

English Corner Presents **Music**

Music is a powerful form of human expression that enriches our individual and collective lives. Music is like food for our heart and soul. Today let's use English to learn from each other about music.

1. Do you have a favourite song you would like to sing or play for the group? What does this song mean to you?
2. Did you learn to play a musical instrument when you were young or currently play an instrument? If so, describe your experience of learning and playing music.
3. Discuss the following statement:

The diversity in the human family should be the cause of love and harmony, as it is in music where many different notes blend together in the making of a perfect chord.

4. What are some common uses of music?
5. Why are children taught to sing and play music?
6. Where can we find music in our neighbourhood? What is the role of this music in enriching community life?
7. Explore the meaning of the words below, then make sentences with them:

Entrance
Lift

Dance
Emotion

Blend
Cleanse

Harmony
Flow

8. As a group, how can we learn more about music? What questions remain?
