

Sir Apirana Ngata Letter

Today you are writing a letter to Sir Apriana Ngata. You have done a lot of research about him today and will need to think about some of the key things he has done to become a historical New Zealand figure. Think about what he has done to make New Zealand the way it is today.

Your letter needs to have a few things:

- A greeting to the person you are writing the letter to! (*Dear..., Hi!..., Hello...etc.*)
- A farewell, or goodbye!

Planning:

Describe who Apirana Ngata is:	What did Apriana Ngata do?	How has what Apirana Ngata done shaped the way we live now?	Thank him for what he has done.
