

County Window Display Entry Form

Every club is encouraged to design and place a window display in your community during National 4-H Week that helps to promote 4-H to others. This activity can be a lot of fun and it especially helps to tell other individuals who are not involved in 4-H about the outstanding youth program that you are active in. These displays also help show our community some of the great work you do in the 4-H program. Work with your other club members and develop an idea to share with your community. Each club should complete an entry form and submit it to the 4-H Office by September 30th. **Your club display should be in place by October 2nd.** We request that Window Displays should remain in place until October 16th or longer if possible. Window Displays will be judged and the top three displays in our County will be invited to enter their display in the 4-H building at the Delaware State Fair. Displays should not exceed a maximum length of 7 ft. or a maximum width of 3 ft.

Club Name _____

Leader Contact _____
