In "The Naked Capitalist" , Dr. Skousen reviews the book "Tragedy and Hope" by Carroll Quigley. It reveals how some of the richest people in the world have supported communism and socialism. Why would they support what appears to be the pathway to their own destruction? Dr. Quigley has been associated with many of these dynastic families of the super-rich. Dr. Skousen therefore writes as an authority on the world's secret power structure. His answers to the above question will astonish you.

This is the big picture of how the world is controlled by a small number of people.

THE NAKED CAPITALIST

WHEN HARRY DEXTER WHITE

DR. BELLA DODD

II) was discovered by the FBI to be a Soviet agent, the White House was immediately informed. But instead of being fired or arrested, Harry Dexter White was appointed as the new Executive Director of the U.S. Mission to the International Monetary Fund of the United Nations. He was also given a substantial increase in salary. J. Edgar Hoover was amazed. Attorney General Herbert Brownell, Jr. stated publicly that President Truman knew White was a Soviet spy when he made the appointment. (Quigley, *Tragedy And Hope*, p. 991)

Why would men in charge of the world's massive financial problems want an exposed Soviet agent such as Harry Dexter White to occupy such a highly important position in the World Bank? And why in the name of common sense would the President of the United States approve of such a thing? I heard both Congressmen and

intelligence officers quizzically exclaiming, "What's going on?"

It was not long after this that the former chairman of the Federal Reserve Board began advocating economic aid and comfort to Communist China. His speech was all the more shocking because the American people had just been jolted by a Congressional hearing in which it had been shown with sworn testimony that the U.S. State Department had either recklessly allowed or deliberately propelled six hundred million Chinese allies into the grip of the Communist Chinese leaders. Nevertheless, here was this American capitalist (and former chairman of the Federal Reserve Board) telling a large meeting (where the reviewer was present) that the United States should immediately undertake extensive trade with Red China. Said he, "We never fight the people we trade with." I thought to myself, "Well, we certainly had to fight Japan in spite of all the oil and scrap iron we sold her just before World War II." Re speech by OREN FENTON ~~POTITO~~, St. Petersburg, Florida,
January 16, 1964.

On January 17, 1964 TP 100 PCI (RAC) furnished to SAs JAMES P. O'NEIL and JAMES E. WALLACE the following information:

On the evening of January 16, 1964 a dinner sponsored by OREN FENTON POTITO was held at Donat's Restaurant, 6001 Haines Road, North St. Petersburg, Florida. The dinner meeting was informal public in nature and approximately 41 persons were in attendance.

The source has identified POTITO as a member of the National States Rights-Party (NSRP) in the Spring of 1963 at which time POTITO resigned while holding the office of National Organizer. Since that time POTITO has held meetings of a public nature under various titles all of which are non-existent organizations. He is not known to have any national affiliation at the present time although he is in contact with various leaders of right wing groups in the United States.

In the course of his speech of some 3 hours following the dinner POTITO touched on the association between LEE HARVEY OSWALD and RUBY.

POTITO identified RUBY, real name RUBENSTEIN, as a Communist Party Member since 1929 and through this connection linked him to OSWALD. He identified OSWALD as a Communist through his association with the Fair Play for Cuba Committee (FPCC).

According to POTITO only two organizations knew the route of the parade in Dallas on November 22, 1963 for any period of time prior to the parade and these two were the United States Secret Service and the Dallas Police Department. RUBY had insinuated himself into the Police Department circle, obtained the route and arranged with OSWALD to take the job at the state school building along the route to carry out the assassination.

POTITO said the "Surgeon General's report" on the assassination stated the first bullet entered the President's throat below the Adams apple clearly showing that two persons were involved with the first shot being fired from the bridge across the park way in front of the car. To further substantiate this, POTITO said there was a bullet hole in the windshield of the President's car.

Dying CIA Agent Admits To Killing Marilyn Monroe

April 16, 2015 Royce Christyn Conspiracies, Entertainment 9

Dying CIA agent admits to killing Marilyn Monroe. She had affairs with both President Kennedy and Bobby Kennedy. This fact may have led to her murder, which was suspected from the facts around her death. She was reportedly incapacitated and then given a suppository to kill her. This was hushed up to the best of their ability. It may have led to the assassination of one or both Kennedys. This was an accepted theory since she first died. Of course we didn't know the people who did it. She certainly was not killed

because she supposedly slept with Fidel! She was killed to protect the Kennedy's reputation. Bobby Kennedy was running for President when assassinated. President Kennedy was assassinated November 22, 1963 a few months after Marilyn died.

Hillary related murders??? I do not know the original source.

[Robert Hodam](#) Hillary murders:

A very experienced Murderer. Hillary Body Count

People seem to forget!!

This is what happens when you mess with the Clinton's!!

You can share this from my page if you want. And I did not write this I copied it from someone else that posted it.

and in case you have forgotten all the other bodies this witch has left in her wake.....Just a quick refresher course 'lest we forget' what has happened to many "friends" of the Clintons.

