

Privacy Policy

Last updated: 7 January 2026

This Privacy Policy describes how the **UAS Calculator** (“the App”) collects, uses, and protects your information.

By using the App, you agree to the collection and use of information in accordance with this policy.

1. Information We Collect

The App collects **limited technical information only**, required for core functionality.

a) Device & App Information

We may collect:

- Device type and operating system version
- App version number
- Anonymous device identifiers (used for push notifications)

This information is collected automatically via platform services and is **not used to identify you personally**.

b) Push Notifications

If you enable notifications, the App collects:

- A **push notification token** (provided by Google Firebase)

This token is used **only** to:

- Deliver notifications related to app functionality
- Send important operational alerts

You can disable notifications at any time via your device settings.

c) User-Provided Data

The App **does not require user accounts** and **does not collect personal details** such as:

- Name
- Email address
- Phone number
- Location data

Any values entered into calculators remain **on your device** and are not transmitted unless explicitly required for functionality.

2. How We Use Information

Collected information is used solely to:

- Operate and maintain the App
- Improve stability and performance
- Deliver push notifications when enabled

We **do not**:

- Sell your data
 - Share your data with advertisers
 - Track you across apps or websites
-

3. Third-Party Services

The App uses trusted third-party services that may collect information as part of their normal operation:

- **Google Firebase**
 - Push notifications
 - Basic diagnostics and stability

These services operate under their own privacy policies:

- <https://policies.google.com/privacy>
-

4. Data Storage & Security

- All data is transmitted using secure connections
 - No sensitive personal data is stored
 - Reasonable technical measures are used to protect data from unauthorized access
-

5. Data Retention

- Notification tokens are retained only as long as required to deliver notifications
 - You may remove the App at any time to stop all data collection
-

6. Children's Privacy

The App is **not intended for children under the age of 13** and does not knowingly collect personal information from children.

7. Your Rights

You have the right to:

- Disable notifications
 - Remove the App at any time
 - Request clarification on data usage
-

8. Changes to This Policy

This Privacy Policy may be updated from time to time.
Any changes will be reflected in the App Store listing or within the App where applicable.

9. Contact

If you have any questions about this Privacy Policy, you may contact the developer at:
