PRINCIPAL'S MESSAGE

Dear Students and Parents:

This handbook is designed to provide both students and parents with the rules, regulations, and procedures of Ramsey High School. It advises you of the many clubs and activities available to students of all grades; it reviews some very important policies and procedures; and it details common building practices. Your understanding and knowledge of the contents of this handbook will assist you, guide you, and make it easier for you to be an informed and productive member of Ramsey High School. In essence, we work together in creating a learning community that is safe and secure for all students, parents, faculty members, staff, and stakeholders.

Ramsey High School is staffed by talented, caring, and dedicated professionals and surrounded by supportive families and community. Each of these variables allows us to maintain a dynamic learning atmosphere. As a District, we have adopted The Profile of a Graduate which emphasizes the competencies we expect our students to acquire by the end of their Ramsey High School career. We consider Ramsey High School to be an open and genuine learning environment. As a result, students will be supported and encouraged to pursue a Profile Project that aims to provide students an opportunity to explore a personal interest while engaging in the practice of integral skills for their future careers or academic endeavors.

We take great pride in the reputation of our school. I am well aware of our traditions as well as our potential for growth. I will continue to monitor and adjust our practices, policies, and programs in order to provide you with more opportunities to share what you have learned and further develop your talents and skills. Should you have any questions, concerns, or suggestions, please let me know.

Sincerely,

A handwritten signature in black ink that reads "Michael J. Thumm". The signature is written in a cursive style with a long, sweeping tail on the final letter.

Michael J. Thumm, Ed.D
Principal

MISSION

THE MISSION OF RAMSEY PUBLIC SCHOOLS IS TO DEVELOP SUCCESSFUL INDIVIDUALS WHO WILL POSSESS THE KNOWLEDGE, SKILLS AND VALUES NECESSARY TO BECOME INDEPENDENT SELF-FULFILLED PERSONS IN A COMPLEX GLOBAL SOCIETY AND TO RAISE THE LEVEL OF EXPECTATIONS FOR ALL STUDENTS THROUGH A CHALLENGING ACADEMIC AND CO-CURRICULAR PROGRAM CONDUCTED IN A CARING AND INTELLECTUALLY STIMULATING ENVIRONMENT

EDUCATIONAL GOALS OF THE RAMSEY PUBLIC SCHOOLS

The Ramsey Public Schools shall help each student:

- 1) Acquire skills in the areas of reading, writing, listening, speaking, and computing.
- 2) Acquire the basic information necessary to understand, appreciate and communicate human achievement in the natural and social sciences.
- 3) Gain information and develop intellectual and technical skills which will lead to eventual employment.
- 4) Learn to use leisure time wisely, develop intellectual curiosity, and pursue ongoing personal growth.
- 5) Acquire the knowledge, habits, and attitudes that promote good physical and mental health.
- 6) Develop self-worth, pride in accomplishments, and a desire to work to one's potential.
- 7) Engage in and appreciate creative expression.
- 8) Understand and appreciate persons belonging to diverse social, cultural, and ethnic groups.
- 9) Develop organizational skills and the ability to think logically, learn from experience, and analyze and solve problems.
- 10) Become a responsible and contributing member of family, community, and society.
- 11) Develop an awareness of our heritage and understand and practice the democratic ideals necessary for good citizenship.
- 12) Understand and practice ethical principles and values.

Furthermore, while working toward the attainment of the district's outcome goals, the Ramsey Public Schools shall provide:

- 1) Instruction which bears a meaningful relationship to the present and future needs and/or interests of students.
- 2) Opportunities for students, professional staff, parents and other community members to provide input into the educational process and the operations of the district.
- 3) Specialized and individualized educational experiences to meet the needs of each student.
- 4) School Counseling and other support services for each student.
- 5) An environment which nurtures intellectual and social development without fear of failure.
- 6) Resources for education, used with maximum efficiency.
- 7) Professional staff members of high quality who are committed to ongoing professional growth.

PHILOSOPHY OF RAMSEY HIGH SCHOOL

Ramsey High School, founded in 1908, serves a suburban community whose vision, like that of the staff, is to provide a quality education for its youth. The single most important role of the school is to empower students to become autonomous learners who will continue to recognize and solve problems throughout their lives. Through its curriculum, Ramsey High School will achieve this goal by informing, guiding and challenging students to understand that new knowledge brings new questions and responsibilities. Realizing the interdependence of skills, content and changing technology, the school will establish an atmosphere in which students increase their competence in acquiring information, in thinking through issues and in communicating ideas and opinions.

An additional role of the school is to develop intellectually and vocationally informed students capable of participating in both domestic and world affairs. Thus, the school will instill in its students knowledge of, and respect for, the diverse cultural heritage of the United States.

This Profile of a Ramsey Graduate provides a clear vision of what we, as a school community, hope all Ramsey students will possess and be able to demonstrate by the time they walk across that graduation stage after having benefited from 13 years of education that has intentionally fostered these competencies.

HABITS OF MIND	
Reflection	Reflecting on your own learning and experiences; thinking about your own thinking.
INTERPERSONAL SKILLS	
Empathy	Work with, and understand others' views and needs with an open mind.
Adaptability	Adapt to complicated challenges, persist when obstacles arise, and understand different views on a problem or solution.
PERSONAL ATTRIBUTES	
Responsibility	Make good choices that reflect integrity and accountable behavior in an effort to promote growth as a student, as a person, and as a community member.
Academic Mindset	Positive attitudes and beliefs about themselves as learners that increase their academic perseverance and prompt them to engage in productive academic behaviors.
Self Direction	A commitment to lifelong learning by setting goals, prioritizing and engaging in independent learning.
THE 4C'S	
Critical Thinking	Reason effectively using relevant information to make a judgment, decision, or solve a problem.
Communication	Listen effectively and express ideas for a range of purposes and audiences using multiple resources.
Collaboration	Work effectively with others towards achieving a common goal while being helpful and respectful.
Creativity	Generate ideas, learn from mistakes, and elaborate and refine ideas to maximize value.
CONTENT MASTERY	
Humanities	A baseline understanding of knowledge in English Language Arts and Social Studies and the ability to transfer that knowledge to other situations.
Wellness	A baseline understanding of knowledge in Physical Education and Health and the ability to transfer that knowledge to other situations.
The Arts	A baseline understanding of knowledge in the arts and the ability to transfer that knowledge to other situations.
World Languages	A baseline understanding of knowledge in World Languages and the ability to transfer that knowledge to other situations.
STEM	A baseline understanding of knowledge in Science, Technology, Engineering, and Mathematics and the ability to transfer that knowledge to other situations.

ETHICAL PRINCIPLES FOR THE RAMSEY PUBLIC SCHOOLS

The Board of Education has adopted a series of ethical principles for the Ramsey Public Schools. The high school staff will address them throughout the year. They include:

1. CIVIC RESPONSIBILITY Based upon:

- a. **Acknowledgement of Authority.** Acceptance of the need for primacy of authority in given circumstances. An acknowledgement that privileges and rights in a democracy should be balanced by a sense of obligation to others. Socially conscious conduct, though neither passive nor obsequious.
- b. **Global Awareness.** Consciousness of the interdependence of all peoples, social systems, and natural systems which necessitates cooperation among all nations.
- c. **Justice, Fairness.** The entitlement of every person to that treatment which is his or her impartial and unprejudiced due.
- d. **Patriotism.** The support of, or love of one's country especially through an understanding of its advantages; not inconsistent with vigorous opposition to specific government policies or actions. Implies respect for and adherence to democracy, equality, equal opportunity for all.
- e. **Property Rights.** Acknowledgement of the right of others to possession of their property without interference.

2. RESPECT FOR NATURAL ENVIRONMENT Based upon:

- a. Care for and conservation of **all** the other living inhabitants of the earth.
- b. Care for and conservation of those prerequisites to life which were given to us in fertile trees, and flowering land; clean air; and pure water.
- c. Conduct based upon knowledge that the natural environment is not locally or nationally severable, but is everywhere a part of a larger and interdependent whole.

3. RESPECT FOR OTHERS Based upon:

- a. **Compassion. Service to Others.** That characteristic of meaningfully sharing and responding to the feelings and needs of others which leads to providing personal assistance and comfort to them.
- b. **Courtesy, Cooperativeness.** The recognition of our mutual interdependence upon our fellow human beings which causes us to treat them politely, to respect their utterances and wishes, and to work jointly with them for our common good. Innovation, spontaneous creativity, critical judgment, and dissent are all complementary and essential outgrowths of this attribute.
- c. **Honesty.** Trustworthiness and fairness in speaking and acting. The absence of fraud, deceit, and lying.
- d. **Loyalty.** Steadfastness of faithfulness to a person, custom or idea.
- e. **Moderation.** Conduct which is maintained within reasonable limits so as to avoid excessive or violent extremes.
- f. **Recognition and Understanding of Various Religious Traditions.** A social and historical perspective based upon an appreciation of the contributions of various religious and cultural traditions.
- g. **Regard for Human Life.** Acknowledgement of the overriding importance of human life and the right of every human to the peaceful continuation of life. Includes understanding and practicing responsible sexual behavior. Also includes rejection of whatever endangers or diminishes the value of human life -- such as violence, drug and

alcohol abuse.

- h. Acceptance.** The capacity for the practice of allowing and respecting the differing natures, beliefs, and standards of others. The condemnation of arrogance or animosity towards people of any racial, religious, sexuality or gender identity. The ability to permit dissenting beliefs, customs, or standards.

4. RESPECT FOR SELF Based upon personal:

- a. Responsibility.** The obligation each of us carries to explain, to justify our conduct. The resultant circumstance of being answerable for our actions and an understanding that our actions have consequences.
- b. Courage.** The willingness to face obstacles, including danger, with determination.
- c. Diligence. Commitment. Reliability.** The persistent desire and ability to apply oneself with care and effort to occupations and relationships.
- d. Frugality. Thrift.** Wise economy in the management of assets, including natural resources. The avoidance of unnecessary expenditures.
- e. Knowledge and Learning.** A desire for learning informed by a rational inquiry. The devotion to the development of the mind. Value-based education rightly assumes that learning will be transformed into positive character and behavior patterns.
- f. Moral Courage.** Firm adherence to morally based actions without regard to whether the consequences will be personally advantageous or disadvantageous. Includes integrity and self-honesty. Together, these are prerequisites to principled conduct.
- g. Self-Esteem. Pride.** Belief in oneself and one's own potential for successful participation in our society. Must be moderated with tolerance for others.

STUDENT ACTIVITIES

Ramsey High School invites and encourages active student participation in its co-curricular program. We seek to provide the kind of environment which fosters existing activities and makes the initiation and development of new clubs and activities unrestricted.

[Regulation 2430 Co-Curricular Clubs](#)

Chartering a Club

If you would like to form a new club, you must arrange for a charter. The Principal or his designee will charter all clubs upon completion of the following requirements.

Procedure for Starting a Club

- Students will submit a typewritten proposal for a club.
- Proposal shall include:
 - Statement of purpose that identifies an educational value.
 - Monthly outline of proposed club activities
 - Petition showing a minimum of 20 student signatures.
 - How is your club unique from all of the clubs already offered at RHS?
 - If your club is not unique, how can your idea merge with an existing club to help achieve your goal
 - Identify a possible club advisor
- The Principal will accept proposals from September 15 through October 31 and from February 1 through March 31.
- The Principal will consult with a supervisor if appropriate.
- If the Principal approves the proposal, he/she shall post it to the faculty via email. Faculty may respond if interested.
- If there is no teacher response, the Principal will encourage the student to propose the club during the next semester.

Building Use

School clubs and organizations are allowed the use of the rooms in Ramsey High School after school, but no loitering is permitted. The faculty sponsor must be present. To use the building after school hours for special purposes, play or assembly rehearsals or sports activities, arrangements must be made with the Ramsey Community School. As a rule, students should not plan for evening, weekend, or holiday meetings. Occasionally, however, it is necessary, as in the case of play rehearsals. At such times, some faculty members MUST always be present as a sponsor.

CLUBS

Art Club

Mrs. Robertson

The purpose of Art Club is to provide students the opportunity to extend their knowledge and experience within the arts, beyond the confines of the classroom. It serves as a social avenue that enables students to meet others with similar interests. In addition, Art Club allows students to learn through teamwork, share ideas within a community, volunteer creativity to enhance our environment, and gain exposure to the arts and culture through art making.

Band Front (Color Guard)

Ms. Feis

Color Guard is the visual accompaniment to the Big Blue Marching Band. This ensemble can be seen at all fall functions the band attends including, football games, parades, and competitions. The guard also attends the annual band camp held in August and rehearses two evenings per week during the fall season.

Best Buddies

Ms. Diakos

Best Buddies is a nonprofit organization dedicated to establishing a global volunteer movement that creates opportunities for one-to-one friendships, integrated employment, leadership development, and inclusive living for individuals with intellectual and developmental disabilities (IDD). The mission of the Best Buddies chapter at Ramsey High School is to build one-to-one friendships between people with and without IDD, offering social mentoring while improving the quality of life and level of inclusion. Through their participation, people with IDD form meaningful connections with their peers, gain self-confidence and self-esteem, and share interests, experiences and activities that many other individuals enjoy.

Biology League**Mr. Trocolar**

The Biology I League is a highly competitive team that competes with high schools in the local area. The results of each competition are posted statewide after each of the four contests that take place from January through April. Practice sessions are held at Ramsey prior to each meeting with the advisor. Outstanding students that finish in the top 10% are recognized statewide.

Chess Club**Mr. Walker**

Open to all students, beginners to master level players. Meets every other Thursday of the month at lunchtime in Room 223. T-Shirts and snacks provided. If you do not know how to play, we will teach you; if you are an accomplished player, we will challenge you to play at a higher level. Come and have fun, learn, and enjoy meeting new people.

Debate Club**Mrs. Alcaide**

The Ramsey High School Debate Club provides an excellent opportunity for students who are interested in current events to engage in the art of civil discourse and discussion. We take the preparation of our cases and our participation in debate tournaments very seriously; however, our club emphasizes respect for others, tolerance, learning and fun. Teams will compete against other local high schools in Bergen County. All students are welcome to participate. The club will meet once a week. There is usually one tournament a month beginning in September and going through until March.

Drama Club**Mr. Peterson**

This student performance/production club presents two to three productions each year. Students may audition for roles in the plays or musicals, may work on stage crew in the construction and painting of scenery, or may work during the performance nights on the running crews, all the while learning numerous aspects of theater production.

Environmental Club**Ms. Leschak**

The Environmental Club is open to all students who wish to take an active role in environmental improvement. They discuss current issues affecting the global community but focus on local ecological concerns, those which affect the health of Ramsey and surrounding communities. This club is open to all who wish to make the world a better place in which to live through activism and volunteer work.

Fishing Club**Mr. Martone**

The Fishing Club was started in the 2016-17 school year by a group of freshmen. We meet every last Wednesday of the month throughout the school year. Topics on freshwater and saltwater fishing are developed by club members. Activities include tying knots, making rigs, building tip ups, cleaning rods and reels, fly rod casting, community service, and, of course, fishing. The fishing trips are limited to approximately 3-4 a year.