1- James McDougal – Clintons convicted Whitewater partner died of an

apparent heart attack, while in solitary confinement. He was a key witness in Ken Starr's investigation.

2 – Mary Mahoney – A former White House intern was murdered July 1997 at a Starbucks Coffee Shop in Georgetown .. The murder happened just after she was to go public with her story of sexual harassment in the White House.

3 – Vince Foster – Former White House councilor, and colleague of Hillary Clinton at Little Rock's Rose Law firm. Died of a gunshot wound to the head, ruled a suicide.

4 – Ron Brown – Secretary of Commerce and former DNC Chairman. Reported to have died by impact in a plane crash. A pathologist close to the investigation reported that there was a hole in the top of Brown's skull resembling a gunshot wound. At the time of his death Brown was being investigated, and spoke publicly of his willingness to cut a deal with prosecutors. The rest of the people on the plane also died. A few days later the air Traffic controller committed suicide.

5 – C. Victor Raiser, II – Raiser, a major player in the Clinton fund raising organization died in a private plane crash in July 1992.

6 – Paul Tulley – Democratic National Committee Political Director found dead in a hotelroom in Little Rock , September 1992. Described by Clinton as a "dear

friend and trusted advisor”.

7 – Ed Willey – Clinton fundraiser, found dead November 1993 deep in the woods in VA of a gunshot wound to the head. Ruled a suicide. Ed Willey died on the same day his wife Kathleen Willey claimed Bill Clinton groped her in the oval office in the White House. Ed Willey was involved in several Clinton fund raising events.

8 – Jerry Parks – Head of Clinton's gubernatorial security team in Little Rock .. Gunned down in his car at a deserted intersection outside Little Rock Park's son said his father was building a dossier on Clinton He allegedly threatened to reveal this information. This Woman Should
Scare the **HELL**
Out of All Americans!

This is Heidi Cruz—wife of Ted Cruz. A Wall Street insider, she was 'fortuitously' promoted to Managing Director at Goldman Sachs—just 9 days after her husband won his Senate seat.¹ Heidi is an architect of the North American Union (NAU) whose goal is to destroy the sovereignty of the United States by turning Mexico-Canada-USA into one entity (like the EU).² She's actively pursuing this quest as a member of the Council of Foreign Relations. It's in part, why Ted Cruz has supported obamatrade (TTP). If Ted becomes US President, it virtually ensures the dissolving of the USA and the formation of the NAU. That would put Heidi Cruz in line to become the First Lady—NOT of the USA, but of the new North American Union.³ - Gary Forbes

“The common enemy of humanity is man. In searching for a new enemy to unite us, we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like would fit the bill. All these dangers are caused by human intervention, and it is only through changed attitudes and behavior that they can be overcome. The real enemy then, is humanity itself.” – Richard Haass– Club of Rome

DAY TWO of a dossier on the quiet men who control our destiny

NEWS INQUIRY

THE Daily Mirror yesterday revealed the power of the Trilateral Commission as a group of global manipulators. The Trilateral Commission—known as the Kingmakers—stands second to none in power, prestige and influence. But not far behind comes the Bilderberg Group, a circle of the elite and wealthy whose hush-hush meetings determine how the Western nations should run their affairs.

EVERY year 120 of the world's most powerful and influential men come together, lock themselves away for three days and decide what policies the democratic nations of the West should follow.

They are members of the Bilderberg Group and their meetings are always kept a closely guarded secret.

But I can reveal that this year they will meet in the spa city of Aachen, just 45 miles from the German capital, Bonn, from April 18-20 next.

I can also reveal that former German President Walter Scheel has been invited to replace the aging Lord Home as chairman of Bilderberg. Scheel has accepted.

Top of the Aachen agenda will be world politics and economics following the Russian invasion of Afghanistan.

Bilderbergers represent the elite and wealthy establishment of every Western nation. They include bankers, politicians, diplomats and leaders of the great multi-national corporations.

Among British politicians who have attended their meetings are Edward Heath, Harold Wilson, James Callaghan, Denis Healey, Margaret Thatcher and Kenneth Robinson.

Other influential members of the British establishment include Lord Foot, of successful bankers & O. Warburg, Sir Ross Crowder, chairman of British Petroleum, John Harvey-Jones of ICI and Sir David Steel, chairman of BRITISH Petroleum.

Everything about the group is shrouded in mystery.

Their meetings, which take place at a different location each year, go unannounced, their details unreported, their decisions unknown.

SECRET MEETINGS TO SHAPE THE WORLD

An American journalist who has spent four years investigating the all-powerful groups that aim to influence our lives.

ideas and suggestions made at Bilderberg.

C. Gordon Tether, the distinguished former editor-in-chief of the Financial Times, wrote: "If the Bilderberg Group is not a conspiracy of some sort it is conducted in such a way as to give a remarkably good imitation of

Walter Bedell Smith, then director of the CIA.

One of the most intriguing aspects of the Bilderberg group is its steering committee's amazing ability to decide politicians to join the group who later reach the pinnacles of power in their respective countries.

I was stationed in Germany when Kennedy was assassinated, and participated in a long march in his honor.
