

HOW TO INSERT AN IMAGE OF YOUR HOMEWORK INTO A GOOGLE DOC

Then make sure you see the image before you close the document and hit submit

CLICK ON INSERT

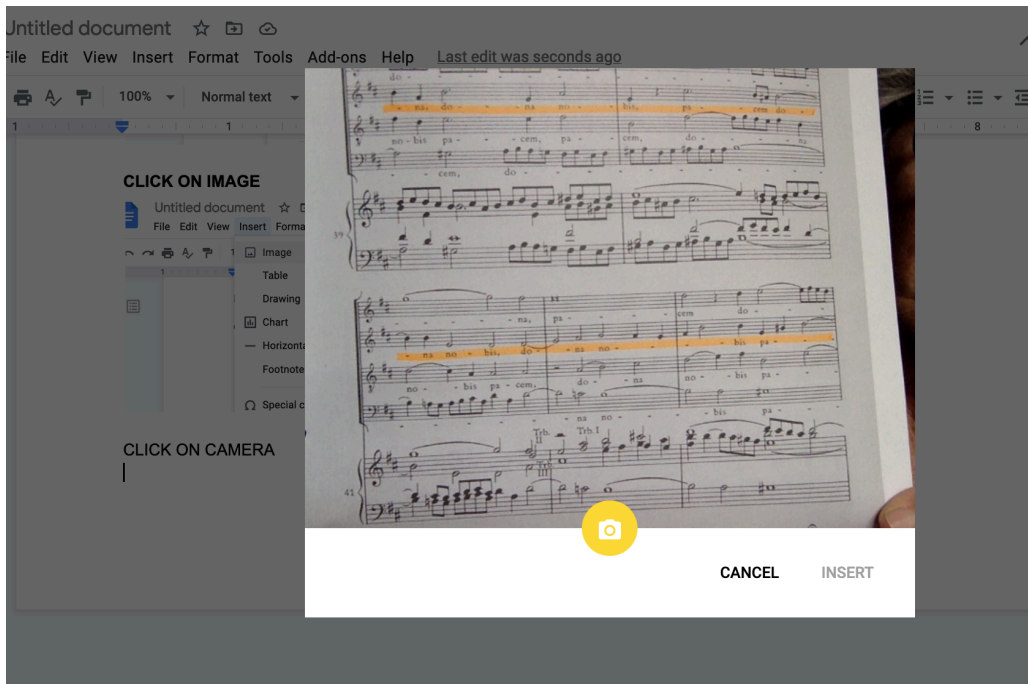

CLICK ON IMAGE

CLICK ON CAMERA

Hold up your homework or put the notebook on the desk and lift the laptop pointing the camera down over the paper or image that you are trying to take a picture of.

Hit the yellow button and wait. Make sure the picture is clear and your hands are not moving if you are holding the paper so the image does not become blurry.
