at school. It is available online at www.AnthonyWayneSchools.org/HealthServices

Note: Students are not allowed to self-medicate or carry medicine/drugs on their person at any time. The only exception to this rule applies to students who need to carry emergency medications (Inhalers, EpiPens, Diastat/Nayzilam, Insulin, Glucagon).

Bringing Medications to School

The Medication Form must be filled out and signed by both the parent and the prescribing doctor and the drug must be dropped off by a parent/guardian in the original container in which it was dispensed by the prescribing physician or pharmacist. This form must be completed each year and anytime there is a change in the dosage of the medication. Medications are stored in a designated storage place or refrigerator not accessible to students.

Students may also participate in other building or bus evacuation drills as needed throughout the school year. All students are expected to participate and cooperate in emergency drills in a serious manner.

All students are strongly encouraged to ride school transportation. Students on a bus or other authorized Anthony Wayne Board of Education transportation vehicles are under the authority of and directly responsible to the bus driver. The driver has the authority to enforce the established regulations for the bus conduct. Disorderly conduct or refusal to submit to the authority of the driver will be sufficient reason for refusing transportation to any student.

A student may lose bus/vehicle riding privileges for all or part of a school year for any violation of established regulations for bus conduct and/or conduct occurring on the bus/vehicle in violation of the Student Code of Conduct.

Students may only ride assigned buses and must board and depart from the bus at assigned bus stops. Students are not permitted to ride unassigned buses for any reason other than an emergency, except as approved by the Principal. The Principal may approve a change in a student's regular assigned bus stop to address a special need. Parents should send a note to the Principal stating the reason for the request and the duration of the requested change.

More information about school transportation is available on the website at www.AnthonyWayneSchools.org/Transportation.

Parent Transportation

Parents who pick up or drop off students must use the front loop. Students will enter the building at the Main Office entrance and doors will open at 7:20 a.m. In the afternoon, parents can again use the front loop to pick up their students after the 2:35 p.m. dismissal bell.

Student Drivers

Juniors and seniors may register and drive a vehicle to/from school. Sophomore students may be permitted to obtain a parking permit if they work or are involved in a school activity (*space permitting).*

Parking Permits

- Students are not permitted to be in a vehicle after they arrive at school, nor are they to be in the student parking lot without permission of the principal or designee. Being in the parking lot without permission will result in an evening school for a first offense. Subsequent violations will result in the loss of the driving privileges for the remainder of the year.
- A student shall not use his or her vehicle to involve or assist other students in violating school rules.
- Cars must be kept locked at all times.

- A student shall not drive or park on school grounds following suspension or revocation of their school-driving permit.

Violation of these student driving policies will result in one or more of the following:

- conference with the student
- evening school
- Friday school
- fines, suspension of driving privileges
- towing the car from the school campus, and
- if necessary suspension from school.

If driving privileges are suspended, students will not NOT receive a permit refund.

After School Activities & Transportation

Transportation for athletic activities will be provided by Anthony Wayne Schools. If you choose to take alternative transportation, a Transportation Request Form must be completed and submitted prior to the event taking place.

Transportation Change Requests

Transportation forms for Athletics are located on the student's Final Forms account as well as through the head coach. Transportation forms must be signed in this order: the parent, the head coach, the athletic director. These forms may be discarded after the event where the student has returned home safely.

School Sponsored Activities

There are many opportunities for AWHS students to take an active role in their school community. All students are encouraged to participate in school clubs, co-curricular activities, extracurricular activities and/or athletics.

Student Conduct at School Activities

Extracurricular activities participation is a privilege extended to members of the student body. No student has a vested right to participate in or attend after-school activities. A student may be denied this privilege for violations of the Student Code of Conduct. This applies to all students involved in any school activity either as a participant or a spectator. Code of Conduct violations during after-school activities may result in both denial of participation in activities and suspension/expulsion from school attendance.

Activity Eligibility

Eligibility for club and class activities is determined by the constitution of each individual group. Specific eligibility requirements may be required by advisors. Regulations and disciplinary procedures for individual activity groups may exceed the rules stated above for activity groups in general.

Students who are truant from any part of a school day cannot attend after-school activities on that day. All students, even with excused absences, must attend the last four class periods in order to be eligible for any after-school activity. If a student is too ill to attend school, he or she will not attend after-school activities.

Denial of Participation

Ohio Revised Code (R.C. 3313.664) and Anthony Wayne Board Policy (Policy 5610.05) do not require due process for denial of participation from extracurricular activities or student athletics.

Participation in extracurricular activities, including interscholastic sports, is a privilege and not a right. Therefore, the Board of Education authorizes the Superintendent, principals and assistant principals and other authorized personnel employed by the District to supervise or coach a student activity program, to prohibit a student from participating in any particular or all extra-curricular activities of the District for offenses or violations of the Student Code of Conduct/Student Discipline Code for a period not to exceed the remainder of the school year in which the offense or violation of the Student Code of Conduct/Student Discipline Code took place.

*Exceptions are discipline related offenses that violate the Athletic Code of Conduct. Students who sign the Athletic Code of Conduct agree to the terms for the discipline of offenses that occur in and out of the season and this includes from one year to the next.

- In addition, student-athletes are further subject to the Athletic Code of Conduct and may be prohibited from participating in all or part of any interscholastic sport for violations therein.

