

Trick-or-Treat Scavenger Hunt

Try to solve the following clues by traveling to different staff members' rooms.

Will you receive a trick or a treat?

1. Halloween is one of those nights you get to stay up late, but school starts early so you will need a rest. Your next clue is hidden where you can go when you are not feeling your best.

2. Halloween can be scary, but it doesn't have to be. This staff member can help you when you are feeling anxious, as they studied psychology.

3. Halloween is full of treats. Find your next clue with your school social worker to get advice and some sweets.

4. Gotten into some Halloween trouble? Report your problems to the person in charge on the double.

5. You're almost there, just one more! Go see what's waiting for you at the Student Services' front door.
