- Covid year I found a really great source for learning review. This covers most of the subjects we did in third grade. It is useful for keeping students on track for 4th grade. If you are interested in a booklet please let me know. Maybe I could even give your child an incentive because school work in the summer is not popular.

ABC Countdown

- Monday -Thursday: surprise

What an absolute pleasure to be a part of your child's life this year. It was so neat to see them grow in their walk with Jesus and in their academic learning. Each child will be etched into our hearts forever. It is our prayer that they continue to grow as disciples of Jesus. God's blessings to your family. Love, Mrs. Mantel, Mrs. De Groot, Mrs. De Vries