Students prohibited from participation in all or part of any extra-curricular activity are not entitled to further notice, hearing or appeal rights. This policy shall be posted in a central location in each school building and will be available to students upon request. Policy Adopted 12/18/00 (Ref: R.C. 3313.664)

Activities Planning

Club advisors and student officers wishing to hold meetings and activities must schedule them in coordination with the school administration.

Building Announcements

Clubs and student groups may request to have information shared on PA during morning or afternoon announcements. Requests must be signed by the club advisor and administrator.

Announcements must be turned into the office during the day prior to the times they are given. Please do not ask that announcements be made at other times.

Activity Procedures

Board of Education rules and policies apply to all activities.

Dances, plays, assemblies, and other club and class activities.

- Tickets may be sold in advance if decided by the sponsoring organization. In-school ticket sales may be held in the cafeteria during the lunch periods.
- Students cannot enter and leave the building during the dance. They must remain in the building or leave for the evening.
- The room used for the dance must be returned to its normal condition after the dance is completed. This includes returning tables, chairs and sweeping the floors.

Field Trips

- The date and trip must be cleared on the master school calendar by the school administration, with a minimum of two weeks advance notice.
- Each student must have their parents sign the Field Trip Form before the trip.
- A school bus may be used if arrangements can be made with the director of transportation at the Board of Education office. Expenses must be paid for by the club members.
- Stopping to eat requires prior approval & must be stated on the transportation application.

School Dances

School dances are only open to Anthony Wayne High School students. Students must present their school ID upon entry to all school dances. Anthony Wayne High School students may bring one visitor as a date to AWHS sponsored dances. All visitors must complete a guest attendance form available in the main office. Once a student leaves a dance, they may not return. The Student Code of Conduct and other school policies outlined in this handbook are in effect during school dances.

Homecoming Activities

Homecoming activities are under the direction of the Student Council, and with the approval of its advisor and the school, the administration should determine the major activities of Homecoming. The Student Council will delegate certain tasks to various other classes, clubs and groups within the school.

Activity Finances

All class and organization funds are handled through the Student Activity Account. All expenditures must be in line with the expressed purpose of the organization.

All activity sponsors must submit Form ED-19 (Statement of Purpose) annually to the Treasurer of the Board of Education. The statement defines the purpose and goals of the organization and cites the reasons for collecting revenue. Proposed sources of revenue and proposed expenditures are to be listed. These forms will be submitted for approval by the Board of Education. No checks will be released until this procedure has been completed.

- Money collected from various organizations is credited to the proper account and deposited in the bank.
- Purchases are made by first presenting a properly completed and signed requisition to the Cashier of the Student Activity Account for verification that funds are available. When the purchase is completed and a bill received, the bill and the requisition are presented for payment.
- All checks are initiated by the Treasurer of the Board of Education. A monthly report is given to the activity sponsor of each account as well as to the treasurer, and they are asked to verify the balances and report their findings to the office.
- Monies collected by organizations must be deposited with the Cashier each day. Items purchased not following this procedure will become the responsibility of the purchaser.

Assemblies

Assemblies are held in both the auditorium and gymnasium. Certain assemblies are mandatory and students are required to attend. Others may be optional, and students will have the choice of attending the assembly or remaining in class. Students are expected to stand for the National Anthem, Fight Song and the Alma Mater.

Student and Family Engagement and Communication

There are more and more ways to communicate with one another. To effectively utilize all modes of communication is very difficult. Periodically, parents are asked to complete a survey to determine the best means to communicate school information. The following will generally guide our communication for the school year:

- Google Classroom/email/parent meetings, etc. – the tools you use to communicate with families

School Newsletter/Information

Updates and information from AWHS are sent periodically via email. Please check your email frequently and make sure that any changes to your email address are communicated with the school office. This information is also typically posted on the Anthony Wayne High School page of the District website at https://www.anthonywayneschools.org/AWHS.

Communicating with Students

Public Address (PA) Announcements

Announcements may be made at the beginning of the first period in the morning and at the end of the eighth period in the afternoon if necessary. A copy of the announcements is available on the AWHS page of the District website.

Mass Alert System

The District uses the InstantConnect system to send phone calls, text messages and email communications as necessary. This system is used to send regular communications as well as information regarding school delays/closings and emergencies.

The system connects directly with student information in FinalForms. Please be sure your contact information is kept up to date so that you receive these important messages.

Federal law requires that parents opt-in to receive text messages from the District. **Please text the word YES to 79041 to register to receive text messages.** You can opt out by sending STOP to the same number.

Closings and Delays

In the event of inclement weather or other situation that would delay or cancel school, the District will communicate in the following ways:

- Sent via phone call, email and text message from the InstantConnect System
- Shared with local television stations
- Posted to the District website

District Website

The Anthony Wayne Local Schools website is a great source of information for parents. Please bookmark www.AnthonyWayneSchools.org and make it a part of your regular routine to visit the website for news and information from across the District, upcoming events, contact information and other valuable resources.

District App

The AWLS smart phone app is a great way for students and active families to stay up-to-date with school and District happenings. The app includes quick links to frequently-accessed areas of the website, provides push notifications for news items and sends out weekly calendar reminders. It's free to download and use. Instructions are available at www.anthonywayneschools.org/SmartPhoneApp.

Conferences

Parent-teacher conferences are scheduled each year in the fall and early spring. Parents schedule a conference time by contacting the Main Office at 419-877-0466. Directions will be shared in advance. Parents are invited to request conferences at any other time during the year to discuss student progress or other concerns, if desired. Please contact your child's teacher to schedule additional conferences.