French Club**Ms. Vlasova**

This club's goal is to provide opportunities for students to experience important and fun aspects of francophone culture that cannot be explored in class. Meetings take place once a month for activities such as cooking, playing games, and doing crafts. Membership is open to students of all French levels, although any student interested in francophone culture may join in the fun.

Gay-Straight Alliance**Mr. Lyle/Mrs. Rodriguez**

The Gay-Straight Alliance is a discussion/activism club whose purpose is to provide support to gay, lesbian, bi-sexual, transgender, genderqueer, pansexual, asexual, and questioning students. It is also a place to build bridges between heterosexual and cisgender students, who would like to serve as allies and those of the LGBTTTQQIAAP+ community. All are welcome in GSA. The goal is to provide a safe environment, to educate the school community, promote tolerance and acceptance, and to fight discrimination and homophobia.

GEN 21 Club**Ms. Mejia**

GEN 21 is an acronym for Gender Equality Now, and the 21 represents the changing attitudes about definitions and expectations of gender in the 21st Century. GEN21 promotes awareness and cultural expansion of gender equality through education and empathy. The club focuses on empowering peers and encouraging change in the way all genders are perceived and treated in our society. GEN21 strives to make students aware of how gender bias within society can stifle a generation of adults. The club provides high school students with a place to speak about social challenges facing men and women as we move further into the 21st Century.

Grade Level Governments

Each spring, we hold elections for grade level governments. (Freshman class elections are held in the fall.) Students may run for president, vice-president, secretary, or treasurer. Elected officers are responsible for representing their peers and providing direction in regards to social events and raising funds for future needs.

History Club

Mr. Willever

The History Club is a home for students who are passionate about the study of history and want to explore that passion in new and exciting ways. Throughout the year, members of the club have conversations about historical issues, organize social awareness events, interact with guest speakers from universities, host fun movie and game nights, and experience historically significant places on field trips. The group has recently visited National Park Service sites such as the Home of Franklin Roosevelt and Thomas Edison's workshop. The club promotes community activism and awareness. Students may also compete in National History Bowl competitions, a team trivia tournament hosted at local area high schools.

Interact Club

Ms. Shurminsky

Interact is a service organization affiliated with Rotary International. We also participate in a variety of fundraisers and service activities in the community. Recently, we have participated in activities with senior citizens at the Memory Care Center, collected food, prom gowns, and winter coats for the needy, and have helped in the community with Ramsey Day, various local church activities, and Relay for Life. Interact raises funds through a variety of fundraisers throughout the year like bake sales and concessions at the Spring musical. Interact is a year-round activity with a large membership.

Latin Club

Dr. Starikovsky

The mission of the Latin Club is to increase understanding of ancient Roman language and culture both for Latin students and for the school as a whole. Also, to highlight the importance Latin and Roman culture hold in society today.

Leadership Academy

Mr. Biggan

Students who show potential as leaders and those elected to serve as class officers, team captains and club leaders are invited to participate in this three-day training program. The staff is surveyed for their recommendations. Students learn the value of teamwork and taking the initiative as they review leadership qualities and requisite skills, learn to communicate effectively, and enter into problem-solving activities.

Library Council

Mrs. Wohlrab

The Library Council is a service group open to all students who want to assist in the daily operation of the library media center. Students are trained in all aspects of the library's operation, including various computer programs and applications, and can earn 2.5 credits for a year's service.

Marching Band

Mr. Jenkins

The "Big Blue" Marching Band consists of 140 students, including musicians and Color Guard members. This ensemble can be seen performing at all the Ramsey High School football games, as well as parades and competitions held up and down the East Coast. The band has a tradition of excellence in competition, receiving superior ratings and holding the New Jersey State Championship title in the Eastern Marching Band Association for 15 years. The band now competes in the Musical Arts Conference and was once again awarded a superior rating and the State Championship. The group attends an annual band camp in August and rehearses one or two evenings per week during the Marching Band Season.

Math League

Mrs. Gaffney

This group of mathematically talented students participates and competes in the Bergen County Math League and the New Jersey Math League. The competitive meets are held October through April. In each contest, students are given a group of problems which must be solved within a specific time limit. The subject matter covered ranges in difficulty from elementary Algebra through Pre-Calculus.

Mock Trial

Mr. Willever

The justice system in action! Students on all grade levels assume the roles of attorneys, witnesses, and jurors in a legal proceeding. The program offers students the opportunity to express themselves dramatically, experience the law, utilize their critical thinking skills, contribute to a team effort, and enjoy themselves in a fun and exciting atmosphere. Trials take place in January and February at the Bergen County Courthouse in an actual courtroom. Trial outcomes are determined by a judge who scores each student's performance on all aspects of the trial. Teams that do well at the county level, may eventually progress to the state and national competitions. The Mock Trial program is sponsored by the New Jersey State Bar Foundation.

Model UN**Mr. DeMartino**

Model United Nations, also known as Model UN or MUN, is an extra-curricular activity in which students roleplay delegates to the United Nations and simulate UN committees while representing different countries around the world. Model UN is a simulation of the UN General Assembly and other multilateral bodies where students perform an ambassador role while debating topics such as gender equality, climate action, global health, and more. Through public speaking, critical thinking and research, the Model UN experience allows students to cultivate skills and enrich their global affairs knowledge through interactive competition. The goal for the Ramsey MUN Team is to attend 3 conferences throughout the school year. At the end of most conferences, outstanding delegates in each committee are recognized and given an award certificate; the Best Delegate in each committee, however, receives a gavel.

National Honor Society**Ms. Colucci/Ms. Levine**

Members are selected based on achievement and demonstration of leadership, character, and service to the school and community. Meeting regularly throughout the year, society members plan the Spring induction, conduct two blood drives, tutor students, award senior scholarships, and perform various service projects. Selection and dismissal procedures are outlined elsewhere in the [Handbook](#).

Physics League**Mrs. Palko**

Physics I team members participate in the New Jersey Science League. The New Jersey Science League is a highly competitive science organization operating within the State of New Jersey. The League gives awards, including scholarships, to the top performing students. Meets are held monthly, January through April. To prepare for these competitions, members meet weekly throughout the winter in problem solving sessions.

Robotics Team**Mr. Truppi**

The Ramsey Robotics Team is a competitive robotics team. There are Varsity and JV levels. Teams compete in the FTC Challenge. Students have the opportunity to build robots, learn computer programming and computer assisted design (CAD), and develop teamwork and leadership skills.

Spanish Club**Mrs. Ortega**

The Spanish Club is an organization that provides the opportunity for students to study various cultural aspects of the Spanish speaking community. It promotes cultural diversity, provides volunteer opportunities within the community, and a chance to expand your knowledge and experiences with the Spanish language.

S.A.D.D. (Students Against Destructive Decisions)**Mrs. Roberts**

This is a club dedicated to educating students about, and preventing students from making destructive decisions. The Club welcomes all youth who seek support for healthy and safe development for themselves and others within the community. The Club invites active youth participation and expects youth leadership. The Club accomplishes our mission through caring, compassionate, and committed reinforcement of protective factors, through the elimination of risk factors for individual teens, and by pursuing best practices, sharing scientific knowledge, and integrating evidence-based approaches into our work from concept to implementation to evaluation. The S.A.D.D. Club runs successful poster campaigns which include "Week of Respect", "Anti-Violence Week", and "Alcohol Awareness Month". Club members participate in an anti-bullying pledge and proactively educate peers throughout the year on poor decisions and their effects on themselves and others. Some S.A.D.D. members are also an integrated part of the Municipal Alliance within the town of Ramsey and help promote anti-bullying and anti-drug messages throughout the community by helping out with various programs within the community.

Stage Crew**Mr. Peterson**

Students serve the school by operating the lighting and sound equipment during all assemblies and public performances. Crew members also assist in stage preparation and set construction for our school plays and musicals, as well as affairs sponsored by non-school groups. Club members will be invited to join the Drama Club.

Student Congress**Mrs. Shahanian/Mrs. Wohlrab**

The Student Congress is a democratically elected group of officers and representatives from grades nine through twelve. These students organize and run activities designed to improve school spirit (pep rallies, Halloween Contest, Spirit Week, etc.), raise monies for community outreach, and act as the liaison between the student body and the administration by having representatives attend the Board of Education meetings and by meeting with the high school principal and Supervisor of Education 9-12 & Student Welfare. Elections for officer positions take place in the spring for the following year and in September for general membership representatives.

Student Outreach Service (S.O.S.)**Mrs. Kilday**

This group is made up of students who have been invited to and attended the Emerging Leaders Academy over the summer. Students volunteer to help with Orientation, the Freshman Welcome Barbecue, 8th grade tours, Best Buddies, Back to School Night, and various other school programs and needs. This group of leaders help to make RHS a better place by serving our prospective students, current staff and the community at large.

Student Radio/Morning Announcements**Mr. Lyle**

Open to all students. Our DJ's organize musical selections and programming for presentations over the school's intercom system from 7:30-8:00am. Students may also read the morning announcements, keeping the RHS community up-to-date on all vital goings-on. The Announcement Team meets at 8:55am each morning in the Media Center.

Technology Club**Mr. Wolf**

The Ramsey High School Technology Club is dedicated to providing students with the opportunity to use technology in meaningful ways. Members are encouraged to share their skills, thoughts and interests concerning technology with the school community. The club meets once a month and members are encouraged to teach each other and offer projects. The club has built computers, helped teachers with technology, and taught each other the latest cutting edge innovations.

The Ram Jams**Mr. Wolf**

The Ram Jams is an extra-curricular advanced vocal ensemble that meets in the evenings once or twice a week. The Ram Jams is an auditioned ensemble, students must be enrolled in the RHS choral program to qualify to audition. The Ram Jams sings all types of vocal music including jazz, a cappella, and madrigals. The group performs at high school choral concerts and at various other festivals/programs.

The Ramsey Singers**Mr. Wolf**

The Ramsey Singers is an after school vocal ensemble that specializes in a cappella and show choir repertoire. The group rehearses after school and is open to all RHS high school students. The group performs at high school choral concerts.

Winter Guard**Ms. Feis**

The Winter Guard is an outgrowth of the fall Color Guard program. This group is selected by auditions, which are held in early December. This ensemble rehearses and competes nationally from January through April. Evening rehearsals are held twice a week, while competitions are held on Saturdays.

PUBLICATIONS

Nugget**Mrs. Calogero-LaNeve**

The Ramsey High School yearbook is published annually in June. Membership on the staff is open to all interested students. Editors are chosen from the prior year's staff. Meetings are held throughout the school year on Tuesdays and Wednesdays primarily from September through May, with additional days on deadline or proof weeks. Meetings continue through June for the next year's theme planning and yearbook distribution. Yearbook allows students to express themselves through creative writing, graphic layouts, photography and meeting deadlines. Your contribution can be to the complete yearbook or to a particular section such as Student Life or Sports. We publish through edesign online and work can also be done at home. The staff will train interested students. Students who participate in sports ALL YEAR, or do fall and winter sports and cannot attend meetings, should not consider joining. Editors must be available for meetings at least once a week.

Opus**Ms. DeSantis**

Opus is Ramsey High School's literary magazine. Editors and production staff meet weekly between September and May to participate in creative writing workshops, review student contributions, do art work, proofread, and do page paste-ups. The magazine is produced with the aid of Microsoft Publisher. The Opus staff also sponsors an annual Launch Party with unplugged music and poetry readings in the spring.

RAM

Mr. Walsh

The student newspaper is a forum for the expression of views. The publication reports accurately and objectively activities, sports, academic life, and special events. Membership and participation are open to all interested students. A variety of staff positions are possible for students including business management, photography, art, reporting and editing. The Ram is published in-house using Adobe InDesign and the most up-to-date technology. The Ram staff preserves a tradition of excellence and has received recognition for reporting articles of “lifelong significance to its readers.”

PRODUCTIONS

School Musical

Mr. Peterson

Last year’s production of *Thoroughly Modern Millie* involved over 120 students. It allowed students to display their musical and dramatic abilities on stage, and also offered opportunities to work backstage in production areas such as lighting, scenery, costuming, makeup, props, choreography, and publicity. Student involvement in the orchestra pit is also available.

School Plays

Students interested in dramatic acting, set construction, and other production elements are encouraged to participate in school plays. Under the direction of the advisor, a comical, satirical, or dramatic production will be offered. Three courses in the Fine Arts Department, Speech/Drama, Acting, and Drama Workshop, should be considered by students interested in learning more about acting and theater in general. A fall and spring play are planned for this year.

School Concerts

Mr. Wolf

Concerts are regularly scheduled throughout the year. Some, such as the Winter Concert, are joint efforts of our vocal and instrumental music students and others highlight a particular group, i.e. Band, Chorus, etc.

HIGH SCHOOL GIFTED AND TALENTED

Ramsey High School students have enrichment opportunities through various courses like Profile Projects, Design Thinking, high level Honors courses, Advanced Placement courses, Student Outreach Services, Leadership Program, clubs, and activities. As a result, we aim to cultivate an environment that allows communication, collaboration, creativity, and critical thinking skills to flourish on a daily basis.

CO-CURRICULAR ACTIVITY

DECA

Mrs. Incardona

An Association of Marketing Students

DECA is an internationally recognized co-curricular club that is an integral part of the Marketing I, II, Sports and Entertainment Marketing, and Fashion Marketing courses at Ramsey High School. The students compete in various marketing and management related events that are built upon nationally approved marketing competencies. Total international membership is 200,000, consisting of all 50 states, Washington D.C., Puerto Rico, Guam, Mexico, Germany, and Canada. Students are involved in various fundraising and civic projects. Past student projects have included running clothing drives, Powder Puff football, and an anti-bullying campaign. Students have competed at the International Career Development Conference for the past 25 years.

ATHLETIC PROGRAM OFFERINGS

Ramsey students have an opportunity to participate in athletics through Physical Education, Intramurals, or interscholastic competition.

Ramsey believes that the athletic program has much to contribute to the overall education of our students. The interscholastic sports program includes the following: Baseball, Basketball, Bowling, Cross Country, Field Hockey, Football, Golf, Ice Hockey, Lacrosse, Soccer, Softball, Swimming, Tennis, Track and Field, Girls Volleyball, Wrestling, and Cheer. Ramsey High School is a member of the Patriot Division of The Big North Conference.

RAMSEY HIGH SCHOOL HEAD COACHES

201-785-2300 Ext: 21571

[CLICK HERE](#) for a list of coaches

ACADEMIC ELIGIBILITY FOR ATHLETIC COMPETITION

The Ramsey Board of Education follows the eligibility rules of the N.J.S.I.A.A. regarding participation in the interscholastic athletic program.

1. To be eligible for the fall and winter sports season, students must have passed 30 credits at the end of the previous year, **(June report card or summer school if class is taken again)**.
2. To be eligible for the spring sports season, students must pass 15 credits, at the end of the fall semester, **(January – February report card)**.

All ninth graders are eligible for the first semester of their Freshman Year.

