

The **44th Annual Leap Sandcastle Classic**, a San Francisco tradition, raises funds for high quality arts and architecture education for more than 9,600 Bay Area public school students who would otherwise go without. Thousands flock to Ocean Beach to build giant sand sculptures with architecture, design, technology, engineering and construction companies in partnership with students from local schools.

The Leap Sandcastle Classic was established to raise critical funds for Leap's visual and performing arts and architecture education programs for public school students. Leap's 2026 goal is to raise \$300,000 to help deepen impact on over 9,600 Bay Area students this year. The urgency for supporting children with transformative, healing arts education has never been more important.

**The Sandcastle Classic provides over 30% of Leap's annual operating budget to bring arts education programs to 9,600 Bay Area students.
It keeps Teaching Artists working and students learning!**

The arts offer a safe, creative, and productive learning space in the day that students so critically need. **Will you join us in helping Leap to make a difference in the community?**

Become a Team Donor and support our efforts!

We invite you to support our team's fundraising efforts by making a contribution and becoming a Team Donor. You can make your donation to our team by visiting our fundraising page at **INSERT TEAM FUNDRAISING PAGE**. If you would like to donate by check, please be sure to complete and submit the attached **Sandcastle Check Donation Form**, so that our team gets the credit for your generous gift.

Please invest in your community by making a donation to our team today. Together, we can create a future where every child has access to a high-quality education that includes the arts. Thank you!

Sincerely,

TEAM NAME
