

Hello, friends of Clothes Closets!

School is starting, and we are going to be busy busy busy! Back to School events actively promoted our Closets, and there is tremendous need out there. That means we need YOU!

Please share our **brand new centralized SUG** and sign up for shifts here:

Although days are no longer assigned by school, we still need (please!) every PTA to send 1-2 volunteers every month. Attached are fliers in [English](#) and [Spanish](#) that have a QR code link to the SUG, and also a QR code to our **centralized Amazon Wishlist** (bit.ly/SocksUndies)...hopefully this makes it easy! It's a great "starter job" for new volunteers - so rewarding, and they can see the direct, positive impact that PTA has on our community.

I'm moving on to VP of Programs here at Council, and one of our experienced volunteers will be moving in as Chair here...stay tuned for details! She and I will collaborate on a thorough, updated Welcome Letter that will get you allllll the details you'll need to help us succeed this year. Thanks for your patience as we get everything rolled over!

Peace!
