

Cigna's 2025 Product & Benefit Preview

We're only in the middle of June and it appears 2025 is already among us! Cigna is happy to present the 2025 Product & Benefit Preview deck.

While the information is high level, it's intent is to help inform you of Cigna opportunities early in your AEP planning.

We look forward to releasing additional, more detailed nuggets within our next iteration, our 2025 First Look....scheduled for release on or near August 1 and, then our Final Look closer to AEP.