ATHLETIC CONDUCT

One mark of a good player is sportsmanship. Fighting or the use of profanity is not acceptable. Use self-control. Do nothing which will bring discredit to your school. Win graciously; lose without alibi. Accept the official's judgment without question. Give the best that is in you for your team. Avoid any reference to the color creed or nationality of your opponent. All team cheering should be positive. There is no place for intimidating or demeaning chants, gestures, etc. All players must follow the BNC Code of Behavior for Athletic Contests. Disqualifications from a contest will result in suspension from participation in future game(s) in compliance with NJSIAA rules. The high school reserves the right to extend suspension from an athletic team for additional contests depending on the nature of the incident.

BNC CODE OF FOR SPECTATOR CONDUCT AT ATHLETIC EVENTS

- Fans, coaches, and players are expected to honor and obey all rules and regulations of the NJSIAA and the Big North Conference
- Fans, coaches, and players are expected to treat the opponent, officials, and other fans with respect and courtesy. Their safety and comfort should never be endangered.
- Enthusiastically encourage your own team.
- Refrain from negative remarks and booing.
- Accept all decisions made by the officials.
- Remain in the stands while play is in progress.
- Do not throw objects; use noisemakers; or display signs or banners.

Any person obviously and intentionally violating the letter and spirit of the code will be subject to ejection from the contest and will/may not be allowed to attend any further athletic contests.

SPORTSMANSHIP

Sportsmanship, the quality of fair play, is of the utmost importance and needs to be given the highest priority in an athletic program. Therefore, the BNC Code of Behavior for Athletic Events must be stressed at all times.

INTER-COLLEGIATE ATHLETICS

Athletic Eligibility at the intercollegiate level is governed by regulations established by the NCAA. All students aspiring to play division 1 or 2 athletics must register with the NCAA Eligibility Center, (previously known as the NCAA Clearinghouse). Below is the link that will connect you to the relevant information regarding NCAA eligibility, approved courses and standardized testing. For additional information, please see your School counselor, Director of Student Programs, Andrew Herre, or your coach.

[NCAA Eligibility Center Website](#)

SCHOOL COUNSELING/ GUIDANCE

Because we believe each student to be unique, we have designed and implemented a school counseling program to serve the needs of all students. Each counselor remains with a family to provide continuity, maintains an "open-door" policy, and works closely with other staff professionals to address issues as they arise and to help each student reach their full potential. The academic, emotional and social development of each student is of paramount importance.

SCHEDULING

The student's schedule for each succeeding school year is developed between January and the summer. Counselors meet each student to plan an appropriate program. Of course, parents are welcome at those conferences. Parents of students in the Junior Class are scheduled to meet with the counselor. Your participation in this planning culminates in your approval of the selected courses. Tentative student schedules are mailed home during the first few weeks of the summer recess.

Each year, we build our high school schedule from the "ground up" based on students' academic needs and elective preferences. In order to deliver a comprehensive schedule that meets the diverse needs of the student body, it is imperative that we get quality feedback from students and parents in a timely manner. Whether or not you make changes to this elective selection sheet, we ask that you sign and return this form to the Counseling Office no later than **the date we communicate when course selection begins in January.** In addition, we strongly encourage you to please check the portal to review your child's academic placements. We ask that you reach out to your teen's School counselor no later than **the date we communicate with academic placements,** if you have concerns about those as well. Subsequently, once the course selection sheets are submitted, in order to balance class sizes and provide a comprehensive program of studies, your cooperation in meeting this deadline is crucial. We use both the academic placement and elective selection data to make important staffing and resource allocation decisions for the upcoming school year. Requests for changes to a student's academic and elective program after these deadlines **will not** be accommodated during the build of our Master Schedule. These requests will be considered after the Master Schedule is built and if the change is approved, you may need to schedule a meeting with your teen's counselor during the summer to adjust their schedule.

Student Scheduling for 2023 - 2024:

Juniors - Parents invited	January - March 2024
Sophomores	February 2024
Freshmen	February - March 2024
8th Graders (Smith and St. Paul's)	January 2024

SCHEDULE CHANGE PROCEDURES

In order to make a schedule change, a student must:

1. See a counselor and discuss the advisability of making the change. If the student and counselor agree the change is needed, the student must return a signed note requesting the change from a parent or guardian.
2. The counselor will review the request for change with the department supervisor and teachers. If all parties feel the decision is in the best interests of the student, a change will be made to the student's schedule.
3. The Period to ADD a new course ends on September 19, 2023.

Dropping a Course		
Transcript Notation*	Semester Course	Full Year Course
a. Not recorded	Up to 4 weeks	Up to 7 weeks
b. Withdrawal P or F recorded (not included in GPA calculation)	Up to 7 weeks	Up to 12 weeks
c. "F" recorded (included in GPA calculation)	After 7 weeks	After 12 weeks
*Exemptions for unusual circumstances are at the discretion of the Principal.		

EARLY RELEASE / WORK STUDY

Early release will be considered ONLY FOR SENIORS with prior approval from the Principal or designee. To be eligible: 1) A letter must be submitted from a parent or guardian indicating a request for early release; and 2) In the event the student is going to work, a letter must be submitted from an employer on company stationery indicating the starting time.

Underclassmen will be considered for early release in certain cases to be determined by a school administrator.

Students not eligible for early release based on employment may not transfer to an earlier section of the same course unless that student is registering for additional coursework and needs the time (period).

Students on early release prior to 2:00 p.m., found to be consistently in the building, will be reassigned to study hall. Juniors and Seniors scheduled for a study hall will automatically be released from school at 2:00 p.m. Freshmen and sophomores will be assigned to a 6th time slot study hall.

SAT TESTING DATES FOR 2023-2024

Testing Dates

August 23, 2023
 October 7, 2023*
 November 4, 2023*
 December 2, 2023
 March 9, 2024*
 May 4, 2024*
 June 1, 2024

Registration Deadlines

Aug 15, 2023
 Sept. 26, 2023
 Oct. 24, 2023
 Nov.21, 2023
 Feb. 27, 2024
 April 23, 2024
 May 21, 2024

* Test will be given at Ramsey High School

General Information

1. Registration for the **SAT** is through the College Board site: [CollegeBoard](https://collegeboard.org)
2. Ramsey High School Code is 311290.
3. The SAT is a "Reasoning Test" with mathematics and verbal sections. Test results are forwarded to colleges approximately four weeks after testing. Students receive scores approximately one week later.

PSAT

TEST DATE: WEDNESDAY, OCTOBER 18, 2023. All freshmen, sophomores, and juniors will take the Preliminary Scholastic Assessment Test. This testing experience is being offered free. Juniors will be assessed a registration fee of \$25.00 to offset the National Merit Scholarship (NMSQT) cost. In addition to preparing students for the Scholastic Assessment Test, the PSAT serves as the qualifying test for the National Merit Scholarship Program.

ADVANCED PLACEMENT PROGRAM

Advanced Placement Tests for the 2023-2024 school year have been scheduled by the College Board.

Dates adopted are:

May 6-10, 2024
May 13-17, 2024

NJSLA (ELA, Mathematics, and Science) TESTING DATES

May 13-17, 2024

COLLEGE BOARD SERVICES FOR STUDENTS WITH DISABILITIES (SSD)

A student with a documented disability may be eligible for accommodations on College Board tests. An SSD Student Eligibility Form must be submitted for each student requesting accommodations. To be eligible, the student must:

1. have a disability that necessitates testing accommodations,
2. have documentation on file at school that supports the need for requested accommodations and meets the Guidelines for Documentation, and
3. receive and utilize the requested accommodations, due to the disability, for school-based tests.

New Jersey Student Learning Assessment-ELA (NJSLA-ELA) and New Jersey Student Learning Assessment-Mathematics (NJSLA-M)

The New Jersey Student Learning Assessments for English Language Arts/Literacy (NJSLA-ELA) and for Mathematics (NJSLA-M) measures the extent to which students are, or on track to be college or career ready in each of the two respective areas. The test in English Language Arts/Literacy assesses student proficiency in reading and comprehending a range of grade appropriate material independently. It also provides a measure of how effectively a student writes when using and/or analyzing sources. The test in Mathematics measures student competencies in the major and additional/supporting content in mathematics for grade or course, as well as student grade-appropriate mathematical reasoning and modeling skills. These new state regulations (N.J.A.C. 6A:8-5.1) can be found [here](#).

A SUGGESTED TIMETABLE FOR COLLEGE DECISION MAKING
(See [College Application Procedures Handbook 2023-2024](#) for additional information)

October - Junior Year

PSAT/NMSQT

Winter - Spring of Junior Year

- Research Schools - Campus visits, Naviance, Niche, Big Future

Spring - Junior Year

- Sign up for SATs and/or ACTs
(Plan to take at least one before September of Senior Year)
- Request letters of recommendation from teachers
- Continue to research/visit college campuses
- Consider applying for early decision

Early Fall - Senior Year

- Discuss college choices with your counselor
- Decide what colleges you will apply to; file applications
- Retake SATs and/or ACTs (if necessary)
- Check Naviance college representatives visiting the high school and sign up appropriately
- File FAFSA and/or CSS Profile and review financial aid opportunities at colleges of interest
- Monitor scholarship opportunities the School Counseling website and do independent research/complete applications as necessary

Late Fall - Senior Year

- Apply to most schools by December

Spring - Senior Year

- Monitor email for Ramsey local scholarship application
- May 1st: Commit/deposit at the admitted college of your choice

GRADING POLICY PRACTICES

GPA AND WEIGHTING PROCEDURES

To determine GPA, the final letter grades from all courses, except Physical Education and those designated Pass/Fail, are used. GPA is cumulative.

Our weighting system assigns quality points based upon the level of the course taken. Courses labeled Honors or Advanced Placement receive one additional point.

GPA Quality Points

Grades		Regular	Honors/AP
97-100	A+	4.3	5.3
93-96	A	4.0	5.0
90-92	A-	3.7	4.7
87-89	B+	3.3	4.3
83-86	B	3.0	4.0
80-82	B-	2.7	3.7
77-79	C+	2.3	3.3

73-76	C	2.0	3.0
70-72	C-	1.7	2.7
67-69	D+	1.3	2.3
60-66	D	1.0	2.0
59 or below	F	0	0

Mid-Year & Final Averages

If the decimal part of the average is .15, .5, .85 then the Mid-Year or Final Average MUST be rounded UP to the next highest grade. However, students need to earn 5 non-weighted points to pass a class.

High Honor Roll

All A's (A+, A, A-) and not more than one B (B+, B, B-).

Honor Roll

All A's (A+, A, A-) and B's (B+, B, B-) and not more than one C (C+, C, C-)

All provisions of the Ramsey High School Attendance Policy are applicable to all courses listed in the Curriculum Guide.

FINAL EXAMINATIONS

- Students failing to take a final exam when one is scheduled will be deemed not to have completed the course requirements and will fail the course. This applies to students without exempt status.
- Exempt status shall be obtained by a senior in a CP, CPE, or CPC class who meets ALL of the following criteria:
 - At least 3 marking period grades of A- or better...AND
 - No marking period grade below B-...AND
 - A final unweighted average of EXACTLY 3.5 (no rounding) or above (See #4 below for AP classes)
- Any student in an AP class will be granted exempt status provided they meet the following criteria:
 - Students must earn at least a B- or better in all 4 marking periods and take the AP exam given by the College Board in May.
- In order for seniors in half-year elective courses to qualify for a final exam exemption, they must earn an A- (or above) average for EACH marking period. No grades of B+ (or lower) will be allowed.
- A specific final exam schedule will be implemented at the close of the school year.
- The make-up exam period is scheduled for students missing the initial testing period DUE TO ILLNESS. Documentation is required.
- Final examinations in first semester courses are to be given during the last week of the semester. A specific schedule by department will be implemented. Exams will be two class periods.
- Mid-year tests in full year courses may be given at the discretion of the teacher. These tests, whenever possible, will not be given during the last week of the semester.

WEIGHT OF FINAL EXAM GRADE AND DETERMINATION OF FINAL GRADE IN A COURSE

- Final Exams will be worth 10% of the final grade in a course in which it is administered
- To calculate the final grade in a course with a Final Exam:
 - In a full year class:
 - Each quarter is worth 22.5%
 - Final Exam is worth 10%
 - In a semester class:
 - Each quarter is 45%
 - Final Exam is worth 10%
- To calculate the final grade in a course without a Final Exam:
 - In a full year class:
 - Each quarter is worth 25%
 - In a semester class:
 - Each quarter is 50%

FINAL GRADE AVERAGE

To determine a final average for a course, convert the four (4) marking period grades and the final exam grade to a numerical average.

In a full year class:

$(MP1 \text{ Grade } X \cdot .225) + (MP2 \text{ Grade } X \cdot .225) + (MP3 \text{ Grade } X \cdot .225) + (MP4 \text{ Grade } X \cdot .225) + (\text{Final Exam Grade } X \cdot .10)$

In a semester class:

$(MP1 \text{ Grade } X \cdot .45) + (MP2 \text{ Grade } X \cdot .45) + (\text{Final Exam Grade } X \cdot .10)$

For conversion back to the final letter grade, use the following:

	Regular	Honors/AP		Regular	Honors/AP
A+	4.3	5.3	C+	2.3	3.3
A	4.0	5.0	C	2.0	3.0
A-	3.7	4.7	C-	1.7	2.7
B+	3.3	4.3	D+	1.3	2.3
B	3.0	4.0	D	1.0	2.0
B-	2.7	3.7	F	0	0

Students dropping a year course after the conclusion of the seventh week, but before the end of the twelfth week and/or students dropping a semester course after the fourth week, but before the end of the seventh week will have that course recorded on the permanent record with the following entry: "W" (Withdrew Passing) or "U" (Withdrew Failing). The withdrawal will not be included in class rank but will remain on a student's report card. Students withdrawing after the seventh week in a semester course, and after the twelfth week in a year course will have an "F" recorded as a final grade. Grade point average will be affected.

Exemptions for unusual circumstances may be made by the high school administration. Students denied credit as a result of excessive absences will have a grade of "U" recorded on their permanent records.

GRADE EXCEPTION FORM

There can be deviations from the above formula **with cause**. Any time the teacher gives a final average that is higher or lower than the marking period grades warrant, he/she must have the department supervisor's approval. The teacher must fill out a Grade Exception Form specifically stating the reasons for the change. In effect, then, the report card final grade may not be an average of the marking period grades, but a grade based on a student's total performance in the course.

MAKE-UP WORK

Students must make up work missed because of absences as soon as possible. If the absence is for only one day, work should be made up within two days of the student's return. For longer absences, the teacher should provide a reasonably proportionate amount of time. If at the end of the marking period a student has not had time to make up missing work, the teacher will mark the student incomplete. If the student has had sufficient time and has not made up the work within the marking period, the teacher should lower the student's grade accordingly. All Incompletes (I) granted at the conclusion of a marking period must be resolved within two weeks of grades being posted for the marking period (exceptions must be approved by the Supervisor of HS Education).

CLARIFICATION OF SELECTED GRADING PROCEDURES

1. The school will weigh the previous marking period grades of students transferring from Honors to Advanced or College Prep sections. A grade of "F", however, in an Honors class, will remain an "F".
2. The school will average the previous marking period grade of students transferring levels, i.e., H to C.P., C.P. to A/B, etc.
3. Students transferring from/to two separate and independent courses, e.g., art to photo, must adhere to the present grading practices for course drops as outlined in the Handbook.
4. Teachers will transfer accrued absences to the new course and section, prorating allowable absences on a marking-period basis (six per marking period). Only the principal or his designee may make exceptions to the strict application of this guideline.
5. Students desiring to drop a level must make the request within the first 12 weeks of the school year.
6. Changes in level will not be made during the last two weeks of the marking period.

