

Jill Propek - Inspector of Elections NBT South 1

I am running for Inspector of Elections because I believe in the importance of fair and transparent elections for our community. As an active member of the community, I want to provide the voters with confidence that their voices will be heard and respected, and I aim to contribute to an election system that reflects the integrity and values of our democracy. I have lived in Bucks County for most of my life and specifically my precinct since 2021, and I look forward to getting to know my neighbors better while ensuring voter integrity.
