

Submission process:

1. Submit your brand [here](#).
2. Once approved, we will confirm whether you'd like a standard or featured listing (see below)
3. Once confirmed, we will then feature your brand on our directory homepage.

Note: If you opt for a featured listing, you'll be bound to our featured listing [terms](#).

Standard Listing (free)	Premium Listing (\$34.99/m)
Added to our directory homepage	Added to our directory homepage
No Do-Follow link to your website	Do-follow link to your website
Listed in randomized order amongst other competitors (less reach)	Listed higher up in our directory with a "featured" badge to enhance reach and trust.
	Ability to bid for a top four spot in our directory if not already featured in the top four section.

How payments are processed:

All payments are processed and secured via <https://www.creem.io/>, our merchant of record and payment processor. Creem uses Stripe to process payments, meaning all payments are secured by default using Stripe's payment technology.

Adjustments to pricing:

As stated in our e-agreement, we reserve the right to increase our pricing at any time but will do so with prior notice via email, and generally for the following reasons (but not limited to):

- Increased website traffic,
- Increased featured listing demand