INDEPENDENT STUDY GRADING

1. Letter grades for each of the four marking periods appear on a student's report card. Teachers will determine the year-end average using these grades.
2. Students choosing PASS/FAIL will receive marking period letter grades. If they have maintained a "D" average or above, they have passed and will receive a "P" as the final average, along with the appropriate credit.
3. Each department will establish courses/sections for independent study within the department; e.g., Independent Study in Social Studies.
4. The Department Supervisors will receive grade sheets for those offerings.
5. Students transferring to Ramsey High School with high school or college courses on their academic record will have their previous work considered as follows:
 - a. If we have a similar course, we will include the grades and credits on the transcript.
 - b. If the course was an "Honors" level course and we have a similar course, we will "weight" the grade for grade point average.
 - c. If we do not offer a similar course, we will award the grade listed and credit. The course will not be weighted.
 - d. We will evaluate numerical grades from a sending school using that school's policies, i.e., A=100-93, etc. A failure from another school will remain a failure.
6. Use the current Independent Study Form to obtain necessary approvals. Make as detailed a description as possible of the work to be undertaken when the course is not traditional. Provide additional detail on appended pages. Include attendance requirements (meeting times).

HONORS OPTION

At Ramsey High School, we value students investing their energy in areas of interest/curiosity. Part of our Profile of a Graduate initiative is focused on helping students find purpose in their education and encourage scholarship, leadership, and commitment. The Honors Option was initiated to give students completing advanced coursework in certain elective areas the chance to earn honors credit for their efforts. This additional advanced coursework/scholarship is meant to be student-directed and completed mostly outside of class.

Honors Option Basic Parameters

- Students can elect to take defined upper level elective courses for "honors" credit.
 - For the *2023-2024 School Year*, those courses will be:
 - Visual Arts 2
 - Advanced Ceramics: Function and Forms
 - Advanced Ceramics: Studio
 - Advanced Automotive Technology
 - Advanced Woodworking
 - Advanced Photography

- Architectural Drawing
 - Engineering Drawing
 - Computer Programming I and II
- Students must declare their intention to pursue the Honors Option in a given course within the first few weeks of the course. *For the 2023-24 school year, the deadline for full year and first semester electives will be September 29, 2023. For second semester electives, the deadline will be February 29, 2024.*
- When a student successfully fulfills the “honors option” expectations in a given course, the student will earn a “weighted average” grade in the course. To earn the “weighted average” grade in a course, a student must a) successfully meet regular course expectations and b) *in addition* complete the required honors option work outlined by the course and teacher.
- Some components of the honors option will vary by discipline. These components could include:
 - In-depth research / writing on topic related to course
 - Journal
 - Portfolio
 - Work Documentation
- *Students who fail to meet Honors Option expectations will lose the “weighted average” grade in the “honors option” course.*

COMPUTING GRADE POINT AVERAGE (GPA)

The method used to compute the grade point average (GPA) is described below:

1. Each course is given a point designation: (course point)

full year course = 1

semester course = .5

2. Grades are converted to quality points:

	Regular	Honors/AP		Regular	Honors/AP
A+	4.3	5.3	C+	2.3	3.3
A	4.0	5.0	C	2.0	3.0
A-	3.7	4.7	C-	1.7	2.7
B+	3.3	4.3	D+	1.3	2.3
B	3.0	4.0	D	1.0	2.0
B-	2.7	3.7	F	0	0

Courses qualifying for additional weighting:

ART	Visual II Arts Honors Visual III Arts Honors Adv. Ceramics: Funct and Form Honors Adv. Ceramics: Studio Honors Ind. Study/Portfolio Honors
ENGLISH	English I Honors English II Honors English III H (AP) English IV H (AP)
COMPUTER SCIENCE	Computer Science Principles (AP) Computer Science (AP) Computer Programming I Honors Computer Programming II Honors
MATHEMATICS	Algebra II Honors Geometry Honors Precalculus Mathematics Honors

	Calculus AB, BC (AP) Microeconomics (AP) Statistics (AP)
WORLD LANGUAGE	Spanish III H, French III Honors, Spanish IV H, French IV Honors, Spanish V (AP), French V (AP), Latin IV (AP)
MUSIC	Music Theory (AP)
SCIENCE	Biology Honors Biology (AP) Chemistry Honors Chemistry (AP) Environmental Science (AP) Physics Honors Physics C (AP)
SOCIAL STUDIES	Human Geography (AP) Psychology (AP) SUPA Sociology World History Honors U.S. History I Honors U.S. History II (AP) American Government (AP)
TECH ED	Advanced Auto Tech Honors Advanced Woodworking Honors Advanced Photography Honors Architectural Drawing Honors Engineering Drawing Honors Design Drawing Honors
INTERDISCIPLINARY	Design Thinking Honors

4. The formula for grade point average is:

a. Subject grade converted to quality point:

A = 4.0 B = 3.0 C+ = 2.3 D+ = 1.3

A+ = 4.3 B+ = 3.3 C = 2.0 D = 1.0

A- = 3.7 B- = 2.7 C- = 1.7 F = 0

b. Courses change to course points:

English I = 1 year = 1 Creative Writing = 1 semester = .5

c. Total Quality Points ÷ Total Course Points = Grade Point Average d. Grade Point Average ranked high to low

e. Rank reported as 1/225, 2/225, etc.

Course	Course Point	Grade	Quality Point
English (1 year)	1	B+	3.3
Math Honors (1 year)	1	B	4
French II (1 year)	1	C	2
Visual Arts (1 year)	1	B	3
Wood I (1 semester)	0.5	A	2
World History (1 year)	1	C-	1.7
Health (1/4)	0.25	B	0.75

Class rank will only be released when it is **required** for consideration of a scholarship or admission to a specific program (i.e. military service academies).

Credit Hour Requirements

All 9-12 grade students must schedule a minimum of 35 credits. Once enrolled for coursework above the minimum, a student will not be permitted to drop back to the minimum without approval from a building administrator. A schedule that is "too demanding" will not be considered a valid reason. Such a determination should have been made prior to the scheduling of coursework.

Pass/Fail Option

Ramsey High School offers a wide range of courses in a variety of disciplines. To allow students an opportunity to experience these offerings and not jeopardize their class rank, a pass/fail option has been adopted. The guidelines are:

- To be eligible a student must have a "B" (3.0) or better grade point average in all prior coursework. Incoming freshmen must have achieved a 3.0 average in all coursework taken in the 8th grade.
- Only specified courses stipulated by the department would be eligible to be taken on a pass/fail basis.
- Students must sign up for 35 credits. Any other subjects beyond those credit limits, as noted in "b" above may be taken on a pass/fail basis.
- Declarations of pass/fail for a course must take place before the beginning of the course and are irreversible.**
- Regular marking period grades would be assigned and all required work, i.e., participation, homework, classwork, tests, papers, exams, etc. must be submitted. Courses taken with a pass/fail option will be included in the calculation for the Honor Roll.
- A "P" (pass) and credit would be awarded to students with a minimum "D" average in the courses.
- Pass/Fail courses would not be calculated in the class rank computation.

Courses Offered for Pass/Fail

Business:	All Offerings
English:	Creative Writing
Fine Arts:	All offerings in Art, Music, Culinary Arts, Introduction to Speech and Drama, Acting
Mathematics:	Computer Programming I & II
Social Studies:	Eleventh and twelfth grade electives, i.e., Sociology, Psychology, Liberty & Justice
Technology Education:	All offerings

VALEDICTORIAN and SALUTATORIAN

In order to be eligible for consideration of these honors, a student must have been a student of Ramsey High school for his/her entire junior year and a full time student when selection is made at the end of the third marking period of senior year. The Valedictorian shall be the senior with the highest grade point average (G.P.A.) at this time. The Salutatorian shall be the senior with the second highest G.P.A. The administration may declare co- or tri- Valedictorians or Salutatorians whenever there is a tie(s) or if the difference in G.P.A. is considered to be statistically insignificant.

REQUIREMENTS FOR A DIPLOMA

120 credits consisting of:

- 20 credits of Language Arts Literacy
- 15 credits of Mathematics
- 15 credits of Social Studies
- 15 credits of Science
- 5 credits of Physical Education, Health, and Safety for each year of enrollment
- 5 credits of Visual and Performing Arts

- 10 credits of World Language
- 2.5 credits of Financial Literacy
- 5 credits of 21st Century Life and Careers

Remaining credits may be earned by choosing courses in the following areas:

Art	Music	Business Education	Reading English
Science			
Home Economics	Social Studies	Industrial Arts/Technology	Special Education
Mathematics	World Language	Other approved academic/vocational courses	

Additional requirements for graduation include:

- Students must complete an approved Profile Project and Defense of Learning as outlined in the Profile Project Handbook. The Profile Project is a culminating project, embedded in a specific course or pre-approved as an Independent Study, aligned to the Profile of a Ramsey Graduate, and developed by students with support from staff. This project will be completed in Senior year and will reflect cumulative learning.
- Cross-content workplace readiness as described in the State Standards (integrated into content areas in grades 9-12)
- Meet NJDOE approved testing requirements for each class (see below).
- NJDOE has established the NJGPA as the "First Pathway" to meet the graduation assessment requirement for the Classes of 2024-2026. See the [NJDOE Assessment page](#) for the latest information on this required and the alternate pathways students may use to meet the state graduation assessment requirement.

The following procedure should be followed when exempting a student with disabilities from one or more aspect of the district's graduation requirements:

1. The CST recommends at least one exemption with appropriate rationale.
2. The Director of Special Services meets with the Superintendent of Schools to verbalize this recommendation and seek his/her approval.
3. The CST meets with the parent(s) to develop the IEP. Consideration is given to the recommended exemption(s) and parental agreement is sought.
4. The CST finalizes the IEP.
5. The CST seeks the formal approval of the exemption(s) by acquiring the signature of the Superintendent of Schools.

EARLY GRADUATION REQUIREMENTS

Pupils who have clearly demonstrated scholastic aptitude, an unusual readiness for the world of work, a financial need, or a serious health or family situation may be considered for early graduation. All graduation requirements, as outlined above, must be completed early. Approval must be obtained from parents/guardians (except in the case of 18 year old pupils) and the administration. Any student considering early graduation must notify his/her School counselor in writing by June 1st of his/her sophomore year.

MARKING PERIOD CLOSING AND REPORT CARDS

Marking Period Closings	Report Card on Portal
1st November 13, 2023	November 20, 2023
2nd January 26, 2024	February 2, 2024
3rd April 8, 2024	April 22, 2024
4th June 21, 2024	First week of July 2024

Tentative Final Exam Periods

June 17 (Math) and June 18 (Science)
8:30-10:30 am

Make up exams (for illness) will be scheduled on June 19 & 20 at 8:30 am. Students with extenuating circumstances who would like to make alternate arrangements for final exams must make the request in writing to the Supervisor of HS Education.

Grades in progress are available on the Student and Parent Portals. Official marking period grades are also posted on

the Portals.

ASSEMBLIES

School wide or grade level assemblies are scheduled periodically throughout the school year. They are as much a part of school as educational field trips and the learning that takes place in the classroom because they are not only enjoyable and entertaining, but they are also a learning experience. Courtesy demands that the student body be respectful. Generally speaking, talking, booing, clapping at inappropriate times, causing a disruption and/or whistling during a performance or speech are discourteous. Refrain from them. Students, if scheduled for an assembly, should proceed to the Auditorium and their assigned seating as quickly as possible and should leave the program and return to classes in a similar manner. Students who are unable to conform to these few behavioral standards will lose their assembly privilege.

ACADEMIC INTEGRITY POLICY

Philosophy

Ramsey High School is committed to providing an education to all students where academic honesty is valued. Moral development is an important aspect of the educational learning process. Further, school should be a place where the measure of each student's work is an accurate assessment of that student's performance.

Prevention

The first step in eliminating cheating is preventing it from occurring. We believe that teachers play a key role. It is the responsibility of the teacher to manage the classroom in a manner that minimizes the opportunity for cheating. The following guidelines are to be used and reviewed during testing:

- No talking during the course of the test. If you need a question answered, raise your hand.
- Come prepared for the test with the necessary items.
- Take care of your needs prior to beginning the test (use the bathroom, get a drink, etc.)
- Sit in your assigned seat or where directed by the teacher.
- Desks must be cleared of all items unless approved by the teacher.
- Books, backpacks, purses, wallets, and other items are to be off the desk and out of the aisle.
- Drinks of any kind are not to be at your desk or accessible.
- Hats may not be worn during testing.
- Stay focused on the test and do not distract others.
- Exercise caution during the test with regard to gestures or actions that can be considered inappropriate.
- When the test is over, put down all writing instruments.

Types of Offenses

1. Cheating – giving or receiving unauthorized materials or information.
This includes copying from another student on an assignment, quiz, or test, receiving unauthorized assistance with a quiz, test, or other assignment, sharing information about a quiz or test in advance, using notes, books, or other devices without authorization, sharing copies of tests or exams, sharing homework and other assignments, storing data in calculators or other devices to assist during a test or exam, and/or changing the answers or grade after a quiz, test, or other assignment has been returned.
2. Plagiarism – the act of appropriating the work or ideas of another and passing it off as one's own work (Black's Law Dictionary, 5th Edition) or failing to properly cite any material from a published or unpublished source, including material available on the Internet. This includes buying, trading, stealing, and/or copying another's work, translating the work of another and claiming to be the author, paying for or accepting the writing services of another person who revises the work but does not acknowledge the author, or combining and blending the work of several sources without acknowledgement.
3. Collaboration – working with another without prior authorization of the classroom teacher on an assignment or turning in homework assignments, laboratory reports, and projects that more than one student has worked on without the prior authorization of the teacher.

Consequences for the offenses cited above:

First Offense

- The student will receive a zero for the assignment, quiz, or test without the opportunity to make up the work.
- An incident report will be completed by the observing staff member, shared with the administration, and filed with the Supervisor of HS Education.
- The parent/guardian will be notified by the teacher.

Second Offense

- The student will receive a zero for the assignment, quiz, or test without the opportunity to make up the work.
- An incident report will be completed by the observing staff member and filed with the Supervisor of HS Education
- The student will be removed from consideration for admittance to the National Honor Society for one year.
- A conference will be held by the Principal. The student, parent(s), School counselor, and the teacher will meet.
- The advisor of any activity in which the student is involved will be advised of the infraction by the Supervisor of HS Education.

Third Offense

- Same sanctions as stated in the first two offenses plus:
- Automatic failure in the course.
- The student will be removed from the National Honor Society if he/she has been a member.
- The Principal will recommend that the student be removed from leadership positions in activities or sports.
- A Conference will be held by the Superintendent with any of the following allowed to attend: the student, the parent(s), School counselor, the teacher, the supervisor, or the Principal.

The student may appeal the findings of the Supervisor of HS Education to a committee composed of a supervisor and two classroom teachers from departments other than that in which the infraction occurred.

