

Add Rainbow Words activity to Seesaw:

1. Choose +
2. Share Activity
3. Create New

4. Enter a title, then copy and paste these directions into the Student Instructions portion of the activity:

Trace the word using 4 colors to make a rainbow.

:add: Tap the add button.

:drawing: Open the drawing tool and choose a color and trace the word.

:drawing: Choose three more colors and trace the word three more times, until it looks like a rainbow.

:mic: Use the microphone and record yourself reading the word.

:check: Tap the check to add to your journal.

5. Add one of the [Rainbow Words templates](#), and create an example.

6. Add the same Rainbow Words template for students to complete, then share the activity with your students.

NOTE: You could also add a skill or place this in a folder, to help with organization and student tracking.
