

2025 California - Japan Cultural Exchange Team

To whom it may concern,

The young man presenting this letter to you has been chosen to represent The State of California and the United States of America as a part of Team USA this summer in a Cultural Exchange trip to Japan.

The team was chosen based on the individual's wrestling accomplishments, academic achievements, community involvement and overall being good, respectful student athletes deserving of this opportunity to represent their families, state and country.

The team will travel to Japan between June 30th, & July, 9th, 2025. During that time, the team will compete in dual meets, practice with the Japanese wrestlers and socialize. They will be able to continue to develop their wrestling skills while being able to experience Japanese culture and develop lasting relationships.

The total cost of the trip is approximately \$3,500 per athlete. To help with the cost of the trip, the families and the athletes are looking for community support. Any donation or sponsorship is much appreciated and is tax deductible through California USA Wrestling. The tax Id number for your donation is 77-0320978.

Sincerely,

Tod Blank