Additional Offenses

Tampering – the altering of school records, grades, or documents. This includes using a computer to change, add, or erase information and/or unauthorized access into an office or file or grade book for the purpose of altering a record or document.

Consequences for the offenses cited above:

First Offense

- The student will receive a zero for the assignment, quiz, or test without the opportunity to make up the work.
- An incident report will be completed by the observing staff member, shared with the administration and filed with the Supervisor of HS Education.
- The parent/guardian will be notified by the teacher.
- Three day out-of-school-suspension.

Second Offense

- The student will receive a zero for the assignment, quiz, or test without the opportunity to make up the work.
- An incident report will be completed by the observing staff member and filed with the Supervisor of HS Education.
- The student will be removed from consideration for admittance to the National Honor Society for one year.
- A conference will be held by the Principal. The student, parent(s), School counselor, and the teacher will meet.
- The advisor of any activity in which the student is involved will be advised of the infraction.
- Five day out-of-school-suspension

Third Offense

- Same sanctions as stated in the first two offenses plus:
- Automatic failure in any course.
- The student will be removed from the National Honor Society if he/she has been a member.
- The Principal will recommend that the student be removed from leadership positions in activities or sports.
- A conference will be held by the Superintendent with any of the following allowed to attend: the student, the parent(s), School counselor, the teacher, the supervisor, or the Principal.
- Ten day out-of-school-suspension and referral to the Board of Education.

The student may appeal the findings of the Supervisor of HS Education to a committee composed of a supervisor and two classroom teachers from departments other than that in which the alleged infraction occurred.

CAFETERIA

Students' behavior in the cafeteria should be based on courtesy and cleanliness. This means leaving the area in the condition you would like to find it. Students will go through the cafeteria line and pay for their choice of food which is supplied by Chartwell, Inc. Students who choose to leave campus may return to the building using their Student ID swipe card through the Prospect St. Lobby, Main Street Parking Lot Entrance, the first door next to the auditorium, or the last door before the Mitchell gym.

CARE OF SCHOOL PROPERTY

Students are responsible for the proper care of all books, supplies, and furniture supplied by the school. Students who disfigure property, break windows, or do other damage to school property or equipment will be required to pay for the damage done or to replace or repair the item. The students may be subject to suspension or Lunch Detention. A formal complaint may be filed with the Ramsey Police Department and a Violence and Vandalism Report must be filed with the Board of Education.

CHANGE OF ADDRESS

It is imperative that the Principal's Office and the School Counseling Department be informed of any change of address or telephone number. Delays in communications from school officials may occur without the most recent listings. We also need written notification to accommodate duplicate mailings for parents residing in different locations.

DANCES

School dances are occasionally held throughout the school year. All students are encouraged to join with their friends at the "formal" and informal gatherings. Please note that any students wishing to attend must be present no later than one hour after the dance begins. Students who choose to leave the dance will not be permitted to return. As with any school sponsored activity, all the policies and procedures of the high school are applicable. Failure to abide by school policies may jeopardize a student's right to participate in future events.

DATING VIOLENCE AT SCHOOL (Policy #5519)

The Board of Education believes a safe and civil environment in school is necessary for children to learn. A pupil who is a victim of dating violence suffers academically and the pupil's safety at school is jeopardized. Acts or incidents of dating violence at school whether they are verbal, sexual, physical, or emotional will not be tolerated and will be dealt with in accordance with the school's pupil code of conduct.

All school staff members (administrative staff, instructional staff, support staff and volunteers) shall take all reasonable measures to prevent acts or incidents of dating violence at school involving a pupil. All acts or incidents of dating violence at school shall be reported to the Principal or designee in accordance with the provisions outlined in Regulation 5519.

The Principal shall implement discipline and remedial procedures to address acts or incidents of dating violence at school consistent with the school's pupil code of conduct. The policies and procedures specific to acts or incidents of dating violence at school shall be used to address the act or incident as well as serve as remediation, intervention, education and prevention of all individuals involved.

DETENTION

An assigned detention must be served during the lunch block unless otherwise informed. A student may be assigned classroom detention for violating a classroom rule. Saturday detentions will be assigned in the event of continuous violation of classroom rules and/or violating the attendance policy as it pertains to tardiness.

DIRECTORY INFORMATION

Student Directory information may be released to military recruiters. Parents may request in writing to the Principal that

their child's name be omitted from the Student Information Directory; adult students may make this request on their own behalf.

DRESS CODE

Please click the links below to view the policy and regulation:

[District Policy 5511- Dress and Grooming](#)

[District Regulation 5511 - Dress Code](#)

EARLY DISMISSAL

A student is permitted to be dismissed from school with a parent email with the following constraints:

- Emails can be sent days in advance, but must be sent to RHSattendance@ramsey.k12.nj.us by 8:15 am at the latest on the day of the early dismissal
- Parents of students in Gr. 9 and 10 are required to come into the building to sign out their child; 11th and 12th graders may scan themselves out (provided their parent has emailed attendance).
- Phone calls are not considered sufficient, an email must be sent
- Students must be dismissed from school in between classes or during lunch to minimize the disruption to instructional time
 - 8:56 am - 9:00 am
 - 9:56 am - 10:00 am
 - 11:00 am - 12:00 pm
 - 1:00 pm - 1:04 pm
 - 2:00 pm - 2:04 pm
- The latest a student can be dismissed from school is 2:04 pm
- The 18 year old sign out Google Form must be completed in the Main Office prior to 8:00 am

Students are not permitted to leave the school grounds at any time during the school day without permission from the school office. If a student must leave the building because of any emergency, please report to the office for permission which may only be granted by an administrator upon confirmation from a parent or guardian. Failure to follow the proper procedure will be considered an unexcused absence and/or class cut.

EDUCATIONAL TRIPS

Field trips for classes, clubs and other organizations are recognized as educationally valuable experiences to enrich regularly planned classroom or group activities. The same regulations that apply to students when they are on the school premises apply to students when they are on trips and representing our school. **Parental permission slips are required from all students planning to participate.** Classwork missed as a result of the educational trip or participation in a school activity must be completed and submitted in accordance with the provisions of the make-up policy. In the event of excessive absences and/or tardiness, student participation in educational trips may be restricted.

FIELD TRIP GUIDANCE REGARDING ATTENDANCE

A student's absence will be excused for the student's attendance and participation in field trips and/or co-curricular activities for up to five absences per school year. For purposes of this policy, "co-curricular activities"; shall be those activities that are sponsored or approved by the Board but are not offered for credit toward graduation. Such activities shall generally be conducted outside the regular school day, available to pupils who voluntarily elect to participate, marked by pupil participation in the processes of initiation, planning, organizing and execution shall be related to the district's curricula, and shall ordinarily include, but not be limited to band, clubs, dramatic or musical presentations, and intramural and interscholastic sports.

The Principal and/or designee may excuse additional absences for a student's attendance and participation in school-sponsored events on a case by case basis provided the student submits a written request to the Principal in advance of any such anticipated absence beyond ten school days. If a student violates this Field Trip Attendance policy, they may schedule an appointment with the Principal or his designee to appeal the violation and request more days

available for future field trips.

EIGHTEEN YEAR OLD STATUS

Requests by 18 year old students to sign out of school must be submitted to Attendance no later than 8:00am on the day they are requesting to leave early.

Every person 18 years of age is an adult (Chapter 81, N.J. State Laws, effective January 1, 1973), but regardless of age students in the public school shall comply with all established rules of the school (Title 18A, N.J. Statutes).

1. As far as school goes, therefore, special privileges are not given to 18 year olds, but all school regulations apply equally to them.

All 18 year old sign outs must be submitted before 8:00 am. Significantly, once a student reports to school, he or she is expected to be present in all classes for the remainder of the school day. If a student is planning on signing themselves out, they must visit the Attendance Desk in the Main Office to submit a 18 year old sign out form. Any subsequent period(s) missed without proper submission of an 18 year old sign out form will be considered a class cut subject to discipline unless due to illness and has been excused by the School Nurse. **No 18 year old sign outs will be honored after 8:00 am.**

2. They may represent themselves upon certain occasions such as reinstatement to school following suspension or withdrawal from school; be responsible for their actions while in school; sign their own permission slips or absentee cards; inspect their permanent records. NOTE: (Eighteen year olds may be requested to have their parents or guardians sign or cosign absentee cards and excuse notes to verify equivocal information. The law still allows a school to contact parents, regardless of age.)
3. Parents will continue to be sent all school communications as are sent to other parents (such as attendance reports, senior failures, scholarship information, etc.)
4. Parents or those designated by the parent on the emergency card will be notified by the nurse in the event of injury or illness even if the student is eighteen.

EXAMINATIONS AND TESTS

Teachers are permitted to give tests and examinations in their classes subject to the policies of their department. Students are encouraged to ask about their policies and grading practices of the teacher and department at the beginning of classes in September. All students will receive a listing of student proficiencies as mandated by the State's graduation requirements during the first days of classes.

At the end of the year, final examinations are administered in Mathematics and Science courses, unless otherwise approved by the Principal. These examinations cover the work of the entire year and count 1/5 of the final average. Final exams of the first semester course are to be given during the last week of the first semester. Examinations will be two hours long. A specific schedule will be implemented. Students failing to take a final exam when one is scheduled will be deemed not to have completed the course and will fail. This applies to all students without exempt status.

EXTRA HELP

Teachers from each discipline will be available for 20 minutes after the dismissal between Monday and Friday to give extra help to students who request additional instruction. Students are urged to take advantage of this opportunity. Many times a few minutes spent in this manner can prevent major problems from developing. Often a teacher will make a suggestion or request the student to come for extra help. Ultimately, however, it is the student's responsibility to make the arrangements. The National Honor Society provides a student tutoring service during the school year. Consult your School Counselor for assistance in finding an Honor Society tutor.

FINE PROCEDURE

At the end of each semester, staff members (teachers, coaches, media specialist, trainer, clerical staff) submit fines for various items.

Example:

1. Lost textbook – replacement cost determined by Supervisor

- (book number indicated on fine card)
2. Damaged textbook – cost determined by Supervisor
 3. Missing locks - \$6.50
 4. Lunch money – Main Office may loan students \$5.00
 5. Elevator key - \$4.00
 6. Library fee for lost book – determined by Media Specialist
 7. Uniforms/Equipment – determined by the Department Supervisor
 8. Chromebooks – Grades 9 – 12
 - Chromebook Replacement - \$292.40
 - Dell Power Adapter 65-Watt Type C w/ 1M Power Cord - \$44.00
 - Chromebook Platinum Insurance- \$25.00
 - Stickers on Chromebook - \$25.00
 - 9.. Student ID card \$20.00 (Photo - \$10.00/Swipe Card \$10.00)

Fine Procedure:

- The information is entered into RealTime.
- Parents may view outstanding fine(s) by clicking “Fines” located on the left side of the Parent Portal.
- Once the fine is resolved, receipts are given.
- At the end of each Marking Period, access will be denied to the Parent Portal if there are outstanding fines. Students will be notified of outstanding fines via their RHS email account.
- Fines are carried over from year to year.
- Caps and gowns and diplomas are held for all seniors until fines are resolved.

In the beginning of the year, After 30 Days Notices will be given to students and parent letters will be mailed home for existing fines.

Parents may purchase replacement textbooks before the last day of school by following the guidelines listed below:

1. The book that is purchased by the student must be in comparable or better condition than the book that was issued to the student. The replacement text must be the EXACT same book (edition, cover type, ISBN, etc.)
2. The student must include a copy of the receipt in the front cover of the replacement book so we can identify the replacement and follow the procedure to correctly add it to our inventory.
3. No report card or other pertinent information will be issued until the textbook replacement is submitted and reviewed by the teacher who taught the course.

This procedure can only be implemented prior to the end of the school year. No replacement texts can be submitted in the summer.

FIRE/SECURITY DRILLS

Security (non-fire evacuation, bomb threat, lockdown, etc.) and Fire drills are required by law to be conducted at regular intervals throughout the school year. These are important safety precautions. It is essential that when the first signal is given, everyone obeys orders promptly and follows the instructions given by their classroom teacher. Students will be given training throughout the school year. Also, a K9 unit may be invited to inspect the building to maintain safety and welfare of all students

FUNDRAISING

Requests for approval of fundraising activities must be submitted in writing to the club advisor, coach, Athletic Director, and/or Principal no later than 30 working days prior to the scheduled beginning of the activity.

HARASSMENT, INTIMIDATION, AND BULLYING

The Ramsey Board of Education expects pupils to treat each other with civility and respect and will not tolerate acts of harassment, intimidation, or bullying. “Harassment, intimidation, or bullying” means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a

series of incidents that is reasonably perceived as being motivated either by an actual or perceived characteristic, such as:

- Race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability or by any other distinguishing characteristic; **and that**
- Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, that substantially disrupts or interferes with the orderly operation of the school or the rights of other students; **and that**
- A reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to his person or damage to his property; **or**
- Has the effect of insulting or demeaning any student or group of students; **or**
- Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student. (N.J.S.A. 18A:37-14)

"Electronic communication" means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or pager.

School Climate/Safety Team

The Ramsey School District has established Climate/Safety Teams in every school whose mission is to address reports of harassment, intimidation, and bullying, as well as to educate the community so as to create a safe learning environment for all. The Climate/Safety Team is composed of various school personnel who will be responsible for reviewing and strengthening school policies regarding harassment, intimidation, and bullying along with identifying and addressing any patterns of bullying that are present.

At Ramsey High School, our Building Climate Specialist is Mrs. Sunni Roberts, Student Assistance Counselor, who can be contacted via telephone at 201-785-2300 ext. 21628 or email at sroberts@ramsey.k12.nj.us regarding any concerns.

Reporting and Procedures

Teachers/staff members **must** report any knowledge of the following behaviors to the Anti-Bullying Specialist, Supervisor of HS Education, Principal, or School Counselor on the same day when an individual witnessed or received reliable information regarding any such event:

- Physical aggression or contact to a pupil
- Teasing or name-calling
- Insulting or demeaning comments
- Threatening comments, gestures, or physical acts
- Intimidating conduct toward another pupil
- Spreading harmful rumors or gossip about a pupil
- Harassment, intimidation, or bullying through electronic communications
- Getting another person to harm a pupil
- Destruction of property
- Stalking another pupil
- Publicly humiliating a pupil
- Stealing or theft
- Defacing/destroying property
- Excluding or rejecting a pupil
- Extorting or exploiting a pupil

Once an incident has been reported, an investigation into the situation will be initiated within one school day of the report. A report of the incident will be completed within two days of the notification, and at the conclusion of the investigation, results will be provided to the district superintendent. Parents of the alleged bully and target will be notified about the investigation and findings within five (5) school days after investigation results. For further information on any harassment, intimidation, or bullying please visit the school website.

Anti-Bullying Programs and Character Education

A comprehensive anti-bullying and character education programs are an integral part of the high school curriculum. Throughout the school year, various programs and assemblies are conducted to inform students of behavioral expectations to establish a culture of respect and tolerance.

HAZING

Hazing of any student on or off school property is prohibited whether conducted by school or non-school organizations. No initiations may be held outside of school organizations' regular meetings. Any initiations which involve the slightest element of physical danger or poor taste are not permitted. Students guilty of hazing will be assigned Saturday detentions, suspended from school, or denied privileges including participation in graduation.

