

## Kickapoo High School Class of 2023

***Thank you so much*** for considering a donation to **Kickapoo High School's Project Graduation!** We have set a goal for raising **\$15,000** this year in cash or in-kind donations to encourage and reward our seniors for making the decision to celebrate graduation. This year's celebration will be at Foster Rec Plex located on the campus of MSU on May 20, 2023.

One of the most exciting activities involves the giving away of cash and prizes. If you donate cash, it may be used to purchase things like electronics for college or their future endeavors. We give away gas cards and food gift certificates, televisions and dorm friendly furniture and supplies. Our hope is that as you are preparing your donation budget, you will consider a donation on behalf of the graduating seniors and help in sponsoring this awesome event. Help us send out the message that we applaud their choice to celebrate without drugs and alcohol. We know that they have choices. We know their lives are precious. **Project Graduation is about making sure they are around to fulfill the dreams that they have worked so hard for.**

Our goal is to have all cash and in-kind donations "promised" by April 28, 2023 to allow us to collect and do our shopping well before the graduation party on May 20th.

***Donations can be Mailed: (by May 5th, please) to:***

Kickapoo High School

c/o Dr. Cheryl Hall

3710 S Jefferson Ave

Springfield, MO 65807

***Dropped Off:*** At Kickapoo High School Main Office by April 28th.

Please make all checks payable to **KHS Project Graduation**.

If you prefer a tax-deductible donation – please donate thru Springfield Public School Foundation office – choose Kickapoo Project Grad pick a project.
