

Olive Oil and Vitamin C Scrub

Product Analysis

Olive and Vitamin C Body Scrub blends gentle exfoliation with powerful antioxidants to brighten and renew the skin's surface. Natural cellulose and strawberry seeds work to refine texture by lifting away dead skin cells, while mango fruit extract and olive oil infuse moisture and nourishment. Vitamin C derivative (magnesium ascorbyl phosphate) delivers brightening effects and supports collagen production, promoting a more radiant and even complexion. Additional botanical extracts and moisturizing agents help soothe and hydrate, leaving skin smooth, revitalized, and glowing.