HEALTH SERVICES

If a student becomes ill in school, the student should ask his/her teacher for a pass to report to the Health Office. If the nurse is not available, students should report to the Main Office. Teachers should also report all injuries or accidents at once to the Health Office. Students sustaining injuries should also report to the Health Office for treatment. A parent is always contacted before releasing an ill or injured student from the Health Office. Any student leaving the building because of illness without the nurse's certification or official permission from the administration will have the absence recorded as unexcused.

If medications are prescribed during school hours, the student must report to the Health Office. The medication ruling must be followed.

Parents of students who visit the Health Clinic frequently may be asked to provide medical verification of the need for such frequent visits. If a student visits the health office 3 times or more in a week, a call will be made home to explore a student's health status.

Accidents and Insurance:

The school is responsible only for immediate first aid. The Board of Education does not pay any medical or hospital bill incurred as a result of an accident to the pupil at school. The parent or guardian is responsible for the payment of such bills. We urge you to avail yourself of the protection afforded through school insurance. You will be given information regarding various insurance plans during the first week of school.

In the case of an accident, no matter how minor, the student should report the accident to the nurse immediately. In the case of a severe accident or acute illness, emergency care will be given by the school nurse or local emergency personnel and the parents will be notified.

Defibrillators:

Seven (7) Medtronic Lifepak Defibrillators have been installed in the high school. One is located outside the Main Office, one is in the lobby hallway of the Murray Gym, one is on the 2nd floor near the Math Office, one is on the 3rd floor in the center of the hallway outside Room 304, one is mounted on the press box on the rear athletic field, one is mounted by the front door of the front field, and the nurse has a portable unit. Each storage box contains a Warning Alarm System and instructions for use.

Emergency Information:

Parents are responsible to update their contact information (phone, email, emergency contacts) directly through the Parent Education Portal. This information is essential in maintaining the health and safety of our students and must be kept up-to-date.

1. From the Portal homepage, click the link "View/Update Contacts."
2. Each contact needs to be updated individually if changes are necessary.
3. Review information and update information as necessary by choosing "Update a Phone/Email" for each contact that needs to be revised.
4. Click "Submit" after updating each contact.
5. Please list three (3) emergency contacts.

It will take a few days for the District to review and process your changes so the new information will not be immediately viewable.

Insurance:

If a student is injured while on school property, accident claims must first be submitted to your personal health insurance company. If there are unreimbursed costs, you may download a Bollinger Insurance form from the District website www.ramsey.k12.nj.us. Click SERVICES in the blue banner, then click Health Services. Scroll down the page to Student

Insurance and click "Insurance Info and Claim Forms" for the link to the Bollinger Insurance form.

Additional student insurance is available at a nominal cost and is optional. When a student insured under the Bollinger plan is injured, you must download the form as stated above, complete it, and present it to the doctor or hospital. The school merely acts as a medium in supplying the insurance and assumes no liability either for the injury or the subsequent negotiations with the company.

Medical Transportation:

It is the responsibility of the parents to provide transportation and further care of the student if the student becomes ill or injured on school property. No student under the age of 18 may be sent home without parental approval.

Permission to Take Prescription Drugs:

A student who is taking medication under a physician's direction during school hours is to present a note from the physician, show the prescription label affixed to the container, and written permission from the parent. No medication (this includes all "over the counter" medications) may be taken by a student within a school or on school grounds except in the presence of a school nurse. It is the responsibility of a teacher or staff member who sees a student taking medication to report it to the nurse. Parents will be notified of failure by the student to abide by the above rules.

Tuberculin Testing:

All students entering or transferring into a New Jersey school from another country with a high T.B. incidence and no evidence of previous testing needs to have a mantoux test. This can be done by the school nurse with written permission by the parent. All students transferring between school districts within N.J. and from school districts within the U.S. will be exempt from testing regardless of country of birth. New employees in which TB testing is required may also be tested by the school nurse in the Health Office.

HIGH SCHOOL PROMOTION

The Board of Education has adopted the following regulations for a high school promotion. To officially become a sophomore, a student must successfully complete and pass twenty-five (25) credits during the freshman year. To be a junior, a student must successfully complete and pass fifty (50) credits of freshman and sophomore work. To be a senior, a student must complete and pass eighty (80) credits during the freshman, sophomore, and junior years.

In sequential courses, for instance English, I, II, III, IV, a student must successfully complete the prerequisite level before he or she may enter the next level. Exceptions for just cause may only be made by the building principal and/or Superintendent of Schools.

To be a graduate a student must complete and pass a minimum total of one hundred twenty (120) credits during the freshman, sophomore, junior, and senior years. In addition, the student must pass the stNJGPA , unless specifically exempted.

Students excused from Physical Education must take other credits to make up the total of one hundred twenty (120) credits.

All one year subjects carry five (5) credits or more. Semester courses carry two and one-half (2 1/2) credits.

HOMEBOUND INSTRUCTION

Any student who is ill and expects to be absent for two weeks or more is entitled to receive homebound instruction. A student's parent or guardian should call the School Counseling Office, to request such instruction. A physician's note stating the reason for absence and anticipated return date to school is required prior to homebound instruction. A certified teacher will visit your home as soon as the necessary arrangements can be made with the parents and teachers.

HOMEWORK

Effective classroom participation and learning by students are results of motivation and interest in the subject. One method of assisting in these is the assignment of homework. Considered an integral part of our educational program, it contributes to learning when activities and assignments are well-planned and given with a valid educational objective in mind. The purpose of homework is to help students assume greater responsibility, offer opportunities for self-direction, improve student understanding of the subject matter, and reinforce basic skills. It may take many forms, including individual or group exercises, readings, observations, projects, studying and creative endeavors.

All learning cannot be accomplished within the limited amount of time allotted for classroom instruction. Therefore, homework is routinely assigned. As the word implies, homework should be completed outside the regular class period. The extent to which homework assignments are made should reflect the teacher's knowledge of his/her class and the teacher's judgment as to the appropriateness of content and frequency of assignments. Some assignments are long range in nature and require planned study time for their completion. Other assignments are of a shorter duration. Each staff member is expected to assign home study assignments regularly. If there are questions regarding the nature, amount, or grading of homework, please contact the teacher.

Please note: we have designated several weekends throughout the year as Homework Free Weekends. We encourage students to use this time to spend time with family members, recharge, and revitalize their commitment to learning. This year the weekends are:

9-16-23 → 9-17-23 | 11-12-23 → 11-13-23 | 12-9-23 → 12-10-23 | 2-10-24 → 2-11-24
 3-30-24 → 3-21-24 | 5-25-24 → 5-26-24

Study Habits:

Good study habits are essential for success - today and in the future. Start planning for your future success now.

1. Choose a location where you will not be distracted.
2. Set a specific time period - EACH DAY - for daily preparation
3. Periodically take short breaks and then return to full concentration
4. List your daily assignments in a small notebook. As you complete each assignment, check it off your list.

HONOR ROLL

The Honor Roll at Ramsey High School recognizes students who have performed well academically in a given marking period. Criteria for listing are:

- High Honor Roll: All A's (A+, A, A-) and not more than one B (B+, B, B-).
- Honor Roll: All A's (A+, A, A-) and B's (B+, B, B-) and not more than one C (C+, C, C-).

Additionally, all students must be scheduled for and receive a passing letter grade in coursework that would lead to a minimum of 35 credits for the year.

Courses for the Honor Roll are not weighted but rather will be based upon achievement. Health grades are included and physical education grades excluded from the calculation. Incomplete ("I") and Passing ("P") marking period grades will not be counted toward the minimum of 35 credits required to qualify for the Honor Roll. **Students taking a course using the pass/fail option will receive regular marking period grades and these grades will be included in the calculation for the Honor Roll.**

The following are the expectations of Teachers for Schoology use for the 2023-2024 school year.

GENERAL USE

Schoology is the only Learning Management System to be used with students district-wide

USE OF SCHOOLGY TO SUPPORT INSTRUCTION

<input type="checkbox"/> Organized <i>Materials</i> (Google Slides, Docs, Links, Guides)	<input type="checkbox"/> <i>Assignments</i> (i.e. homework, assessments, projects) posted with <u>due date</u> (feeds to calendar)
<input type="checkbox"/> Course <i>calendar</i> is updated	<input type="checkbox"/> Post <i>Updates</i> to students as group via Schoology

LEARNING COMMONS

When a teacher is absent, the classroom teacher will notify their students via Schoology that they must report to the Learning Commons in the Cafeteria (or other designated location) to complete assignments and learning exercises that will be posted in Schoology. Students in Gr. 9 and 10 must report to the Learning Commons when assigned; students in Gr. 11 and Gr. 12 may have open campus privileges during Learning Commons assignments with parental consent. As students enter the Learning Commons, they must check in electronically on a device that records each student's period attendance. After checking in electronically to the Learning Commons, students must complete the assigned work as provided by the absent teacher on Schoology. Students are expected to be on their best behavior and work collaboratively with one another in a positive learning environment.

*Teachers have been assigned to supervise the attendance procedures and behavior of students in the Learning Commons every single period of the day.

*Students who do not report to the Learning Commons or do not check in electronically will be assigned a class cut and disciplinary action will be taken.

LIBRARY MEDIA CENTER

The mission of the Ramsey High School Library Media Center is to ensure that students and staff are effective users of ideas and information and to encourage leisure use of worthwhile materials. The Library Media program is fully integrated into the school's curriculum and supports the educational goals and objectives of Ramsey High School. The facility serves as a learning center where students and faculty may come to work independently or as a class.

Students and faculty have access to books, periodicals, newspapers, video materials, audiobooks, and ebooks, as well as many computers for research and class work. Reference books, reserve books, and audio-visual materials may be borrowed. Fines are charged for overdue materials. General circulating books are loaned for a period of three weeks.

The library media specialist provides reference, instructional and consultative services in all areas of library media services. Students are encouraged to use the facility for reference and research work. Learning to use the library and observing its rules helps to develop good citizenship. Only those students who have library work (research, periodical use, class work or recreational reading, etc.) can report to the library during study periods. They are to sign the appropriate study hall list; those lists in turn will be forwarded to the study hall teacher for attendance verification.

The Library Media Center is accessible to students, parents and faculty members 24 hours each day via the Media Center's website.

LOCKERS

Each student is assigned a locker for the storage of books, outerwear, and sports equipment and is given a combination lock to secure all. **The school administration urges you not to bring large amounts of money, jewelry or expensive equipment to school and leave them in your lockers.** Arrangements can be made in the General Office on special occasions to store such items in the school safe during the day.

Each student is also assigned a locker in the gymnasium locker room for the storage of clothing and sports equipment. Again, **STUDENTS ARE STRONGLY URGED NOT TO STORE LARGE AMOUNTS OF MONEY OR VALUABLES IN THE LOCKERS.** Additionally, all are urged to use their own personal lock during the class period. **Locked lockers will reduce thefts.**

Lockers are school property and are loaned to the student. They should not be marked or defaced in any way. Periodic locker inspections will be made by the high school administration. School locks will be collected on the last day of classes. All books, notebooks and valuables must be removed on that day.

The school cannot accept responsibility for any items left in student or gym lockers, or in the hallways, classrooms or cafeteria.

The Ramsey Board of Education does not insure against the loss of or damage to personal property, including musical instruments, athletic equipment, etc. If you desire to obtain insurance coverage, one option is to add a rider to your homeowner's insurance policy.

LOITERING

Students should leave the building as soon after classes or participation in co- or extracurricular activities are finished. Students who are in the building on weekends, during evenings, or during the days of vacations or holidays should also leave the building immediately after concluding participation.

Students are never to be in an area of the building that is unsupervised.

LOST AND FOUND

If you believe that you have lost something, you should first check all the classrooms you were in that day. Often the missing item will be found. Lost and Found cubbies are located in the foyer of the General Office.

NATIONAL HONOR SOCIETY

The Ramsey High School chapter of the National Honor Society is in agreement with the Society's National Constitution regarding the selection and dismissal of its members. National Honor Society Membership is an honor which shall be based upon pillars of scholarship, service, leadership, and character. Once selected, members have the responsibility to continue to uphold these pillars.

Selection of members of this chapter of the National Honor Society shall be by majority vote of the Faculty Council, consisting of five Principal-appointed faculty members.

The following is an overview of the Chapter By-laws and Constitution in those areas.

The selection process follows the procedure as described in the NHS Constitution that can be found online at www.nhs.us.

I. Eligibility of Members

1. Candidates must be a member of the junior or senior class. All candidates must have been in attendance at the school for the equivalent of one year.
2. To be academically eligible, candidates must meet a minimum cumulative scholastic weighted grade point average (G.P.A.) of 4.0 after the fourth semester of academic preparation.
*This standard is subject to change to an unweighted grade point average and/or a different scaled average beginning with the Class of 2027. Changes will be reflected in the handbook at that time.
 - a. Students academically eligible at the end of their fourth semester will be invited to apply beginning in July with applications due in September of their junior year.
 - b. Students who become academically eligible at the conclusion of their sixth semester will be invited to complete the application process beginning in July, with applications due September 1st of their senior year. If deemed eligible, a notation of membership in the National Honor Society will be placed on their transcript for their senior year.
3. Any student who has been suspended from school for any reason may forfeit his/her first chance for induction into NHS. A request may be made for a review of the reasons for suspension with the faculty council. The council will then determine the candidate's eligibility.
4. Any student who is not admitted during their junior year is invited to reapply their senior year assuming all academic and behavioral requirements continue to be met.

5. An induction ceremony for accepted members will be held in the fall of each year. Formal acceptance letters and invitations will be sent prior to the induction.
6. Applications, in conjunction with attendance and behavioral records, will be considered.
7. In addition to academic requirements, candidates will be evaluated on the basis of SERVICE, LEADERSHIP and CHARACTER. An essay and application related to the above categories will be considered. The application requirements are as follows:

SERVICE:

Service includes contributions made to both the school and the outside community which are done with, or on behalf of others, without any direct financial or material compensation to the individual performing the service.

Service criteria:

- Beginning with the Class of 2026, a minimum of 10 community service hours will be required to apply for membership
- Beginning with the Class of 2027, a minimum of 10 community service hours YEARLY will be required to apply
- Service requirements are to be completed through an organization and are to be unpaid (examples include Scouts, church groups, services for the aged)
- Volunteers are dependable and well organized, and enthusiastically take on responsibilities
- Hours accrued as part of job training will not count toward community service hours
- All service hours accrued will begin with admission into the freshman class

LEADERSHIP:

Candidates must demonstrate leadership ability in school or the community. One may demonstrate leadership as team captain, team manager, Student Council or class officer, yearbook editor, drum major, or by displaying qualities that show such potential. A faculty/advisor/coach signature is required to validate the application.

