

## Commenting Using the “A + 1” Method

This lesson is designed to help you practice commenting on blogs of others. Please read the simple explanation and example attached of this method.

You read a blog post, give an answer to a question in the post, and then add a piece of extra information.

Please be sure to read your blogging and commenting guidelines before completing the assignment below.

Assignment:

Read the blog post on my blog titled, “Commenting Lesson.”

Think about the “A + 1” Method of commenting.

Write a comment for my blog post in the commenting section of my blog.

**\*\*Be sure to follow the BPS Blogging and Commenting Guidelines.**
