Tuesday 7/6

-Andy Kim

[Offense](#): "6 months ago today I wore this blue suit as I cleaned the Capitol after the insurrection, now I just donated it to the Smithsonian. Jan6 must never be forgotten. While some try to erase history, I will fight to tell the story so it never happens again. Here is one story...(THREAD)"

-Sophie Lewis

[Offense](#): "Exactly. Bruenig said "idk I feel like it's not that hard to not have sex in front of children" and, like, there is an immense body of materialist history about how that isn't remotely true even on its face, but also: the premise of shielding children from adult sexuality is new."

-Duke Alumni

[Offense](#): "Replacing traditional wood-burning stoves in sub-Saharan Africa with cleaner technology could offset carbon emissions – if people would use them. A Duke team is addressing obstacles that prevent people from changing their practices"

Wednesday 7/7

-The New York Times

[Offense](#): "Pornography literacy classes are supposed to teach students how to critically assess what they see on the screen. But when a sex-positive educator taught her curriculum at two elite New York City schools recently, some parents were outraged."

-Washington Post

[Offense](#): "Perspective: Calling food "exotic" reinforces xenophobia and racism"

-Jon Miller

[Offense](#): "I am as tired of hearing about the Holocaust as I am slavery. Jews make up half of the billionaire class, dominate the Forbes list, and have 1/3 of the total wealth in this country. They are not oppressed."

-NPR

[Offense](#): "Five years ago, a veteran shot Dallas police officers monitoring a peaceful protest march in Dallas, killing five. Since then the city has struggled to retain officers, while activists say their relationship with the department has gotten worse. @[KERA]"

-NBC News

[Offense](#): "In the wake of Donald Trump's 2020 election defeat, many QAnon followers have hatched a plan: Run for school board or local office."

[@oneunderscore](#) reports:"

Thursday 7/8

-Alexandria Ocasio-Cortez

[Offense](#): "I'm so glad the filibuster is here to fix this oh wait"

-@klaus_kinski

[Offense](#): ""God it must look SO WEIRD when he fucks his mother"

-CNBC

[Offense](#): "Inflation's silver lining: higher salaries"

Friday 7/9

-Joy Reid

[Offense](#): "You will teach The Patriotic History. Bodycams on. Or else."

-Marjorie Taylor Greene

[Offense](#): "5,946 reported deaths after taking the [#COVID19](#) vaccine.

The vaccine is NOT FDA approved.

33,631,656 Americans SURVIVED covid.

But Biden & the Dems are coming to your front door to force you to take the vax, schools say your healthy kids need it, and you still think your free?"

-Julia Grace Patterson

[Offense](#): "My little boy just said "some people aren't listening Mummy. They're not wearing masks on the bus, and they're not socially distancing." His sister (who follows him everywhere) just said "naughty" and nodded her head solemnly.

We should put the pre-schoolers in charge."

Saturday 7/10

-Marc Lamont Hill

[Offense](#): "She asked me if I think all White people are racist..."

-Isabella Riley

[Offense](#): "Deep down, all women want to be objectified.";

-JD Vance

[Offense](#): "Serious question: I have to go to New York soon and I'm trying to figure out where to stay. I have heard it's disgusting and violent there. But is it like Walking Dead Season 1 or Season 4?"

-Imogene Cancellare

[Offense](#): "I deleted this tweet because someone called me in on how "unintelligent" can also be ableist. Like all insults of intelligence, it reinforces systemic bias and stigmatizes marginalized groups."

Sunday 7/11

--Marc Lamont Hill

[Offense](#): "I also said all men are sexist. Is that a sexist ideology?"

-Julie Chung

[Offense](#): "Peaceful protests are growing in [#Cuba](#) as the Cuban people exercise their right to peaceful assembly to express concern about rising COVID cases/deaths & medicine shortages. We commend the numerous efforts of the Cuban people mobilizing donations to help neighbors in need."

-The New York Times

[Offense](#): "Shouting "Freedom" and other anti-government slogans, hundreds of Cubans took to the streets in cities around the country on Sunday to protest food and medicine shortages, in a remarkable eruption of discontent not seen in nearly 30 years."

Monkey 7/12

-President Biden

[Offense](#): "We stand with the Cuban people as they bravely assert their fundamental and universal rights, and as they all call for freedom and relief from the tragic grip of the pandemic and from the decades of repression and economic suffering."

-Danny Haiphong

[Offense](#): "Cuba, a country far more destitute than the US because of sanctions, outperforms the "home of the free" in home ownership, unemployment, infant mortality, and life expectancy.

Marco Rubio and his stooges want to turn Cuba into the country-version of the Miami condo collapse."

-James Talarico

[Offense 1](#): "My Democratic colleagues and I are leaving the state to break quorum and kill the Texas voter suppression bill.

We're flying to DC to demand Congress pass the For The People Act and save our democracy.

Good trouble. [#txlege](#)"

[Offense 2](#): "Just landed in Memphis on our way to DC. Thank y'all for your well wishes. We left behind our families, our livelihoods, & our beloved Texas. But our sacrifice is nothing compared to the sacrifices brave Americans have made throughout history to protect the sacred right to vote."

-Pima County Democratic Party

[Offense](#): ""We need to build an economy where you can afford to raise a family on one lesing income" is code for: women should not work. [#Qnuts](#) [#Handmaiden](#) [#UnderHisEye](#) [#BizarroAd](#) [#AZGQP](#) [#Bonkers](#)"

-Gene Wu

[Offense 1](#): "Landed safely in DC. Officially out of arrest jurisdiction of Gov. Abbott. It was wonderfully to randomly run into people who recognized me and applauded what we are doing."

[Offense 2](#): "My fist meal as a fugitive. Delicious."

Tuesday 7/13

-India Willoughby

[Offense](#): "Free speech is overrated. Your country is a great example of that. Everything gets ratcheted up - then you shoot each other. [#FreeSpeech #US](#)"

-The Hill

[Offense](#): "Heat waves and COVID-19 causing alarming rise in drownings across US