Leadership criteria:

- Successfully holds school offices or positions of responsibility; conducts business effectively and efficiently; demonstrates reliability and dependability.
- Is a leader in the classroom, at work, or in other school or community activities
- Demonstrates initiative in promoting school activities
- Contributes ideas that improve the civic life of the school
- Exercises positive influence on peers in upholding school ideals and spirit
- Resourceful in proposing new problems, applying principles, and making suggestions
- Dependable in any responsibility accepted

CHARACTER:

Candidates must demonstrate character. This includes an outstanding record of conduct and behavior with regard to school and community policies. Two faculty signatures are required as a validation of good character. Students will be evaluated by faculty members on a 4 point scale during the selection process.

Character criteria:

- Demonstrates the highest standards of honesty, academic integrity, and reliability
- Consistently exemplifies positive and desirable qualities of behavior
- Complies with all school policies, regulations and codes of student conduct
- Regularly exhibits courtesy, concern, and respect for others
- Displays personal responsibility in regard to rules and instructions

- Takes criticism willingly and accepts recommendations graciously

Additional character resources are found at www.nhs.us.

II. Selection of Members

Any candidate who meets the membership requirements of the constitution may engage in a selection process. Candidates must have attended the school for the equivalent of one semester. Candidates selected for membership become active members upon official notification by letter. Formal induction will take place in an appropriate ceremony each fall.

The selection process involves the following steps:

1. The Director of School Counseling provides a list of eligible students who have achieved a cumulative, weighted GPA of 4.0 or better. The National Honor Society advisor(s) sends these candidates a letter in early July inviting them to participate in the membership selection process.
 - a. *This standard is subject to change to an unweighted grade point average and/or a different scaled average beginning with the class of 2027. Changes will be reflected in the handbook at that time.
2. Candidates are asked to submit a completed application with valid signatures, and an essay by a date specified in the application. Attention to personal responsibility is a reflection of a student's character, a quality important to membership selection. *Late forms and essays are not accepted.*
3. Upon collecting activity information sheets and essays, the advisor(s) sends a list of candidates to the Principal, Assistant Principal, and/or Dean of Students as a final check for good citizenship and academic integrity.
4. Each faculty member will receive a list of eligible candidates and will evaluate the candidates he/she has taught, coached, or advised in the areas of leadership and character. The following rating scale will be used to evaluate candidates:
 - 4 = Excellent (Top 10%)
 - 3 = Above Average
 - 2 = Below Average
 - 1 = Not recommended
 - Blank = Not qualified to rank. No comment.
5. The applications will be reviewed by the Faculty Council and decisions will be rendered in early October.

III. Dismissal

1. Members who fall below the standards which were the basis for their selection shall be promptly warned in writing by the chapter advisor(s) and given a reasonable amount of time to correct the deficiency, except that in the case of flagrant violation of school rules or civic laws a member does not necessarily have to be warned.
2. Members sign a participation and behavior contract to commit to the ideals and standards of the RHS National Honor Society. Violation of the contract is grounds for dismissal.
3. The faculty council shall determine when an individual has exceeded a reasonable number of warnings.
4. In all cases of impending dismissal, a member shall have a right to a hearing before the faculty council.
5. A member who has been dismissed may appeal the decision of the faculty council under the same rules for disciplinary appeals in the school district.

IV. Faculty Council:

The National Honor Society Advisor(s) is responsible for reviewing the evaluations for each candidate evaluated by the faculty. The Faculty Council will review all candidates to determine National Honor Society selections. The Faculty

Council will consist of five voting faculty members appointed by the Principal. The Faculty Council selects students who demonstrate outstanding performance in all four criteria of scholarship, leadership, service and character by a majority vote. Once the Faculty Council has selected the new members, inductees are sent letters of welcome which include a contract in which the inductee promises to abide by the rules of the National Honor Society Constitution. These contracts are due on the date specified; lateness can result in withdrawal of membership.

The Faculty Council reserves the right to withhold membership from those who do not fulfill all areas of the membership selection process, including but not limited to timeliness of application.

PARENT/STUDENT CONCERN PROCEDURES

The teachers and administrators are always ready to assist students and parents with any problems or questions. Students should be actively seeking to resolve any questions they have, and parents are encouraged to contact the school with their concerns.

As a general rule, if the concern relates to academic progress, students should first talk to their teacher and school counselor about the concern. If the problem is not resolved, they should contact the department supervisor of instruction. Once this has taken place, parents are encouraged to use the same procedure. Unresolved matters should then be referred to a building administrator. If the issue is still unresolved after meeting with the principal or Supervisor of HS Education, it should be brought to the Superintendent of Schools.

If your concern relates to school procedures and policies or discipline related matters, please telephone a building administrator (Dr. Thumm or Mr. Biggan).

PARKING

Students are not permitted to bring cars on campus. Those students who drive are to park in the Borough parking lot off Island Avenue. No student is to enter or move a parked car on the Street or in the Borough parking lot during school hours, except for lunch, without official permission from the administration. Violation of this rule will result in an assignment to a lunch detention on the first offense.

Students enrolled in Auto Shop classes must receive permission from the Principal or their designee to park in the designated area near the Auto Shop when their car is to be serviced.

PEER MEDIATION

The Peer Mediation program is an alternative way to resolve disputes between two students. It is open to all students upon request, is strictly confidential (except for life and death situations) and is very effective. Several selected high school students are trained as Peer Mediators in conflict resolution and mediation skills. Two Peer Mediators work with the disputants, listen to both sides, help both students to see the issues, and encourage both to come up with solutions.

REST ROOMS

You may use the restrooms before and after school, between class periods, and at the beginning or end of the lunch period. Students must ask permission to leave a classroom to use the restroom. Students must use their individual Identification Cards to swipe into the bathrooms. Students are not permitted to use someone else's Identification Card. Students are expected to keep the bathrooms clean. Do not loiter, smoke, or vape there, write on the walls or damage the facilities in any way. If you are feeling ill, report to the nurse's office; do not remain in the restroom for an extended period of time.

JUNIOR and SENIOR PRIVILEGE

Juniors and Seniors who have a study hall in their class schedule will be granted Junior or Senior Privilege. As a result, Juniors and Seniors who have a study hall are allowed to leave the school ONLY during their designated study hall period (no matter what time slot study hall falls). Junior and Seniors who have Junior or Senior Privilege must make a choice - either to be in Study Hall or leave the building (Junior or Senior Privilege does not give the student the ability to wander the halls).

- Juniors and Seniors are allowed to come in late during the first time slot, have a wraparound lunch, leave early at the end of the day, AND leave during the middle time slots of the morning and afternoon. Juniors and Seniors DO NOT need to check in with the study hall teachers.
- Juniors and Seniors only need to check in with attendance if they arrive at school late in the morning.
- *Study hall teachers will not see seniors who currently have "Senior Privilege" or "Junior Privilege" on their attendance rosters in Real Time.
- Only Juniors or Seniors who have lost Junior or Senior Privilege will appear in Real Time for attendance purposes.
- *A Junior or Senior may lose senior privilege if they fail one of their courses for the marking period.
- Juniors or Seniors who have an AM Junior or Senior Privilege and arrive to school late **MUST** report to the Attendance Office to sign in to school in order to be recorded as present for the school day.
- When a teacher is absent, students are required to report to the Cafeteria to check in for attendance and complete the assignments asynchronously.
- Junior or senior privilege **MAY** apply to a student assignment to the Learning Commons.
 - Junior or Senior Privilege **during Learning Commons** requires parental permission.
 - If a student leaves during a Learning Commons period without parental permission, this will be a violation of our Code of Conduct's definition of Cutting Class and disciplinary action will be taken.

IF A JUNIOR OR A SENIOR VIOLATES HIS/HER STUDY HALL PRIVILEGE, FOR REASONS WITHIN THE BUILDING, HE/SHE MAY BE SUBJECT TO REVOCATION OF HIS/HER JUNIOR OR SENIOR PRIVILEGE.

- 1st offense - warning by study hall teacher and temporary loss of privilege.
- 2nd offense - warning by Supervisor of Education 9-12 & Student Welfare, suspension of privilege for the remainder of the marking period, detention.
- 3rd offense – suspension of privilege for the remainder of the school year and detention.

Please note: If a class is moved to where a Study Hall is located, Senior Privilege does not apply for that class meeting time and the students must remain in that location for the duration of the time slot.

SMOKING / E-CIGARETTES

Please click the links below to view the policy on cigarette and e-cigarette usage on school grounds.

[District Policy 5533 - Pupil Smoking \(M\)](#)

[District Regulation 5533 - Pupil Smoking](#)

SORORITIES AND FRATERNITIES

Sororities and fraternities, in which present members control the selection of new members to the group, are illegal. Under New Jersey law, membership in a secret society is punishable by expulsion from school.

STUDENT ASSISTANCE PROGRAM

The Student Assistance Program is an intervention program set up within our school. Its purpose is to intervene as early as possible in situations where student problems have been recognized. If the difficulty is drug and/or alcohol related, specially trained members of the staff will take appropriate action to assist the student and his/her family. It is a "helping" mechanism to work in conjunction with the school's disciplinary code. The Student Assistance Coordinator and members of the Core Team also provide faculty in-service, student support groups, and an opportunity for parent involvement.

For additional information about our Student Assistance Program, or alcohol or chemical abuse issues contact:

Mrs. Sunni Roberts, Student Assistance Coordinator
201-785-2300 Ext. 21628

STUDENT DISCRIMINATION GRIEVANCE COMMITTEE

The Ramsey Board of Education has adopted a procedure for the resolution of student and parent complaints. It appears in its entirety later in the Handbook. The procedure is designed to deal with any student/parent grievance pertaining to issues of race, creed, color, sex, religion, ancestry, national origin, or social or economic status on the part of the faculty, administration, or any policies of Ramsey High School.

STUDENT ENTRANCE

Students may enter the building through the Prospect St Entrance, the Main Street Lot Entrance, or the Main Entrance facing Island Road. Students must bring their Student ID and be scanned in for attendance purposes. Late students must enter through the Main Entrance facing Island Road.

STUDENT RECORDS

A cumulative record is maintained for each pupil from his entrance into school through the twelfth grade. Such records pertaining to the individual pupil are used for the benefit, promotion, and welfare of the student. The complete Board of Education Policy (#5125) can be found on the District webpage under Policies and Regulations.

STUDY HALL RULES

Students not assigned to a class will be assigned to a supervised study hall. Freshman, sophomore, and juniors* and seniors* without Junior or Senior Privilege are expected to remain in either a class or study hall until 3:00 pm. The number of students assigned to a study hall during any one period will determine its location, i.e., classroom, lecture hall, or cafeteria. Expectations for student behavior will be explained at the beginning of the year.

Generally, every student is expected to maintain an attitude favorable for study while in the study hall. Students wishing to report to the library should report there directly before the tardy bell. Students taking make-up tests should report directly to the teacher. A return pass to the study hall teacher will be issued.

*Junior and Senior Privilege

Students with Junior or Senior Privilege DO NOT need to check in with the study hall teachers. **JUNIOR/SENIOR PRIVILEGE IS SUBJECT TO REVOCATION AS A CONSEQUENCE FOR ANY CODE OF CONDUCT VIOLATION.**

SUBSTANCE ABUSE

[District Policy 5530 \(M\) Substance Abuse](#)

[District Regulation 5530 \(M\) Substance Abuse](#)

TELEPHONES

Messages and deliveries from home should be left in the shelving unit in the Main Office vestibule. School representatives will make every effort to deliver telephone messages to students. Students should plan to ask a school representative in the Main Office on days they expect messages. Students will be called out of class to receive messages ONLY IN EMERGENCIES. Office telephones are reserved for business purposes.

Cell Phones

The Ramsey Board of Education recognizes the purpose that cellular phones may serve regarding the safety and well-being of students. It is, therefore, the policy of the Ramsey Board of Education that students are allowed to bring a cellular phone to school with restrictions. Unfortunately, the cell phone devices (with the paired headphones, earbuds, airpods, etc.) used on a daily basis by High School students have become a negative influence on the school climate, the students' ability to focus, students losing the devices or accessories to the devices, and for classroom activities to take place without disruption. Critically, research has shown *"the arrival of the smartphone has radically changed every aspect of teenagers' lives, from the nature of their social interactions to their mental health. Sadly, rates of teen depression and suicide have skyrocketed since 2011, and there is compelling evidence that the devices we've placed in young people's hands are having profound effects on their lives—and making them seriously unhappy:*

- *Teens who spend more time than average on screen activities are more likely to be unhappy, and those who spend more time than average on non screen activities are more likely to be happy.*

- *Teens who visit social-networking sites every day but see their friends in person less frequently are the most likely to agree with the statement “A lot of times I feel lonely,” “I often feel left out of things,” and “I often wish I had more good friends.” Teens’ feelings of loneliness spiked in 2013 and remained high since.*
- *The more time teens spend looking at screens, the more likely they are to report symptoms of depression. Since 2007, the homicide rate among teens has declined, but the suicide rate has increased.*
- *The number of teens who feel left out has reached all-time highs across age groups. Like the increase in loneliness, the upswing in feeling left out has been swift and significant.*
- *Fifty-seven percent more teens were sleep deprived in 2015 than in 1991. In just the four years from 2012 to 2015, 22 percent more teens failed to get seven hours of sleep.” (Twenge)*

Astonishingly, not only do our phones shape our thoughts in deep and complicated ways, but the effects persist even when we aren’t using the devices. As the brain grows dependent on technology, the research suggests, the intellect weakens. Now that our phones have made it so easy to gather information online, our brains are likely offloading even more of the work of remembering to technology. If the only thing at stake were memories of trivial facts, that might not matter. But, as the pioneering psychologist and philosopher William James said in an 1892 lecture, “the art of remembering is the art of thinking.” Only by encoding information in our biological memory can we weave the rich intellectual associations that form the essence of personal knowledge and give rise to critical and conceptual thinking. No matter how much information swirls around us, the less well-stocked our memory, the less we have to think with.

- *Adrian Ward, a Cognitive Psychologist and marketing professor at the University of Texas at Austin has seen mounting evidence that using a smartphone, or even hearing one ring or vibrate, produces a welter of distractions that makes it harder to concentrate on a difficult problem or job. The division of attention impedes reasoning and performance.*
- *A 2015 Journal of Experimental Psychology study, involving 166 subjects, found that when people’s phones beep or buzz while they’re in the middle of a challenging task, their focus wavers, and their work gets sloppier—whether they check the phone or not.*
- *Another 2015 study, which involved 41 iPhone users and appeared in the Journal of Computer-Mediated Communication, showed that when people hear their phone ring but are unable to answer it, their blood pressure spikes, their pulse quickens, and their problem-solving skills decline.*
- *The researchers recruited 520 undergraduate students at UCSD and gave them two standard tests of intellectual acuity. One test gauged “available cognitive capacity,” a measure of how fully a person’s mind can focus on a particular task. The second assessed “fluid intelligence,” a person’s ability to interpret and solve an unfamiliar problem. The results were striking. In both tests, the subjects whose phones were in view posted the worst scores*
 - *In subsequent interviews, nearly all the participants said that their phones hadn’t been a distraction—that they hadn’t even thought about the devices during the experiment. They remained oblivious even as the phones disrupted their focus and thinking*

As Dr. Wegner and Dr. Ward explained in a 2013 Scientific American article, when people call up information through their devices, they often end up suffering from delusions of intelligence. They feel as though “their own mental capacities” had generated the information, not their devices. “The advent of the ‘information age’ seems to have created a generation of people who feel they know more than ever before,” the scholars concluded, even though “they may know even less about the world around them. People’s knowledge may dwindle as gadgets grant them easier access to online data.” (Carr) As a result, the cell phone expectations for students have been altered to promote learning, conversation, enriched mental health, and a positive school climate. Significantly, at the beginning of each timeblock cell phones must be put away. Accordingly, cell phones must not be used at all during class time. If a student is disrupting the educational environment with a cell phone or electronic device, it will be confiscated and taken to the office. Please note, administration may review the content of a cell phone if pertinent information is suspected to be on the devices related in some capacity to a discipline or a safety issue, or some other concern. Cellular phones may be carried by students while on field trips or other school sponsored events out of the school building either on or off of school grounds. These devices shall be utilized with discretion so as to not create a disturbance. Students will be able to use their phones during Study Hall and Lunch.

