why is party planning such a fuckin. thing in mlp universe (edited)

like i get that that is something youd need but its weird theres two horses of which party planning is so important to them they get sad when someone else does a party

**sock** Today at 3:43 AM

theyre little technicolor horses  
of course they want to have a good time

**if i dont overthink childrens programming i will write a  
callout post on tumblr about you**

**sock** Today at 3:45 AM

do it
