What is What: Camps, Letter Jackets, All-State, and more!

Welcome to Keller High School Band!

We are happy to have you as part of the award-winning Keller High School Band program. Our band is one of the premier programs in the state of Texas, and we look forward to you becoming a member of our band family.

The Keller High School Band program has a long tradition of excellence in shaping students' lives and instilling a rich appreciation for the musical arts. While in band, you will strengthen friendships, gain confidence, and learn the value of teamwork. Our band students also develop strong communication skills, as well as acquire a broader understanding of musical genres, techniques, and theories.

As a student in our band, you will learn the importance of attitude, ability, academics, and accountability and the role they play in your success. This handbook will serve as a guide for you and your family while in the program. Like any successful organization, structure and communication are critical. The policies laid out in the handbook will assist you with questions and expectations.

We are always here to help and assist you whenever needed.

It's going to be a great year in Keller High School Band. Welcome to the family!

Go Big Blue!

Daniel Bloss, KHS Head Band Director Richard Alvarado, KHS Assistant Band Director Connor Korioth, KHS Assistant Band Director Julianna Fletcher, KHS Percussion Director

Who We Are

Our Program

Keller High School is the oldest high school in the Keller Independent School District. At almost 400 strong, the band comprises almost ten percent of the entire student body and includes some of the most academically successful students on campus. Many of our band members are frequently in the top ten percent of their class, National Merit Scholars, or participate in varsity athletics.

Musically, over the last twenty-six years, the Keller High School Band has earned straight first division ratings at the UIL Region Marching Contest. Named a top ten finalist many times at the 6A State Finals, the band has also been the recipient of the prestigious Sudler Shield award by the John Philip Sousa Foundation. Performing in the coldest parade on record, the KHS Band marched in the Macy's Thanksgiving Day parade in front of a worldwide audience.

Our Keller High School Band is equally as successful in our concert programming. In 2021, the Wind Ensemble traveled to Chicago and performed at the Midwest Clinic. Additionally, our concert band programs earn Division I ratings at the UIL Concert and Sight-Reading Contest.

It is our goal to create lifelong lovers of music who will continue to support music education throughout their lives as a result of their experiences in the Keller High Band program.

Communication

We encourage the use of effective communication skills while you are a member of the Keller High Band family. Part of this training for our students involves what we call the "Chain of Communication." This structure has been successful in our program for many years but is especially critical during our fall marching season. Please utilize this whenever you have questions or clarification, but always know we are available to assist as well. Additional communication channels are outlined below.

Information will be dispersed in multiple ways to maximize understanding!

Communication Methods

Email through Presto Assistant

Presto Assistant is the database system our band utilizes to store student records, send emails, track fees and payments, and much more! Students are already added to Presto when they join band, but parents must also have an account in order to access their student's information and receive emails from the Band Directors. Directions for creating your account and linking it to your student can be found HERE.

All questions concerning Presto can be directed to: richard.alvarado@kellerisd.net

Website: https://www.kellerhighband.org/

The Keller High Band website is a valuable resource for all things band. Here you will find new parent information, upcoming events, financial information, and

more! One of the best features of the site is the ability to sync your personal calendar to the live Google Keller High Band calendar. Stay up-to-date on all things band! Students and parents, follow instructions **HERE** on how to sync your calendar so you don't miss anything.

Google Calendar

The directors keep a "live" feed on the website of the Keller Band Google Calendar. This calendar has all dates for competitions, Calendar football games, concerts, when to take (and when not to take) SAT tests, and more! Add this calendar to your calendar to prepare. Click this **LINK** for directions on syncing.

The Whiteboard

"Check the Whiteboard" is a phrase you will hear often during your years in the Keller Band family. Each week, the directors write a schedule of events, important information, uniform requirements, and more. Make a habit of taking a picture of it every Monday during band class!

Social Media

Our Keller High Band social media accounts are run by our Booster Organization under the direction of the directors. Go and like all three of our platforms today! They are all valuable for communication, live "stories" of events, band pictures, and more! Our band hashtag is #kellerhighband

Band App

The Keller High School Band and Band Boosters use an app called Band to communicate information to students and family members. Each concert band has its own "Band," as well as dedicated "Bands" for Boosters, General Info, etc. Pictures, documents, and notes can be shared safely through this app.

The following page has QR codes of all of the 2024-2025 Band Groups that are currently ready for joining! You only need to join the "Bands" that your student is a member of. These Bands allow private and safe communication to go out to all approved members. Only directors can approve membership into the Band Groups to allow for safety and privacy. To read more about the Band App and how it works, head to their FAQ section on the Band Website: HERE.

Attendance

In order to maintain membership in the Keller High Band program, all students are required to participate in the JV or Varsity Marching band, as well as a concert band or Color Guard class. Members are expected to attend all required rehearsals and performances in order to maintain membership in the band program. All rehearsals and performances are posted on the Band Calendar located on our Keller High Band website. Directions for syncing the band calendar with your own can be found: HERE.

Because of the participatory nature of marching band, attendance is required for all rehearsals and performances. Excused absences will be granted only for significant illness, family emergencies, religious holidays/observances, and extenuating circumstances as approved by the director. Non-school-sponsored activities, teams, clubs, or jobs must not conflict. Any member who misses rehearsals and performances may have their role replaced by another band member, and can be reassigned to a different elective if they cannot meet these expectations.

Know your "Call Time" - Be on time (early) and prepared for all rehearsals, classes, etc. Punctuality and preparation are critical. Call time means arrival 15 minutes prior. "To be early is to be on time. To be on time is to be late. To be late is unacceptable."

Conflicts with school activities will happen and can be worked out with proactive communication and compromise. Please ask for an event calendar for all groups that you are a member of to allow time to work out scheduling needs, if necessary. The band director will work with other teachers, coaches, and directors of various school activities to give each member the best opportunity to be a part of multiple extracurricular activities.

SAT/ACT testing dates often conflict with band performances. The band calendar is updated with recommended testing dates for your convenience. In the event that a student is testing on the morning following a football game, parent contact

is needed more than 24 hours in advance with an opportunity to leave after the halftime performance. Procedures involving checkout, notifications, etc. will be handled based on individual member needs.

All absences must be approved in advance! A written request must be submitted to the band director for approval. **Do not communicate absences through a peer or student leader**.

Topics cover everything from summer band camps and competitive marching season to concert season and solo contests. Not only are these meetings fun (door prizes!), but it is a great time to meet new people, learn new information, and learn new ways to be successful in the world of KHS Marching Band!

UDB App

UDB is an app that our members use to learn marching drill each season. Download is free in the app store.