The following discipline structure has been created to discourage the use of cell phones during class time:

1st Infraction	Loss of cell phone for the day	Conversation with Mr. Biggan
2nd Infraction	Loss of cell phone for the day	PM detention
3rd Infraction	Loss of cell phone for the day	Parent meeting
4th Infraction	Loss of cell phone for the day	In-School-Detention, parent meeting with Principal, school counselor, and Student Assistance Counselor

5th infraction	Loss of cell phone privileges for 4 weeks	Student must hand in their cell phone to Mr. Biggan every day for 4 weeks at the beginning of the school day. Phone will be turned off, placed in a locked cabinet, and returned at the end of the day.

Anti-Big Brother Act Disclosure

N.J.S.A. 18A:36-39 (P.L. 2013, c. 44)

Any laptop computer, cellular telephone, or other electronic device furnished to a student by Ramsey School District may record or collect information on the student’s activity or the student’s use of the device if the electronic device is equipped with a camera, a global positioning system, or other feature capable of recording or collecting information on the student’s activity or use of the device.

Ramsey School District shall not use any of the capabilities in a manner that would violate the privacy rights of the student or any individual residing with the student.

TEXTBOOKS

Textbooks and/or supplementary materials are furnished to all students. Use them with care as others will use them after you. Please cover your books with paper or other protective materials. In the event a book is lost, damaged beyond reasonable wear, or stolen from you, you will be required to pay full or partial cost of replacing the book.

THEFT

It is unfortunate, but not everyone is as honest as you. Stealing does occur. Forewarned is forearmed. Never leave purses, books, or valuables unattended. Do not tell anyone your locker combination. Bring only the amount of money needed for that particular day and do not "advertise" the fact that you have money. The school cannot be responsible for the replacement of personal property. (See Lockers) Hallway and gym locker combinations are changed every year.

TRANSCRIPTS

The School Counseling Office will send six transcripts for any student without charge. For additional transcripts, a charge of \$2.00 will be levied.

VISITORS

Prospective students are welcome at Ramsey High School. If you wish to host a person who is not a regularly enrolled member of Ramsey High School, you must receive prior approval from the Supervisor of HS Education. A letter from a parent or guardian must accompany the request that indicates the prospective student’s name, permanent place of residence, and the date of visitation. A visitor must be a high school student. Visitors are limited to a one day stay.

It is understood that a visitor is a guest of a student and must remain with the host student at all times while visiting. Guests of students are subject to all rules and regulations of the school. Alumni of Ramsey High School are always welcome if Public Health Conditions allow for visitors. Every effort, however, should be made to visit the school after school hours when the faculty and staff have fulfilled their obligations to the present students.

WORKING PAPERS

Students up to the age of 18 who are working for pay are required by New Jersey State Law to have working papers. Applications for working papers have gone digital and can be accessed at MyWorkingPapers.nj.gov.

RAMSEY HIGH SCHOOL ATTENDANCE POLICY

The NJ Department of Education has strict guidelines as to what counts at the State level for attendance records. Those guidelines can be found [here](#). Ramsey High School is compelled by the state guidelines to ensure students have attendance records that do not reflect chronic absenteeism. Inherently, a student who is absent for a full day with an excused absence pursuant to Ramsey High School's definition of "excused" must be recorded as having a day in membership and day absent for that day. An "excused" absence that is not one of the five allowable reasons:

1. Religious observance (N.J.A.C. 6A:32-8.3(h));
2. A college visit (up to 3 days per school year, only for students in grades 11 and 12);
3. "Take Our Children to Work Day" (pursuant to the memo issued by the Commissioner to all districts on April 25, 2017) or other rule issued by the Commissioner;
4. Participation in observance of Veterans Day (N.J.S.A. 18A: 36-13.2) or District Board of Election membership activities (N.J.S.A. 18A: 36-33);
5. or the closure of a busing district that prevents a student from having transportation to the receiving school does not count as an absence in the determination of whether the student was chronically absent for the year.

The school-level chronic absenteeism rate is calculated by dividing the number of chronically absent students during the school year by the total number of students enrolled in the school, and at Ramsey High School we are dedicated to working diligently with students' families to ensure that our school-level chronic absenteeism rate remains as low as possible.

[District Policy 5200 - Attendance \(M\)](#)

[District Regulation 5200 - Attendance \(M\)](#)

Tardiness to School

A student who arrives at school after 8:00am is considered officially tardy and **MUST REPORT DIRECTLY TO THE ATTENDANCE OFFICE**. Any student who does not report to the Attendance Office will be subject to disciplinary action.

Students who are tardy to school five (5) times in one month will be assigned a Saturday detention; subsequent Saturday detentions will be assigned after the 8th and 11th tardy in a given month. The Attendance Secretary, Dean of Students, or SSupervisor of HS Education will schedule Saturday detentions with each chronically tardy student.

Three (3) tardies will result in an unexcused absence for that period's attendance.

Students must be present in school by 10:45 am to participate in extracurricular or interscholastic activities for the day.

School entrances will be locked at 8:01am. All tardy students must enter through the front doors.

Tardiness to Class

Tardiness shall be defined as the arrival to class after the bell to begin class has rung.

Each tardy to class will count as one-third of an absence from that class. Therefore, three (3) tardies to class will result in an unexcused absence. Tardiness to class, when coupled with absenteeism, may lead to denial of credit should a student exceed the absent threshold (14 for a full year course; 7 for a semester course; 4 for a quarter course).

If a student is late without a pass, the student will be considered as having an unexcused tardy. Should that unexcused tardy be three (3) minutes or more, it shall be considered a "Cut" and treated as such. The student will have until the next class meeting to produce a written excuse from another teacher. Students will not be sent from class for an excuse.

CLASSROOM CUTTING

Cutting class occurs when:

1. a student does not report to their class period when marked present in the Student/Parent Education Portal, or
2. a student leaves class without permission, or
3. a student leaves class for more than 10 minutes without permission, or

4. a student is more than three (3) minutes late to a class period. When a student cuts any class period, the student will be assigned a Saturday detention. The parent or guardian will be notified of all class cuts by telephone and letter. A student may not be permitted the ability to schedule an attendance appeal should the need arise. Parent conferences may be mandated if cutting becomes chronic.

PUPIL DISCIPLINE/CODE OF CONDUCT

While the Ramsey Board of Education believes that positive approaches to acceptable behavior are usually more effective, it is sometimes necessary to detain, suspend, or expel students for violations of school regulations to ensure the good order of the school and to teach the consequences of disruptive behavior. The Principal, Supervisor of Education Grades 9-12 & Student Welfare, Director of Security, or designee shall determine the level of such consequences. The Board of Education recognizes that pupils possess both the right to a free public education and the rights of citizenship. In granting pupils the educational opportunities to which they are entitled, the Board shall provide them with the nurture, counsel, and custodial care appropriate to pupils' ages and maturity. At the same time, the Board will respect the right of each pupil to equal treatment and equal access to the educational program, the due process of law, freedom of expression and association, and the privacy of his/her own thoughts. Attendant on the rights guaranteed to each pupil are certain responsibilities, which include respect for the rights of others, obedience to properly constituted school authority, and compliance with the policies and regulations of this district. As pupils differ in age and maturity, they differ in the ability to assume both the rights and the concomitant responsibilities of citizenship. Accordingly, the exercise of each right will be granted with due regard for the degree of responsibility possessed by the pupil and the pupil's need for continuing guidance and control.

- Link to BOE Policy [here](#)

This policy shall apply to student behavior while at school; at co- curricular and extracurricular programs; on school grounds; during school hours when off school grounds; at school-related functions on or off campus; in transit to or from any school-related function; and when that behavior is any way connected to the individual's role as a student. Unacceptable behavior shall include, but not be limited to:

- Continued and willful disobedience.
- Open defiance of the authority of any teacher or person having authority over a student.
- Lying, cheating.
- Trespassing or unauthorized presence in areas restricted from student use.
- Actions that constitute a continuing danger to the physical well- being of other pupils
- Fighting or physical assault upon another pupil, a teacher or any school employee, or inciting others to engage in a physical assault upon another pupil, teacher, or school employee.
- Hazing or harassment of a student in a sexual, verbal, or physical manner.
- Use of profanity, abusive language or threatening and provocative language.
- Unsolicited or unwanted touching.
- Intimate contact.
- Indecent exposure.
- Throwing of food, paper, pens or other objects.
- Taking or attempting to take school or personal property from lockers, classrooms, school offices, or any other area of school facilities and vehicles; or personal property from another pupil, whether by force or fear.
- Willfully causing, or attempting to cause, substantial damage to school property.
- Tampering with, damaging, defacing, or destroying school or personal property.
- Turning in a false fire alarm or emergency call.
- Bringing food or drinks into unauthorized areas.
- Taking part in any unauthorized occupancy of a District facility and refusing to leave promptly when directed to do so by a person in authority.
- Inciting others to take part in an unauthorized occupancy.
- Absence and lateness.
- Truancy and class cutting; leaving school property without permission.
- Inciting other students to truancy.
- Possession of unauthorized electronic devices.

- Participating in activities relating to the sale, purchase, or distribution of gambling paraphernalia or lottery related materials.
- Use of unsafe or illegal articles or drug paraphernalia.
- Use of any tobacco products in school buildings or on school grounds.
- Use, possession or sale of a controlled dangerous substance.
- Use, possession or sale of alcohol.
- Sale, use, possession, or distribution of explosives, firecrackers, smoke bombs or similar materials.
- Use, possession of water toys and balloons.
- Arson
- Forgery of signature and/or tampering with documents of parents, guardians, teachers or persons in loco parentis.
- Inappropriate usage of software, hardware or computer networks. Any pupil who commits an assault as defined by N.J.S.A. 2C:12-1*

upon a Board member, teacher, administrator, or other employee of the

The Board of Education shall be suspended from school immediately according to procedural due process, and expulsion proceedings shall begin no later than 21 calendar days from the date of pupil's suspension.

*Simple Assault - A person is guilty of assault if he/she:

- (1) Attempts to cause or purposely, knowingly or recklessly causes bodily injury to another; or
 - (2) Negligently causes bodily injury to another with a deadly weapon;
- or
- (3) Attempts by physical menace to put another in fear of imminent serious bodily injury.

Simple assault is a disorderly persons offense unless committed in a fight or scuffle entered into by mutual consent, in which case it is a petty disorderly persons offense.

Any student who aids, urges, or abets any other student to commit any of the offenses prohibited by school regulations shall be subject to the same penalties as the offending student.

Any student who commits any act or offense which is not specifically set forth above, but which shall, nevertheless, result in any damage or injury to the person or property of the school or of the creation or disorder, will be subject to disciplinary proceedings.

Any act which adversely affects the health and/or safety of student(s), is considered a serious offense. The administration reserves the right to determine what offenses are serious enough to warrant a penalty of suspension.

If a teacher finds it necessary to refer a student to the Supervisor of HS Education or Dean of Students for disciplinary reasons, the teacher is to fill out a discipline referral form.

After the Supervisor of HS Education or Dean of Students meets with the student, he will complete the discipline referral form. Copies will go to the teacher, School counselor, and supervisor. The Supervisor of HS Education and/or Dean of Students will also keep one for his files.

A typical line of student discipline would be:

- a. Teacher handles most of the classroom discipline.
- b. If a persistent problem develops, the student will be sent to the Supervisor of HS Education or Dean of Students for disciplinary action.
- c. If the problem continues the teacher may contact the parents and refer the student to the Supervisor of HS Education or Dean of Students.
- d. The Supervisor of HS Education, Dean of Students, and/or School counselor should schedule a conference with the student.
- e. Under extreme circumstances, a-d may be omitted.

Ramsey High School uses counseling, detentions, and suspension within its disciplinary procedures. A student may be excluded from participating in activities, trips, and/or graduation exercise if an offense warrants it.

Offenses do occur and must be met as the situation presents itself. Discipline offenses are as simple or as complicated as the people that are involved. It should be remembered that we cannot deal in black and white, but in the many shades of gray. We endeavor to treat disciplinary problems with as much flexibility as possible and always consider the depth and breadth of the individual. There is a continual attempt to involve the student, teacher, and parent or guardian in decisions surrounding discipline problems. Teachers receive a copy of the discipline reports they initiate with the dispensation spelled out. Supervisors of the reporting teacher and the School counselor also receive a copy. Students

are allowed to read the discipline report statement regarding their misconduct. Prior to a determination the student is permitted to give his side of the story.

Sequence of Discipline Actions:

1. Initial referral for non-suspendable infraction - counseling and detention.
2. Second referral - counseling and detention; letter home seeking parental assistance and advising of increased disciplinary consequences.
3. Third referral - counseling and three detentions.
4. Fourth referral - counseling and detentions; telephone call to parent and letter.
5. Fifth referral - (See second referral)
6. Sixth referral – (See third referral) in-school suspension; parent conference.
7. Seventh referral - (See fourth referral); out-of-school suspension; parent conference.

BOARD OF EDUCATION'S POLICIES

The Ramsey Board of Education's policies can be located on our district website at www.ramsey.k12.nj.us. Some important policies to review are:

- [2361 – Acceptable Use of Computer Networks/Computers and Resources](#)
- [5200 – Attendance](#)
- [5330 – Administration of Medication](#)
- [5512 – Harassment Intimidation and Bullying](#)
- [5519 – Dating Violence at School](#)
- [5530 – Students, Drugs, Alcohol, Tobacco and Controlled Dangerous Substances](#)
- [5600 – Pupil Discipline/Code of Conduct](#)
- [5721 – Independent Publications](#)
- [5751 – Sexual Harassment](#)
- [5755 – Equity in Educational Programs and Services](#)
- [5756- Transgender Students](#)
- [5770 – Pupil Right of Privacy](#)
- [8330 – Pupil Records](#)

ALMA MATER RAMSEY HIGH SCHOOL

Sing the praise of dear old R.H.S., Dear old Ramsey High. Blend your voices in the glad refrain 'til the echoes die.

Other halls may claim their boast, and other lips may speak their toast. But our hearts to one name shall e're be true - Dear old Ramsey High. Keeping time we swing a-long the line. Hearts are filled with praise - Days of gladness mem-o-ries so dear, Hap-py Hap-py days.

Loy-al lads and las-sies loy-al to - as years roll by.

We will sing our song of praise to you. - Dear old Ramsey High.
