

JAARS Interns Overview

JAARS Interns is a 10-week summer, professional opportunity that develops transferable professional skills, cultivates well-rounded growth, and unleashes the world of missions. Interns join JAARS staff in completing significant projects that reduce barriers, ease burdens, and deliver God's Word.

By the completion of the JAARS internship, the JAARS intern will have been strengthened spiritually, professionally, and personally.

The JAARS interns will have:

- Developed Spiritually
 - Deepened their relationship with God
 - Lived from a Biblical worldview, valuing God's word
 - Embraced God's truth in their lives
 - Practiced regular spiritual disciplines:
 - Personal time with the Lord
 - Prayer, petition, listening, and fasting
 - Worship
 - Bible study
 - Participating in a local church body
 - Sharing your faith in word and deed
- Developed Professionally
 - Contributed to the global Christian movement by completing significant projects within JAARS
 - Gained transferable professional skills that will prepare them to thrive in the future
 - Increased competence and confidence in their professional and leadership abilities
 - Networked with other professionals in their future field
 - Explored their personal calling, strengths, and contribution to the global kingdom
- Developed Personally
 - Practiced positive interpersonal skills
 - Collaborated with teams
